Proposed Revision of the Constitution of the Stanly Baptist Association

THE PREAMBLE OF THE CONSTITUTION
OF THE STANLY BAPTIST ASSOCIATION

We, the people of Stanly Baptist Association of Stanly County, North Carolina, hereby declare that the association shall have no power to infringe upon the sovereignty of the rights of the member churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them to any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation. For these reasons we do hereby ordain and establish the Constitution.

Report of Baptist Hospital

Baptists of North Carolina are sure of one thing: namely, The North Carolina Baptist Hospital is fulfilling its stewardship in healing, education and personal Christian witness.

Although we have many worthy institutions in North Carolina the Hospital has become the largest and has direct contact with the most people. Every year there passes through her clinics and paths of treatment more than one hundred thousand people. Everyone who enters feels his case most important. Most everyone goes away feeling that the Baptist Hospital personnel agreed that he was right. Each one feels that he has had personal care.

The average patient knows very little about medical or laboratory terminology but you can't fool any about the Christian concern and treatment of Doctors and Nurses. Herein, is found the difference between a large institution and a great institution. This trait is a Baptist Hospital distinctive.

One of the great thrills of my life came when I observed the Emergency Department go into action to treat my daughter and wife on different occasions and while on a visit, see the Hospital go all out to minister to the victims of the Flat Rock School fire at Mount Airy.

Year by year added equipment extends the ministry to more people and more diseases. It appears now that our churches of the State have made their largest Mother's Day offering this year. Gratitude is expressed by our Hospital for this offering especially since the need for help has been greater than ever before. Yet the Stanly Baptists gave less than the previous year.

Respectfully submitted,

W. S. CAUDLE

Christian Education

Religious education in the christian sense includes all efforts and processes which help to bring children and adults into a vital and saving experience of God revealed in Christ; to quicken the sense of God as a living reality, so that communion with him in prayer and worship becomes a natural habit and principle of life; to enable them to interpret the meaning of their growing experience of life in the light of ultimate values; to establish attitudes and habits of Christ like living in common life and in all human relations; and to enlarge and deepen the understanding of the historic facts on which Christianity rests and of the rich content of christian experience, belief, and doctrine.

The concern of this committee has been directed to our christian colleges. Last year there were more than 56,000 young people enrolled in our Baptist colleges. Our seven colleges in North Carolina enrolled some 6,500. A much greater enrollment has been reached this year. Eight hundred and fifty of these students are enrolled as ministerial or mission volunteers. Many others are training for full time christian vocations. Hundreds of others are preparing for teaching and other professional fields. Today we are facing a growing problem. Our schools and colleges do not have adequate facilities to accommodate those seeking college training. If we as Baptists are to meet these demands, facilities must be provided.

Respectfully submitted,

ARTHUR R. WAISNER

Associational Brotherhood Report

The year 1957 marks the Golden Anniversary of the Brotherhood of the Southern Baptist Convention.

The Stanly Baptist Association got off to a good start in Brotherhood work with an association-wide rally at Anderson Grove Baptist Church. Mr. Ernest Kluttz (Mr. Brotherhood of North Carolina) brought an excellent message, assisted by special music by North Albemarle Male Choir. The Brotherhood program was well under way with 400 men present.

This year we have accepted one of the highest challenges the Brotherhood has as yet encountered. This is the year that completes the transfer of the Royal Ambassadors from the Woman's Missionary Union to the Brotherhood.

WHAT A CHALLENGE! Men working with boys, teaching them Christ's Way, and living Christian lives before them to set examples for them to pattern their lives after. This is indeed a challenge that cannot be taken lightly. We have accepted this duty with prayerful hearts and a strong determination, with the help of God, to make better boys into strong, dedicated Christian men.

Various programs have been enjoyed by the Brotherhood and W. M. U. combination meetings during the year.

We welcome Richfield Brotherhood into the association as a new organization, making a total of 27.

AIM for 1958—A Brotherhood and an R. A. Chapter in every church in the association.

Respectfully submitted,

H. O. HICKS, JR.

Christian Literature

God's people must read to strengthen their faith, increase their knowledge, open their vision and inspire their mind. A well informed Baptist must be a well read Baptist. Christian literature purchased and unread is not only a waste of substance God has endowed us with, but it is alsot a misuse of our time and talents to neglect to keep ourselves informed about our christian responsibilities and opportunities. Only as we are accurately informed about our local, state and world-wide Baptist affairs can we intelligently participate in the carrying out the great commission. Christian literature must forever be dedicated to the furtherance of the gospel and the whole work of God.

Baptists ought to make more use of christian literature. It must be read, promoted and used by our people in home and church if the whole program of Christ is carried out in Baptist unity and strength. We should receive, read, and meditate upon our own Baptist papers, journals, and magazines. When we have finished our own personal use of them we should pass them along to someone else who may be able to use them wisely. Many such people can be found if we will only look around us and seek for them diligently.

Report on Morals, Temperance and Good Government

Public morals in our area are good. As in other areas of our country, our "social morality' has made a great deal of progress within recent years. We are, however, making very little progress in individual or personal morality. We sometimes rather ridiculously call a person a good citizen if he is active in political and community affairs—even though his personal morals are low. Crime has not lessened and shows no indication of doing so within the near future. One of the principal reasons for that is the use of alcoholic beverages. That continues to be one of the major causes of crime in our community and in our country.

Governmental authority on a state-wide level continues to ignore the wishes of a majority of the people of North Carolina. The Legislature refuses us the right of a state-wide vote upon the sale of alcoholic beverages. Our petitions signed by a vast number of people were ignored in the last legislature while it was reported that free whiskey was distributed to certain members of the legislature. Within the physical limits of our Association we have done well for a number of years. There is little prospect for the legal sale of alcohol in our county within the near future. Our responsibility, though, extends beyond the boundaries of our physical border. We have an obligation to assist others in areas of our state where alcoholic beverages are legally sold. Those who promote the interests of the liquor industry seldom rest. They constantly work with samples, misleading advertising and every other device known to influence the minds of men. We can safely do no less. We must constantly fight their efforts and must participate in the state-wide programs. The active support of every Christian must be given.

Norwood Baptist Church

The Norwood Baptist Church, first known as Center, was organized on Friday, September 13, 1879 by a presbytery composed of the Reverends G. W. Harmon, G. O. Wilhoit, and A. E. Bennette. The following ten composed the charter members: Margaret Lanier, Eliza Bennette, Rebecca Turner, Ann Mariah Harris, Isabelle Parker, Zilphy Colson, William Caudle, Sarah Mills, John Green, and Martha Mills.

During a weeks meeting following this organization there were eight additions who were received upon their Christian statement. These were: B. L., Julia, John P., Priscilla, Regina and Martha Duke, George Thompson, and Sarah Morton. These came from a disorganized Baptist Church named New Hope, located at that time near the residence of Eli Farmer. On the closing Sunday of the meeting, September 22, 1879, the following were received upon professions of faith: Mollie Hinson, Martitia Ross, Ann Eliza Thompson, Richard Harris, J. A. Mills, Dock Singleton, Ella Scarboro, Louisa M. Harris, J. W. Hamilton, Bennette Duke. These were baptized in Rocky River near Barnhardt's Mill on October 5, 1879, by the Rev. A. E. Bennette who became the first pastor of the church. On this same Sunday the Rev. and Mrs. R. D. Thompson joined the church by letter.

The record is not clear but the first house of worship located just across highway 52 from the present location was dedicated Sunday, September 22, 1879, with the Rev. G. W. Harmon preaching the sermon of dedication.

Following Rev. A. E. Bennette, beginning 1880, the following were pastors of the church: Reverends W. G. Rollins, G. O. Wilhoit of whom it is said, "much of the success of the Norwood Church is due to his faithful services," C. H. Martin, John P. Boyd, G. O. Wilhoit for a second pastorate ending in 1898, Charles T. Ball, B. H. Williams, J. E. M. Davenport, G. O. Wilhoit—a third pastorate, E. B. Brooks during whose pastorate the first parsonage was built and of whom it is said "he did much good and added much strength to the work of the church in general". During Rev. J. C. Gillispie's pastorate which followed the church moved to the present location, building the original unit of this present building in 1916 then said to be "one of the prettiest houses of worship in the state". Other pastors in order were the Revs. T. Sloan Guy, J. C. Black, J. S. Connell, John R. Miller to whose pastorate is credited the building (1923?.. of the first Sunday School addition to the church, V. L. Andrews during whose ministry the present beautiful pastor's home was built. The Church continued to grow under the pastorates of the Revereends N. C. Coggins when (1931?) two classrooms for men were added, Ray Smith, and J. C. Bennette. Other pastors were the Reverends George L. Hocutt, L. W. Fields who was serving the church while the last addition was made to the present building (1923?) of the first Sunday School addition to the church, L. Hocutt, for a second period as pastor.

The Church has given to the ministry two noted servants of the Lord: The Rev. James S. Farmer, ordained in 1899, who was for a long time associated with the Biblical Recorder, Baptist paper for North Carolina; and the Rev. E. M. Harris, ordained 1900, who came to be recognized as one of the state's leading pastors.

The Norwood Church has grown to a resident membership of 466, and total Sunday School enrollment of 555. This growth can be attributed to the long and faithful service of consecrated men

and women down through the years, many of whom are still with us and very active in the church. For example, Mr. Ray Sinclair who has served as deacon and Sunday School Superintendent for many years, Mr. R. A. Kendall who until the late 40's had been Superintendent of the Sunday School, serving for 37 years, Mr. D. T. Singleton, Sr. who has also served as deacon, as did Mr. Kindall, and has taught the Keystone S. S. Class for many years. At the present time the Church is in the midst of plans for the projection of a building program which will, when finished, call for a completely new building.

Associational Training Union Report

The highlight of our Training Union work on the Associational level was the annual "M" Night meeting. There were 555 in attendance in this meeting that launched the program for the coming year. Our theme for the year has been "Prepared Unto Every Good Works". This we have sought to do for the churches and individual members during the year. Other features of our associational program were: Youth Night, Training Union Elimination Night, two officer and leader conferences and one other mass meeting. We are proud to announce that we had four state winners in the Junior Memory Work.

During the year five new Training Unions have been organized, giving us a present total of 28.

We have earned 900 training course awards during the year. We also served as host Association for our Regional Training Union Convention (held at West Albemarle Baptist Church) and our Association won the trophy for the year.

We are now looking forward to a new year with new hopes for our Associational Training Union organization. Our theme for the year is "Our Baptist Heritage". It shall be our goal to strengthen the work in all of our Training Unions, organize new unions in all the churches possible, and strive to have an increased number of training course awards with every church participating.

The motto is "Training in Church Membership". Let each of us as churches and individuals endeavor to become better and more useful members of our churches through faithful Training Union participation during the year before us.

Respectfully submitted,

MARSHALL E. HARGRAVE,
Training Union Director.

Report on Evangelism

During the days of July 28th through August 9th of this year a series of thirteen evangelistic services were sponsored by the Stanly Baptist Association. These services conducted under a big tent located on the West Albemarle school grounds drew an average of more than thirteen hundred people for each service. All of the forty-seven churches had people attending regularly or at some of the services. Dr. R. A. Ellis, pastor of First Baptist Church, Columbia, South Carolina, did the preaching. Dr. Hines Sims, Secretary of Department of Music of Baptist Sunday School Board,

of Nashville, Tenn. led the singing. Mrs. J. S. Melton was organist and Mr. V. H. Simmons was pianist.

A wonderful spirit of cooperation and fellowship was experienced in all of the services. Only the Lord can know the amount of good accomplished in and through these services. The report of the registered decisions is as follows: Rededications 291; Professions of Faith 12; Decisions for full time Christian service 16;A total of 319 decisions registered and "To God be the glory".

The list would be long if we were to mention by name all those rendering services in the planning and conducting of the services. There were some twelve committees envolving scores of people and a choir in which more than three hundred people participated. We feel sure that every effort put forth came from a heart of love and devotion, as more than two years of planning was culminated in the glorious services under the big tent.

Associational simultaneous revival efforts were canceled during the past two years due to a crowded calendar of activities in the association and the Central Tent Revival. It is hoped that this coming year will find the churches of the association engaged in simultaneous revivals. Above all let us remember that Jesus said "And ye shall receive power after that the Holy Ghost is come upon you, and ye shall be witnesses unto me both in Jerusalem, Judea, and in Samaria, and unto the uttermost part of the earth."—(Acts 1:8).

Report of the Woman's Missionary Union

It is hard to report in words and numbers the progress made in missionary interest the past year. There has been an increase in day by day witnessing for Christ by the members of the W. M. U. There has been a deepening interest of World Missions. This has been expressed by more people giving, more praying. There has been an increase in all our special offerings, more than 10 per cent. We gave during the year to the Lottie Moon, Annie Armstrong, and the Heck-Jones offerings $9,269.69. Most of our societies entered into the State Mission Emphasis Week with their churches and gave of their gifts for the work in our own State.

We have visited in the local churches, observed their interest, their spirit of working together for the purpose of promoting Christian Missions; we bow in humble gratitude for their efforts and for what has been accomplished. Fifteen Y. P. receiving recognition—3 Honor, 11 W. M. S.—1 Honor.

The purpose of the Woman's Missionary Union is the same as in 1888—year of its organization, to promote Christian Missions through a program of Missions Study. Prayer, Stewardship and Community Missions.

This year as we look upon the opportunities we remember our watchword, "Behold. I have set before thee an open door." The first door we see is "Christian Missions". Through our program of work in the Department of Publications we strive to paint on the mind of our people "Christ's Mission to the World". It has been said, "The mind of a new-born child is a tablet upon which nothing is written. The experience starts its story and keeps on writing until life is done. As the years unfold the world

unfolds—much through the reading of magazines and books. Woman's Missionary Union makes available good magazines and good books for all age groups.

Nineteen hundred years of missionary experience have proved that prayer and missions are linked together. We emphasize the importance of prayer, individually and unitedly. Prayer has sent out missionaries, prayer has supported them. Prayer has built hospitals and supported them. Prayer has opened doors into never-before-entered fields. Prayer has given entrance into the hearts of men everywhere. Without it there can be no advance in missions. Prayer enriches the lives of those who serve and those who pray.

In our Mission Study we bring our people face to face with the needs of the work today. In this study we see the great challenge, the open doors, the needy fields of the world. We hear His command to "Go".

Community Missions is "Missions at home". Our objective is winning the lost and strengthening the Christian standards in our communities. This local mission work was first called Personal Service, and in 1952 was changed to the present one. But long before this our women were sewing for the unfortunate, packing missions barrels, teaching the Bible wherever there was a need.

We emphasize Tithes and Offerings for we believe "Missions wait on Stewardship". From the time of Mary Webb in 1800 and her little society of 14 members, 8 of whom were Baptist, "giving to missions" has been one of the reasons for organizing missions societies. The feeling of a sense of Stewardship became a basic part of our program. How much we give depends upon how responsible we are as Christians. Last year we had an increase of 209 tithers and 424 new members. With a membership of 2860 and 996 tithers we realize there is much training enlistment to be done in our W. M. U.

Too small percentage of our women are enlisted!

Through the Department of Youth we endeavor to set before them the opportunities of Christian service. The work of our young people has advanced in the past year. Fourteen new youth organizations were reported. Under the guidance of our youth directors, Rallies were planned for each organization with a missionary inspirational speaker.

The attendance at our annual meeting of April 2 in the North Albemarle Church was the largest in the histotry of the W. M. U. The desire to learn more about our mission program was shown in attendance at the Leadership Conferences in the Charlotte Region and the Associational Conference on October 17.

We organized work in the Stanfield Baptist Church in July. This makes a total of 44 W. M. S. and 109 Y. P. organizations. We had 100 per cent reporting from the W. M. S. throughout the year. We would like to feel this is a good report—but when we see the need for missionary emphasis we cannot say we have done our best. As we think of the challenge for a Missionary Association in Stanly County we can only say, "so much to do, so little we have done". Why? Wherein have we failed?

May we look upon the doors in our own Association in the light of the words of Abraham Lincoln, "Having chosen our course, let us renew our trust in God, and go forward without fear and with manly hearts."

Respectfully submitted,

MRS. ROY E. DRY

Report of Sunday School Work

It is with heartfelt gratitude that we come to make this annual report to the association.

On behalf of the entire staff of associational Sunday School Officers, let me pledge our adherence to the ideal that our task is one of service. Our only purpose is to help the churches through proper us of their Sunday Schools to reach the lost for Christ and lead the saved to acknowledge the Lordship of Christ in daily living.

This year our association is reporting 47 Churches and 47 Sunday Schools. Our Sunday Schools enrolment this year 11,930, a decrease of 58 over last year. We are reporting 48 Vacation Bible Sschools. All the 47 churches had a school, and Mission Bible School in Kingville, 40 churches had a training course of some kind. These churches received 1,137 awards. One Standard Sunday School—North Albemarle Church. Fourteen observed January Bible Study. Two Vacation Bible School Clinics. In October of this year we had our Group Schools with 40 churches taking part in this unified effort.

WE RESPECTFULLY MAKE THE FOLLOWING RECOMMENDATIONS:

1. That we adopt for this year the theme, "YE ARE WITNESSES".

2. That we major in our Sunday School work on more people in Bible study, more effective Bible teaching, more people won, developed and enlisted.

3. That the Sunday School Leadership of each church in our association be urged to:

Establish a goal of 125 enrolled in Sunday School for each 100 church members.

Adopt a goal of one Baptism for each eight church members.

Provide a training program which will include January Bible study week.

Observe Preparation Week in September and promote "Operation Home Study".

Start a new Sunday School this year 1957-58.

Move up the pattern of organization by starting new classes and departments.

4. That the Associational Sunday School leadership be urged to: Enlist a complete organization. Provide regular meetings for training and inspiration of Sunday School workers in the churches.

Respectfully submitted,

R. C. JAMES

Home Missions In 1957

At the beginning of 1957 the Home Mission Board reported 1,180 missionaries, an increase of 81 over the previous year. Professions of faith numbered 39,458, an increase of 1,983. The Chaplains Commission had 421 Chaplains on active duty and 11,074 professions of faith in their ministry. Home missionaries were instrumental

in starting 729 new missions and constituting 296 new churches last year. The Board's income for 1956 was $3,730,027.49.

Efforts continue to enlist every church in an evangelistic ministry and every member to participate in soul-winning. The "30,000 Program" will receive major emphasis for the duration of the Third Jubilee of Baptists.

Minority groups: Indians, Negroes, and language groups are receiving major attention. The City Mission program is to be enlarged; the rural church program intensified constantly; special groups and needs, such as deaf, Jews, migrants, broken homes, juvenile delinquents, and military personnel, challenge the best leadership of the Board's missionaries.

Promotion and education made great demands on the Home Mission Board's staff because of increased interest in filmstrips, motion pictures, maps and other materials. We are to have a School of Missions (home missionaries participating) November 3rd through 8th. Let's support this wholeheartedly with our prayers and presence.

The greatest need of the Board is expressed in the single statement: We need your prayers and personal interest, a larger proportion of the church budget dollar, a wider interest in tithing, missionary volunteers committed to home missions, and a share in every Southern Baptist's consecration.

Respectfully submitted,

MRS. M. A. SMALL

Report on the Baptist Homes

This seventh year of the operation of our Baptist Homes has been marked by continued growth and expansion.

The new Administration and Residential building was opened June 13th, and is now full of our aging friends. Thus the residents in our three Homes now total 112.

In July of this year, the General Board of our Baptist State Convention, voted unanimously to accept the offer of Mr. Don G. Matthews, Sr. of Hamilton, N. C., to give fifty thousand dollars ($50,000.00) and land on which to build a Home for the aging in North Carolina. This fourth Home, when completed, will provide added space for about another 40 people, thus bringing the total capacity of the Baptist Homes to around 150 residents.

In our own Association, a movement was started last January to raise, over next two years, twenty-five thousand dollars ($25,000.00) for our Home in Albemarle. This money is to be used for additional equipment and better service. We feel that this campaign got off to a good start. According to the report as of October 1st, our churches had given $2,607.06, almost twice what we gave last year. Bear in mind that this campaign started after church budgets were already made and, all most of us could do was take the special offering. We have the assurance that many of our churches have included the Home in their budgets this year, and by next October we feel confident we shall be well on our way toward the $25,000.00 for our Albemarle Home.

Our goal is one dollar ($1.00) per member for the next two years. Surely every church can do that much. We have faith to believe they will.

Resptcefully submitted,

MACON P. GREENE

Relief and Annuity Report — Retirement Plans 1957

After thirty-nine years the work of the Relief and Annuity Board of the Southern Baptist Convention continues to grow. More than 16,000 pastors and denominational workers are actually enrolled in one of the Retirement Plans—an increase in 1956 alone of 1,885.

A total of nearly $2,000,000 was paid in benefits to all recipients last year. There were 3,174 retired ministers who received $1,626,211.59. The remaining $320,443.24 went to 1,474 aged preachers and widows as grants in direct relief.

The long range answer to the problems in this field is being met by direct promotion and enlistment. Too few of our workers are availing themselves of the wonderful provision for retirement, disability, and death provided in the Retirement Plans.

As of July 31, in North Carolina we have 311 active participants in the Southern Baptist Protection Plan—for a gain during the year of 179 members. The North Carolina Ministers Retirement Plan which was closed to new members in January 1, 1956 now has 600 active members as compared to 787 at this time last year. This decrease is due to the transfer of many of the men in the MRP who would be advantaged by going into the Southern Baptist Protection Plan. Also, we have had about 25 members to reach retirement age and annunities have been set up for these. About 10 members have died during the year and their widows are now drawing benefits.

When it is remembered that pastor, church, and Convention co-operate in the Retirement Plan—each paying one-third of the cost it is difficult to understand a pastor or a church not availing themselves of the security provided. We look forward to continued growth in this program.

O. J. Hagler is Secretary for Retirement Plans for North Carolina and is at the service of the pastors and the churches.

Dr. Alton Reed is Executive Secretary of the Relief and Annuity Board of the Southern Baptist Convention, Dallas, Texas.

Respectfully submitted,

O. H. BOLCH

Report on State Missions

State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist and train the saved in serving through the churches and throughout the world.

There are 4,300,000 people in North Carolina. About 2,000,000 of these are lost.

We have 830,000 Baptists in North Carolina. Only 40% are enlisted in definite Christian training and service, leaving 60% unlisted and creating a great challenge to North Carolina Baptists. With 3,238 churches, we have more Baptist Churches per square mile than any other state in the union. We have organized at the rate of 50 new churches per year for the past four years. Many quarter and half-time churches have moved up to full-time pro-

grams aud yet there are still 1,900,000 lost souls in North Carolina. In our slum areas 76% of our young people under the age of 17 are not in Sunday School anywhere.

State Missions provides a Department of Evangelism, that seeks to inspire pastors and churches to evangelize their communities, baptisms now average 8,000 more per year. North Carolina Baptists last year baptized more people than any other State except Texas. More than $150,000 was invested during the past year in aid to church buildings, sites for new churches, and help on pastors' salaries. One hundred eighty pastors received training at Fruitland; 500 benefited through refresher courses at Mars Hill and Wingate. State Missions also ministers through other areas such as a new Department of Work with Negroes and Indians, The Allied Church League, The Silent People, Department of Church Planning, etc. Over 2,800 Vacation Bible Schools were held in North Carolina, giving $50,000 to World Missions during 1957. Caswell, Fruitland and Ridgecrest furnished inspiration and training for record attendance of more than 7,000 this summer.

Some of the sources of support are:

Cooperative Program	$300,000
Sunday School Board	29,000
Home Mission Board	4,000
W.M.U. Week of Prayer and S. S. Offering in the Churches	200,000
Miscellaneous Income	7,000
	$540,000

May we as North Carolina Baptists bend every effort toward the success of this great program in the name of our Lord and Savior.

Respectfully submitted,

MRS. JOHN FINK

Foreign Missions Report

Total gifts through the Cooperation Program since last September 30 amounted to $30,225.13 from the Churches of the Stanly Baptist Association.

15.25% of this total offering will go to Foreign Missions **IF** our goals are reached for 1957.

Designated gifts to Foreign Missions ($13,745.81) plus this 15.25% ($4,609.33) brings total Foreign Mission gifts to $18,355.14.

This amount, divided among our 11,000 resident members in the Stanly Association brings average gifts for the year to $1.60 per person.

The total income for the Foreign Mission Board for 1956 was $12,733,681.00. Of that amount, $2,407,709.64 came from the Cooperative Program. Receipts from the Lottie Moon Christmas (May 1, 1956 to May 1, 1957) amounted to $5,240,745.39.

Elmer S. West, personnel director of our missionaries says, "There are compelling needs for five times as many as we have prospects for appointing. The most desperate need we face is for missionary nurses. The calls for missionary preachers to represent

the largest number of requests. There are places of need for teachers, doctors, and many others who meet the requirements for missionary service."

"To give until it helps," instead of "giving until it hurts" would require each of us to examine our gifts, and our lives, to see if we are truly being missionary in our hearts.

If we will pray—truly pray—that these needs be met, then we will give; and if we give ourselves to the fullest, then we will go, when called, with our gifts, and with our lives, that others might love and serve Him who died for us.

Millions of souls around the world are asking, "How long, how long must we wait?'

History of the Highland Baptist Church, New London, N. C.

The Highland Baptist Church was organized November 7, 1954, under the direction of the committee on churches of the Stanly Baptist Association, and placed under the watch-care of the Association. The church secured the services of Rev. H. T. Baucom of Charlotte, N. C., as supply pastor. Rev. Baucom served the church until the first Sunday in April, 1955, when Rev. E. C. Roach, who had accepted a called extended to him on February 13, 1955, assumed his duties as full-time pastor.

The church accepted an offer from Mr. and Mrs. T. Burt Mauney of a tract of land consisting of three and one-half acres, and on the first Sunday in April, 1955, the congregation, pastor and friends met on this site for ground-breaking ceremonies. The construction of a building consisting of thirteen class rooms, six assembly spaces, rest rooms, baptistry and kitchen was begun in July, 1955. The total valuation of the plant, completed in February, 1956, was estimated to be $75,000.00. The architectural firm who designed the building provided plans and specifications for a modern sanctuary to be added to this building at a future date.

The first church service was held in the new building the last Sunday in February, 1956. The formal opening and dedication service was held April 15, 1956. The Highland church was received into fellowship of the Stanly Baptist Association at the regular meeting of the Association in October, 1955.

Highland has experienced steady growth since its organization in 1954. The present church membership is 138 and the Sunday Sunday School enrollment 202. When organized the church had 89 members and 131 persons enrolled in Sunday School. The church is fully organized, having a full-time pastor, Sunday School with six departments, W. M. S., Brotherhood, Y. W. A., Junior and Intermediate R. A.'s and G. A.'s, two Sunbeam Bands and a Training Union.

Respectively submitted this 24th day of October, 1957.

Report of the North Carolina Baptist Children's Homes

Last year we admitted to the Baptist Children's Homes only one-fifth of the children for whom our Baptist Pastors of North Carolina helped make applications. Many of the others were placed otherwise by our Social Service Department. Others who could not be placed are still waiting for someone to come to their rescue. Unless a person has been without a home and waiting for long months to find out if North Carolina Baptists will be able to care for him or her, it is practically impossible to realize just what it would mean when the word comes to such a one that an opening has occurred and that a home is to be provided. In this I speak from experience because I was in just exactly this position many years ago before I was accepted and given the only home that I have known since my early youth except my present one. Certainly we as a denomination will want to care for our proportionate share of dependent children in our State.

In attempting to find out what our Baptist Churches in our own Association are doing for this phase of our total Benevolent work I sent a questionnaire to the treasurer of our Churches and received twenty-five of the reply cards showing the following information.

Taking CHARITY AND CHILDREN	65%
Budget Plan of Financing	68%
Thanksgiving Offering	96%
Once-O-Month Offerings	24%
Individual Designated Gifts	45%

These figures point-up the fact that we certainly are a group of co-operating Baptist Churches although we have not all been molded to the same form. I am making no suggestion as to the way in which a church shall handle its finances. This is for information only.

NELSON A. HAYES

STEWARDSHIP

When, instead of saying, "The world owes me a living," men shall say, "I owe the world a life," then the kingdom will come in power. We owe everything to God but our sins. Fatherland, heritage, home-life, schooling, Christian training—all are God's gifts. Every member of the body or faculty of mind is ours providentially. There is no accomplishment in our lives that is not rooted in opportunities and powers we had nothing to do with achieving. "What hast thou that thou didst not receive?" If God gives us the possibilities and the power to get wealth, to acquire influence, to be forces in the world, what is the true conception of life but divine ownership and human administration? All there is of "me" is God's estate, and I am his tenant and agent. He imparts to us abundant life.

People will listen attentively, and sometimes enthusiastically, as a speaker talks about the stewardship of time, talents, opportunities, but when the subject of money is discussed, may get restless.

Whose silver dollar is this? It is mine. I did not beg it,

borrow it, or steal it. It was earned by my husband's labor. I find the word "liberty" on it. It stands for a free country, but it also suggests that I am at liberty to do what I please with it—hoard it, throw it away, invest it, or give it to the Lord's work.

I also find on this silver dollar "United States of America". What does this mean? It means that the government issued it, guarantees it, and has a claim upon it. Every year the government asks for an accounting—how much money we have received during the previous year. We must pay income tax for using the government's money. And we must be absolutely honest with our government.

Looking at this dollar again, I find the phrase "In God We Trust". Now what does God have to do with it? Has he any claim to it? We can trace the silver back to the government mint and from there to its source, the silver mine. The good steward will recognize the prior claim of God upon all his money; not only did God put the silver there, but he gave man the power to mine the silver, to mint the coin, and to use the money. "The silver is mine, and the gold is mine, saith the Lord of hosts." (Hag. 2:8) "Thou shalt remember the Lord thy God, for it is He that giveth thee power to get wealth." (Deut. 8:18)

The work of a church costs money. Our question is, "Does God have a plan for financing His program?" The guiding principles are found in I Cor. 16:2—"Upon the first day of the week let every one of you lay by him in store, as God hath prospered him." This verse states three aspects of giving: First, it is to be regular or systematic—"on the first day of the week". Second, giving is to be personal—"let every one of you". Third, giving is to be proportionate—"as God hath prospered him".

Nor does the Lord leave to our own discretion the interpretation of the word "proportionate". Going back to Abraham and Jacob, and continuing through the Bible, the tithe was considered the legal standard. But Jesus reminds us that the righteousness of the Christian is not to be limited by legal standards.

An outstanding example of giving far beyond the legal standard is a Christian layman of Longview, Texas, Mr. R. G. Le Tourneau. He keeps only ten percent for himself and gives ninety percent of his income to evangelistic work in which he personally engages. This includes not only the spreading of the Gospel through preaching but also the sponsoring of two great missionary projects in Liberia and Brazil whereby industrial missionaries are used in teaching the natives to handle modern machinery while at the same time spreading the Gospel of Christ in the dark continent.

The New Testament teaches sacrificial giving. Luke tells us of the widow who gave all that she had. In 2 Corinthians Paul, describing the giving of the churches of Macedonia, says that it was out of "deep poverty". If we cannot see that a tithe for the Lord is a modest requirement, there must be something wrong with our consciences. If it was unlawful for a Jew **under law** to contribute less than a tithe for his religion, it is not disgraceful for a Christian **under grace** to contribute less than a tithe for his religion?

If all of the more than 7,000,000 Southern Baptists would tithe their income through the churches, local budgets could be doubled, mission gifts tripled, the endowment of our educational institutions quadrupled, and a sizable sum would be left for a greatly needed advance in the Lord's work. God has a plan that will work if we will but work it!

Christian parents, have you realized what a vital responsibility you have in the stewardship education of your children? As the

first and best teachers children have, you should lay the foundation for this very important phase of your children's training. Their Sunday school teachers may teach principles of Bible stewardship, but it falls to parents to follow that up by providing the means for practical expression of this stewardship in the experience of their children. Of course, we cannot do a very effective job unless we set a good stewardship example by being tithers ourselves. The small child who earns his first dime can be led to lay aside a penny of that to take to Sunday School the next Sunday.

It is encouraging to hear of people in the news who take seriously their obligation to the Lord. Alvin Dark, who in 1954 was the captain and shortstop of the world champion New York Giants, gave ten per cent of his World Series money to his home church, a little Baptist Church in Lake Charles, Louisiana. His contribution amounted to $1,100.00. He began tithing when he was a newsboy making $2.50 a week and has tithed faithfully since. One who forms the habit of tithing his dimes and dollars when he is young will find it easy and joyous to tithe his hundreds and thousands of dollars when he is a man.

As we grow in the likeness of Christ, our giving increases—and our joy in giving knows no bounds! It is the love and joy of such service that wins Christ's praise and the serene contentment of knowing that we are obedient and faithful stewards. Let us not consider tithing a duty we owe to God but rather the most blessed of privileges.

THE SPIRIT OF GIVING

A story is told of two wealthy church members, a doctor and a merchant, who joined a party that was going around the world. Before they started, their preacher asked them to observe any unusual thing they might see in the missions countries through which the mission party was to go. They promised to do so.

In Korea they saw a boy pull a plow while an old man tried to guide it. The doctor was amused and took a snapshot of the scene. "I suppose they are very poor," he said to the missionary who was their guide. The missionary replied, "Yes, that is the family of Chi Num. When the church was being built, they were eager to give something, and as they had no money they sold their only ox and gave the money from the sale of it to the church. This spring they are pulling the plow themselves."

Both the doctor and the merchant remained quiet for several minutes. Finally, the merchant said, "That must have been a real sacrifice." "They did not call it a sacrifice," said the missionary; "They felt it was fortunate that they had the ox to sell."

So then let us give—personally, systematically, and proportionately. Give with joy because of what Christ has given us and because of an earnest desire to have a part in his redemptive work.

"Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it." (Mal 3:10)

Respectfully submitted, MRS. SHEARON HARRIS.

Stanly Baptists Appreciate . . .

J. E. WILSON

J. E. Wilson, deacon, Sunday School teacher, and layman of the First Baptist Church, Albemarle, was nominated and elected moderator of the Stanly Baptist Association at its 71st session meeting with Grace Baptist Church, October 28, 1955, as its last order of business. Immediately, the past moderator called the association to prayer for the consecration of its new leadership. The term **consecration** well describes the manner in which Jule Wilson went to work as the first layman ever to serve as moderator of the Stanly Baptist Association.

Under his capable and dedicated leadership the association made tremendous strides in the area of cooperation and mutual helpfulness between the churches. This can be largely attributed to his extreme fairness in making appointments without prejudice or favoritism. Always he sought to enlist all the brethren in all the program and succeeded to an amazing degree.

He brought his post of leadership business acumen which lead to a constitutional revision putting the Executive Committee and Association on a more business like basis. Out of these changes order has come and has lead to pin pointing of responsibility and has facilitated the forward movement of associational work in many areas.

Under his guidance the largest single evangelistic effort ever made by Stanly Baptists was conceived and executed in the Stanly Baptist Central Tent Revival. Mr. Wilson gave to the Revival that extra effort which assured its success. He not only served as chairman of the Test Committee but sang nightly in the 200-voice choir and in addition served in many capacities as advisor, consultant and friend.

He proved himself to be a very capable presiding officer and the concensus of opinion among Stanly Baptists is that the 72nd and 73rd session in program and dispatch were among the best ever to be held in the Stanly Association.

After serving two years, constitutional provisions would not allow his re-election as moderator but it is certain that J. E. Wilson will continue to serve Christ, his church, and Baptists in a very activating way, "For he is a good man and full of the Holy Ghost and of faith."

62. The Reverend Hoyle T. Allred made a motion that this year's minutes be dedicated to Mrs. E. C. Roache and Mrs. J. B. Morris. Seconded, motion carried.

63. The Report of Time, Place, and Preacher Committee was given by Chairman Reverend T. W. Allred. They also include in their report that the Preacher for the annual and doctrinal sermons' names and texts be included in the Historical table. The motion was seconded and approved.

64. The Reverend Frank Perry recommended that the Director of the Music Department of the Association be added to Article VII of the Constitution since this new department has been organized in Stanly Association. The motion was made, seconded and approved.

65. Children's Home Report was approved as presented by N. A. Hayes in the "Book of Reports".

W. A. Smith, of the Kennedy Home spoke to the report. Among many informative facts, he emphasized that Baptists visit the home and see what they have there.

66. The Reverend W. S. Caudle moved the adoption of the Hospital Report as printed in "The Book of Reports". It was seconded and approved. Dr. Richard Young, Director of Pastoral Care at the Baptist Hospital in Winston-Salem spoke to the report.

67. Clyde Whitley moved the adoption of the Baptist Homes' Report as printed. It was seconded and approved. The Rev. Charles Burchette spoke briefly to the report urging the people to visit the homes.

68. The song, "I Need Thee Every Hour" was sung by the congregation.

69. Mrs. C. R. Hinton moved the adoption of the State Mission Report as printed. It was seconded and approved.

70. Mrs. M. W. Stallings moved the adoption of the Home Mission Report as printed. It was seconded and approved. She spoke briefly on "The Thirty Thousand Movement".

71. Mrs. Hoyle T. Allred brought the Foreign Mission Report and moved its adoption. It was seconded and approved. In a most unique way, Mrs. Allred introduced Mrs. Judson Lennon, Missionary to Thailand.

72. Mrs. Judson Lennon, home on furlough, brought the closing message of the two-day annual meeting. She used as her subject, "Disappointments of a Missionary".

In a most humorous and dynamic fashion, she told of Baptist Work in Thailand. She stated in spite of all their disappointments, never once had they been disappointed in the Gospel of Christ. She stressed the need for more Missionaries in Thailand.

73. Dr. T. L. Cashwell, Jr., pronounced the benediction.

Report of Woman's Missionary Union

Years come to an end, but purposes continue. For Woman's Missionary Union the purpose is always the same, "to promote Christian missions". Through a four-point plan we strive to enlist and enrich the lives of our women and youth in a program of missionary training.

It is difficult to report a year's work. As we examine our records we can say it has been one of gradual growth in all phases.

Through a program of enlistment we are seeking to reach more of the unenlisted in the cause of missions, in this mission program of Praying, Studying, Giving and Going.

In North Carolina we have 2151 churches with one or more missionary organizations. We have 613 Full-Graded W. M. U.'s.

We have 877 churches with no missionary training; three of them in this Association. This year in the Stanly Association we have 18 Full-Graded W. M. U.'s as compared with 13 last year.

In 44 of the churches we are presenting God's message through a program of "World Awareness" in Mission Study classes, missionary programs, reading of missionary books and magazines. Last year we had four societies reaching their 350 points in the Achievement chart. Many of our young people passed their Forwarded Steps and had their Coronation Services. We had three Churches "Every Member Taking Royal Service".
THE MISSIONARY MOTIVE IS "LOVE".

Through mission study we learn to love our fellowman wherever he lives. Some one has said, the Bible tells us God's plan for the Redemption of mankind, and mission study tells us how far we have progresssed with this plan. This being true, we have become more aware in the Stanly Association during the past year of our successes and failures in carrying out God's plan. More books were taught, more books were read than in previous years; about 87% of all W. M. U. members, excluding Sunbeams, read at least one book. We had two Mission Study Institutes.

This indicates that Stanly Baptists are intent on carrying out more effectively the Great Commission of our Lord by first knowing. As we know our love for mankind broadens in scope and actions.
THE MISSIONARY MIGHT IS "PRAYER".

Last year we had 38 societies reporting the use of the "Calendar of Prayer". "Day by Day for the World We Pray" is our motto. Forty-two societies observed the "Weeks of Prayer". We have 12 Intercessory Prayer Leagues.

Our people are becoming more conscious of the need of Prayer and the Power of prayer in the lives of Christians.

"More things are wrought by prayer than this world dreams of."
THE MISSIONARY MEANS IS "GIVE".

Give of your time, your talents, your personality, your gifts to the cause of missions, we cannot afford to give less. But how much are we really giving? From our records of the past year we have given more. Our Special offerings averaged a 10% increase over the year before. Since 1954 our gifts year by year have shown a net gain of 10% over the previous. In our "Jubilee Goals" for the period of 59-64 we have set a 11% increase in all our offering. The past four years has shown spiritual growth, the goals for the next five will lead us on this program of giving. Last

year our Lottie Moon Offering was $7790.93. The Annie Armstrong Offering was $2463.18 as compared with $1854.63 of the previous year.

We have 1060 tithers; 2031 giving to Co-operative Program. Membership of W. M. U. is 2741.

RECOGNITION OF "AIMS FOR ADVANCEMENT" Honor: 2 W. M. S.: 5 Young People Advanced: 11 W. M. S.: 13 Y. P. Approved; 2 W. M. S.: 6 Sunbeams: Total 39 organizations.

THE MISSIONARY METHOD IS "GO".

The heart of the mission program is "Community Mission". Missions begin in our own Association. Through a program of visitation we seek to enlist the unsaved: strengthen the ones who need help physically and spiritually. 133 of our organizations carry on a program of "Missions at home".

Last year the W. M. S. gave 165 Bibles to the Stanly County Hospital the Stanly County Rest Home and the County Jail. Many other worthwhile projects were carried out in our local churches in a Soul-Winning effort.

Perhaps all of our goals of the past year have not been reached. But the overall picture is good and encouraging. As we enter the new year may we be able to overcome the failures of the past and strive to accomplish more in His name as we look to Him for guidance.

We need more members, more tithers, more organizations active in soul-winning visitation.

"Praying together, Working together, Staying together, equals success." Through this program we shall ever strive to achieve this Aim.

We are reminded of the words of Daniel Webster, "If we work upon marble, it will perish; if we work upon brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon the immortal minds of children, our fellowman we engrave upon those tables something which brighten all eternity."

If we plant the seed of Christ and the Spirit of Missions deep in the hearts of children "it will brighten all eternity". In 20 years a new group will take over the leadership of our land, in our colleges, universities, civic affairs, and our government. What we are planting in the hearts today will determine the destiny of tomorrow.

Respectfully submitted,

MRS. ROY E. DRYE

W. M. U. Associational Supt.

Report On Christian Literature

Baptist democracy has long depended on informed, enlightened people for progress. Informed people must be reading people. It is forever essential for Baptists to have a medium of communication for news and discussion. They must know what their fellow-Baptists are doing: the work of missions, evangelism, education, and our wide program of Bible teaching, Christian training and benevolence.

Baptists must read in order to understand the magnitude and the glory of Baptists growth. They must know if they are to grow. Some of the Baptist publications which will be of valuable assistance are as follows:

1. BIBLICAL RECORDER — This paper was founded in 1833 and has for 125 years borne the Baptist message in North Carolina. Today this paper has a circulation of 61,000 with signs of future growth.

The RECORDER subscription plans are: Single $2.50, Club Plan $2.00, Every Family Plan $1.50. Each of the plans are priced for a period of one year.

2. CHARITY AND CHILDREN — Here is a paper that keeps us informed about child care plus other important phases of our denominational work. The circulation is about 52,000.

Club rates in bundles of 10 or more are 60c per year. Individual subscriptions are $1.00 per year.

3. HOME MISSIONS — The HOME MISSIONS magazine gives us important news as to what is happening on the home front in missions. It's circulation in North Carolina fluctuates between 15,000 and 20,000. Our circulation is larger in North Carolina than any other state except Texas.

Individual rates are: 1 year $1.00, 3 years $2.00, Club rates of 10 or more is 75c per year. The Budget rate for churches is 60c per year.

4. THE COMMISSION — The magazine giving foreign mission information. In July, 1958, it had a circulation of 121,190.

You may obtain THE COMMISSION for a period of one year for $1.50.

Why not investigate the wide range of Baptist reading materials which are available to you?

Respectfully submitted, L. A. FAULKENBURY

Report on Sunday School Work

It is a great privilege that we can come to make encouraging report on Sunday School work for another year.

Realizing our responsibility as Associational officers, we have endeavored to give guidance and help to those responsible for their individual tasks in their respective church school. So that more people could be reached for Bible study and Christ.

This year our Association is reporting 47 churches and 47 Sunday Schools, with 47 churches having Vacation Bible Schools and one mission school at the Kingville Baptist Church, making a total of 48 Vacation Bible Schools. There were 863 awards earned in the training courses. Two Standard Sunday School, North Albemarle and First Baptist. January Bible Study was observed by a number of churches. Vacation Bible School clinic was held. Cradle Roll and Extension work has been emphasized. Visitation has been encouraged

as a means of increasing enrolment and attendance in the churches.

We respectfully make the following recommendations:

1. a. That we encourage more participation in training courses.
   b. Urge more people to take part in Operation Home Study in summer months.
2. That we urge the leadership in each Sunday School to encourage greater attendance at Associational meetings.
3. That we make an all-out effort to enlist all the churches to engage in the Sunday School enlargement campaign in February 14-20, 1959.

Respectfully submitted,
RAY BURRIS

Training Union Report

During the past year the Training Union has gone forward with the theme of "Our Baptist Heritage". The beginning of our emphasis on this theme began with Training Union "M" Night when 605 people gathered at Grace Baptist Church to hear Dr. C. C. Warren as he challenged us to greater loyalty to Christ and to our great Baptist denomination. In addition to this great service we observed Youth Night, Training Union Eliminations, two other mass meetings and one conference for Training leadership. We are happy to announce that we had 14 state winners in the Junior Memory Work Tournament and the state winner in the Young People's Better Speaker's Tournament. Miss Sue Tucker also won third place in South-wide tournament.

Three new Training Unions were organized during the year, thus giving us a total of 31 organizations at the close of the year.

Another achievement during the year is in Training Awards earned. Twenty-seven churches reported awards earned with a total of 1,401 awards. This surpassed our goal of 1200 for the year.

The Training Union mottor, "Training in Church Membership," includes every member of every church in our Association. There is a great need for Training Union in every church. During the coming year it is our hope to organize several new unions and to be 100% within the next few years. The strength of our churches will increase as we see the need for, and do something about training for service all of those who profess Jesus as their Lord and Saviour. During 1959 our theme is "Thou Art the Christ". Can we really say it with our hearts if we are not willing to train ourselves and provide training opportunities for all of our members? Let us make this a year of advance for Training Union work in Stanly Association.

Associational Brotherhood Report

The Brotherhood of the Stanly Baptist Association is nearing the end of another successful year, and are making plans for the coming year.

Various meetings have been held during the year throughout the association, with many valuable helps having been received, on Brotherhood and Royal Ambassador Works.

We began our year with a joint meeting of the Brotherhood, and W.M.U. on January 21, 1958, at Philadelphia Baptist Church, with Jerry Potter, Minister to the silent people being our principal speaker of the evening. On July 22 another Brotherhood, WMU meeting was held at Kendall's Baptist Church, with T. W. Allred, principal speaker.

The Royal Ambassador's of the Association held their first camping trip this year on August 22-23, at Morrow Mountain State Park, sponsored by the Brotherhoods of the Association. The Boys have adopted this as an annual affair and are looking to the Brotherhoods for their support.

Aim for 1959 — A Brotherhood and an R.A. Chapter in every church in the Association.

Respectfully submitted,

H. O. Hicks, Jr.
Brotherhood President

Report On Christian Education

Christian Education is more than the name of a given institution of learning, its age, its physical equipment, the size of its student body and the faculty, the operating cost and income, its endowments, or its sponsoring agencies. Today there is the temptation and tendency to glorify figures which represent budgets, enlargement programs, buildings and landscaped campuses things which are tangible.

We Baptists take great pride in the wonderful progress we have made and are presently achieving in the ever-expanding physical factors of our Christian schools. But physical bigness for the sake of bigness alone must never be our chief objective.

Here in North Carolina our seven Baptist Colleges had an enrollment of 7,000 students in 1958 with a greater enrollment this year. Each of these schools is presently engaged in expanding its housing and teaching facilities.

Our devotion to the cause of Christian Education is deeply rooted in our denominational life. That cause must and shall ever prevail and prosper. Let us accept the challenge to lengthen the cords and strengthen the stakes of our Christian Education program that it may fulfill its mission in the life of the world today for tomorrow.

This committee is very much concerned about the youth of our association, and feel that it would be wise if our young people were adequately informed about the advantage of attending a denominational related college. There are public relations men in all of our Baptist Colleges who would be happy to come into our association and churches to lecture to our young people, why a church related college is important.

Respectfully submitted,

A. R. Waisner.

Report of the Representative of the General Board

It has been my privilege to be a member of the General Board for three years. I wish it were possible for every Baptist to have this privilege and to learn what we as North Carolina Baptists are doing.

Knowing that many of you are not acquainted with the set-up of the General Board and since this, I believe, is the first time that the Stanly Association representative has been on the Association program, I thought it might be well to bring you information of the General Board's plan of work. The General Board is a Board set up by the State Convention to carry on its work between convention sessions. It is composed of approximately 80 members, the president of the convention, the secretary and the heads of the various departments. Twenty members are nominated each year by the Nominating Committee and they are approved by the messengers to the convention. They are selected to represent the various associations but they are not representatives from the association. If they were, each association would send its own representative. They are representatives of the convention.

There are eight committees of the Board. These are: Executive, Administration and Promotion, Christian Education, Social Service, Training Activities, General Missions, Baptist Student Union and Evangelism. Each member is assigned to a committee. I am on the Student Union Committee. The committee elects its officers and the chairman of each committee becomes a member of the Executive Committee. The Executive Committee meets in called session to handle business matters. The General Board usually meets twice a year, in January and July. An agenda is prepared for these meetings and each item of business is assigned to its proper committee for study and recommendations. After study, the members of the Board vote to accept or reject the recommendations.

If you read your Biblical Recorder, you can keep well informed of the actions taken by the General Board. Each member will also be happy to work with you.

The average layman does not realize the "big business" we have as North Carolina Baptists. There are opportunities and challenges to be met. There are responsibilities and frustrations that must be borne; and through it all, we must remember that we are servants of Christ who commissioned us to: Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son and of the Holy Ghost, teaching them to observe all things whatsoever I have commanded you; and lo, I am with you alway, even unto the end of the world.

Respectfully submitted,
MR. ED HOLBERT

Report on Evangelism

Evangelism is the heart of God's work on earth. It must be in the foreground of all our endeavors in the churches and in the association if we follow the New Testament pattern. Every Christian's greatest privilege and responsibility is to let Jesus Christ work in and through us to evangelize the world. This is the Great Commission and to carry out the Great Commission is to do the work of evangelism.

What are we doing in response to this high call from God? Let us look briefly at the record.

All churches in the Baptist State Convention of North Carolina

last year has a ratio of baptisms to membership of 1 to 25. This means that on an average last year it took 25 church members a whole year to win one person to Christ. This record isn't anything that it should be, but it does represent an increase in baptisms of 4 per cent over the preceding year. Total baptisms reported in the state in 1956 were 32,468, and in 1957 they were 33,796.

In the Stanly Association last year the ratio of baptisms to membership was 1 to 255. Total baptisms reported in our association in 1957 were 467. This year the churches reported 495 baptims. This represents a gain of 28 over 1957.

The number of people won to Christ and baptized into the fellowship of the churches gives only a partial picture of the work of evangelism in the churches. The remainder of the picture is seen in what happens to the converts after baptism. Here statistics are not so easily compiled, but the number who will be won to Christ and baptized in the future is dependent upon the maturing of those being baptized now. A Christian grows only as he participates in witnessing for Christ. Thus the program of evangelism in a church consists of winning people to Christ and keeping them enlisted in the total work of redemption.

Next March 15th through the 29th we face an unparalleled opportunity in leading all the people in the churches to engage in the total work of redemption by going all-the-way in cooperation in the continent-wide Simultaneous Evangelistic Crusade. This Crusade will be the biggest concerted effort ever made to win the North American continent to Christ and to experience new depths of dedication to Christ on the part of all church members. Seven major Baptist conventions are composed of 75,000 churches which have 19,000,000 members. Here is an opportunity like we have never faced before to get into the stream of God's redeeming purpose. Surely every church in Stanly Association will want to be a part of this great effort!

Report On Morals, Temperance And Good Government

A report on morals, temperance and good government normally deals with temperance and crime. While important, these things may not now be in the most commanding position for our attention.

Approximately 250 different creeds of religion live in our country today in harmony. Practically all of our churches have prospered as they have and do nowhere else in our world. Churches here are free to carry on programs as a result of voluntary contributions.

We have lived so long with the benefits of separation of Church and State that we have almost forgotten the crime and persecution resulting from a single established church and from plural establishments.

Unfortunately, all of our churches do not care for the separation of church and state. The Knights of Columbus constantly advocate sending an ambassador to Rome and taxing all Americans for private Catholic schools.

Religion is not religion unless it is free. We need now to pay attention to those who would cleverly take away our freedom of religion and institute government sanctioned and supported churches. Their means may be peaceful and sound logical but we must constantly be aware of the result. Persecution in the name of religion is no better than any other variety. Let us choose to continue to be the champions of the gospel of Jesus Christ without interference from others.

Report on Minister's Retirement

Since its small beginning forty years ago, the Relief and Annuity Board through its various retirement plans, has paid out benefits totaling nearly twenty-seven million of dollars. With an increase of 2,454 during 1957, the active membership in the various retirement plans now exceeds 17,500. As the number of active members increases each year, there is a corresponding rise in the number of retirement, disability and widow annuities. For example, last year 503 persons were added to the Boards annuity roll, 136 more than the previous year.

On January 1, 1956 the North Carolina Ministers Retirement Plan was closed to new members and at that time the Southern Baptist Protective Plan became operative in our state. Nevertheless, 553 are still members of the Retirement Plan and will continue to be protected by it. There are 473 now enroled in the Southern Baptist Protection Plan. Total membership in our State in both Ministers Retirement Plan and Southern Baptist Protective Plan now stand as 1,026. This means that about 35% of those eligible for such security are covered in one of the two plans now operative in North Carolina.

Considering the fact that some ministers have chosen to participate in Social Security rather than the Denomination's Retirement Plan, we can assume that the large portion of the 65% of ministers unaccounted for above have no definite retirement program. Why have ministers not taken advantage of this program? No doubt there are many reasons, but two stand out above all others as suggested in the current issue of "The Years Ahead", published by the Relief and Annuity Board:

1. **The minister may not have the money to pay his share of the dues.**

Statistics reveal that more than 50% of our pastors make less than $2,500 a year. This is low compared to salaries received in fields of business and industry. Few people realize that although the minister's salary may be three times the above figure, there are extra "demands" placed on him that result in his putting approximately 17% of his salary back into the church (above tithes and offerings).

2. **The church must participate in the Plan with him and often the minister is afraid to ask his church's help, afraid he is asking them to do too much.**

It is a shame that he must hesitate to ask the church to do the very thing that it should feel obligated to do.

In the light of these two factors, our State Convention with the support of the Relief and Annuity Board is turning to the churches for help in this matter. It is felt that when our churches realize their obligation of lifetime support for their minister, they will begin to take definite steps to provide the Annuity Board's protection program for them.

There are three things every church can do in the interest of their pastor's future security:

1. **Authorize the appointment of a committee to study the Annuity Boards retirement plan.**
2. **Urge the deacons or finance committee to act at once to present a recommendation to the church.**
3. **Suggest that the church pay both the pastor's and the church's dues, which together is 10% of your pastor's salary up to a maximum of $4,000 a year.**

The American Bible Society

During 1957 the American Bible Society translated the Bible in 69 languages.

Publication reached over 13 million copies of Bibles, Testaments, and portions of the Bible. Almost 50,000 copies were for the Blind. The largest single item in the U. S. A. distribution is service personnel Scriptures totaling over one million volumes.

One-minute films were used on 154 TV stations. More than 17 million bookmarks were distributed.

The newest invention is a finger-operated phonograph. One thousand machines were distributed to Navajo Indians.

In Latin America over three million volumes were circulated.

In East Germany, Hungary, Poland, and France, help is being given.

Lebanon and Greece have been served, as well as Egypt.

Africa, India, Thailand, Philippines, Hongkong and Korea have plans for distributing additional millions of copies as funds are provided.

Churches are invited to contribute directly to the Society in amounts of $10, $100, or more. The Southern Baptist Convention contributes to the Society each year.

Respectfully,
October 22, 1958. FRANK L. PERRY, JR.

North Carolina Baptist Children's Home

By NELSON A. HAYES, *Representative*

The past year has seen many signs of progress and change at our North Carolina Baptist Children's Homes. We cared for a total of 728 children who came from 70 of the 100 counties of our state. Only 5 per cent of these children were full orphans and 60 per cent had both parents living. The major reason why these children have to live away from their own homes is that one parent alone is unable to support and care for them. Fifty per cent of the placements were due to separation by death or serious illness. Thirty per cent were due to desertion. Of course there were many other diverse reasons with confinement to penal institutions being next in number.

Individuals and groups can be of real assistance to these Homes by volunteering to take one or more of these children, who have no homes to visit during summer vacations and at Christmas time. Such short visits into your homes and communities will surely prove a great blessing to you and to them. Anyone who is interested in helping in this way or in the Foster Home Program may secure assistance by contacting Mrs. Louise L. Blake at the Mills Home, Thomasville, N. C.

Our printing office at Thomasville showed a profit of about $5,000 last year. They also trained 13 boys and 4 girls in the printing trade.

The two farms together had a combined profit of $5,000 last year and a large number of the boys received real training in the doing of farm work.

The Mills Home gave over $9,000 to all causes with over $4,000 of this going to mission causes. Forty-two members were received into the church and 24 of them came by profession of faith. The Kennedy Home Church met its budget of $5,000.

A new swimming pool, a new cottage for boys and a new resi-

dential cottage for the family of one of the staff members and his family were all three completed at the Kennedy Home last year.

Superintendent W. C. Reed who had reached the minimum age for retirement, although still young in vision and spirit, insisted on accepting retirement as soon as he became eligible. Very reluctantly, I am sure, the Trustees agreed to his request and selected Dr. W. R. Wagoner as the new superintendent. Dr. Wagoner comes to us from the pastorate of the North Wilkesboro Baptist Church and has had excellent training for the position. He are looking forward to much further progress under his leadership in the years to come. As I am sure many of you noted, the Trustees gave Rev. W. C. Reed and his beloved companion, Mrs. Reed, the highest praise and public expression of thanks from all of us for the very excellent work that they have done.

North Carolina Baptist Hospital

Baptists of North Carolina take great pride in their Hospitals. Each year we pause to reflect upon the well-rounded program of medical care and training provided under Christian guidance and influence by this great institution.

Our Hospital touched 92 of the 100 counties of the State through its service department. More than half a million dollars was used by the Hospital in providing free care for the service patients beyond what they were able to pay. 16,000 bed patients were cared for and 120,000 visits were made to the clinics and offices of the medical staff and chaplains. The services of the medical staff were given free to all service patients.

The Mother's Day offerings is the primary source for funds to provide services beyond the amount the patient is able to pay, receipts from the Duke Endowment and welfare agencies.

Even though there has been a 20% increase in the Mother's Day offering from the churches over the State, for two consecutive years there has been a decrease from the Stanly Association. This year we fell behind $431.21 from the 1957 gifts. Does this reflect a decrease in our concern for the sick whom our Saviour entreated us to heal? This decrease has come in spite of the increase of more than 30% in cost for hospital care everywhere; and an increase of patients year by year.

We must inform our people of this rapidly approaching problem of insufficient funds so that they will be good stewards of the opportunity to help those who cannot help themselves.

Respectfully submitted,

W. S. Caudle

Report on the Baptist Homes

The Homes for Aging are now in their eighth year of operation. The three Homes have facilities for 119, counting residents and helpers. The average number of residents will exceed 100.

The Homes have had a good year financially. The auditors' report for the year ending September 30, 1957, showed that the income was $268,924.58. When the new Administration Building was ready for occupancy, $103,000 was borrowed to finish paying for construction and equipment. All of this has been repaid except $20,000. Funds received

from the Special Day Offering and the Cooperative Program have helped to meet the current cost of operation. The Homes have also received help from individual and corporation gifts. The largest individual gift for the year was $40,000.

A large number of residents have been aided financially. Less than ten per cent of the residents have given to the Homes assets sufficient to pay their cost of keep for life. Most of the residents are paying one-third to one-half of their cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels and special gifts by individuals and corporations.

Our program of ministering to the aging presents a great challenge to the 850,000 Baptists of our state. Our aging friends must look to our Baptist constituency to meet these pressing needs. Efforts were launched in June to raise $100,000 to match a gift of Mr. Don G. Matthews, Sr., of $50,000 and land on which to build a fourth Home For the Aging to be located at Hamilton, Martin County. It is expected that the campaign will be successfully completed this year, and the construction of the new Home will then begin. The total capacity for all the Homes will be 150 persons.

With gratitude to all who have made our present Homes possible, and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving way, we look to the future with great hope.

Respectfully submitted,
CLYDE H. WHITLEY.

Report on State Missions

The North Carolina Baptist Convention was organized in 1830 for the purpose of missions, education, Social Service, and the distribution of the Bible.

As we look back over these 125 years we can rejoice that our forefathers have been true to that purpose. But what of us today?

There are four and a half million people living in our state. Not half of these show any church affiliation. We must regretfully recognize that many of those with names on our church rolls are not to be located. We have 3,266 Baptist churches with 850,000 members. Probably 35 per cent of these are actively enlisted and being trained in Christian living, giving and serving. This should be a matter of deep concern.

State Missions is the effort on the part of North Carolina Baptists to reach the lost for Christ, and enlist and train in Christian living and serving. To this end State Missions has been organized into 22 phases of work grouped under four headings:

1. Teaching and Reaching the Lost.
2. Training in Christian Living.
3. Care and Conservation.
4. Assistance to Churches and Pastors.

It would be hard to say which phase of the work is most important. All are urgently needed. In this year of The 30,000 Movement we should make an earnest effort to "enlarge our tents" through building more preaching stations where there is not now a church. At the same time we must diligently teach and train those we reach that we might be worthy of the name Christian.

Respectfully submitted,
MRS. C. R. HINTON.

Home Missions Report

Dr. Courts Redford, executive secretary of the Home Missions Board, reports that the work of the past year has been a "period of continued growth and achievements."

Special emphasis has been placed on the 30,000 movement—20,000 new mission stations and 10,000 new churches by 1964. 1,039 new mission stations and 323 new churches were constituted in 1957.

Efforts have been made to get a program of evangelism in every church. Progress is being made in reducing the number of non-resident church members.

A goal was set to start 90 city mission programs by 1964 — at the close of 1957, there were 64 such programs.

The number of missionaries has reached the total of 1,271, a gain of 91 over last year.

The 425 Southern Baptist chaplains reports 13,534 professions of faith in 1957.

Greater emphasis is being placed on reaching the language and minority groups for Christ. From January 1, 1955, to December, 1957, the number of new territories increased from 607 to 776, a gain of 169. Two-thirds of the new fields opened the past year were in the pioneer areas.

Statistics for 1957 reports 36,464 professions of faith, 30,569 additions to churches, 5,391 dedications for special service, and 222,859 persons contacted in personal work.

Respectfully,
MRS. M. W. STALLINGS.

Foreign Missions Report

Foreign Missions is more than a cause to support. It is a continuation of the witness of Jesus' disciples in the early days of the Christian era. It is a ministry in the name of Christ who "went about . . . teaching . . . and preaching . . . and healing . . . among the people".

Southern Baptist missionaries have been working overseas since 1845 and have laid strong foundations until today they have a broad evangelistic ministry in 38 geographical areas, with 1,251 foreign missionaries under appointment. The churches of Stanly County have been a part of this world-wide program. This year they have given a total of $74,729.00 to the Cooperative Program with a proportionate part going to Foreign Missions. In addition, designated gifts amounted to $16,254.00 for Foreign Missions.

Lest we boast in past accomplishments, let's take a fresh look at our world:

It is a world of approximately three billion people with a net increase of over 50 million new people a year. There are 1½ billion illiterates, 1½ billion people annually without medical care, and nearly 2 billion people without Christ. There is only one Southern Baptist missionary for every 2⅓ million people.

We are told that Communism has made as many converts in the last 40 years as Christianity now has after nearly 2,000 years. Dr. W. N. Johnson once said "A Christian should study with a Bible in one hand and a map of the world in the other". Certainly no report on Foreign Missions should end without an urgent appeal to take a new look to our world TODAY. We should be driven to our knees with the prayer that God will give us hearts of compassion to deliver His Message of Hope.

MRS. HOYLE ALLRED.

History of Silver Springs Baptist Church

In the year 1856, Rev. David Wright, traveled as a Colporteur preaching, and distributing Baptist literature in Stanly County. His preaching and literature caused the people of this community to invite other Baptist preachers to hold services with them.

In the year 1857 Silver Springs Baptist Church was organized with the following charter members: John Gimrey, Ferdnand Foreman, Manlove Kimrey, C. C. Foreman, Noah Mauldin, Rebecca Hudson, and Lucinda Cooper.

The Presbytery was composed of the following: Rev. B. H. Carter, Rev. C. C. Foreman and Rev. S. P. Morton. The Rev. C. C. Foreman was called as our first pastor. The Stanly Baptist Association was organized and held its first

session with this church in the year 1885. The second building was erected in 1889, and later had to be enlarged to take care of the expanding congregation. The present building was erected in 1927 with six Sunday School rooms. Since then we have added several rooms and other facilities, which was needed very much.

Our Pastorium was built this year and we now have a full-time Pastor. Our present membership in Sunday School is 288, Church 389.

History of North Albemarle Baptist Church

North Albemarle Baptist Church was organized on June 8, 1919, with 24 members being recorded as charter members. The place of organization was in a wooded grove east of Highway 52, along Fulton Avenue, later moving to a little red store house on the west side of Highway 52. Services were held in the store house until 1921, when a large frame structure was erected on the west side of Third Street at the intersection of Yadkin. In 1949 saw the completion of new educational building and in year 1950, a new church sanctuary and parsonage all being erected on the east of Third Street facing Yadkin Street.

The church has enjoyed steady and continuous growth through the years. The membership has reached a total of five hundred members. The Sunday School enrolment is 420.

Rev. Frank Rogers is credited as being responsible for the organization of the church and served as pasttor for a few months. Rev. C. B. Reid followed as pastor and served from October, 1919, until 1926, after which Rev. D. E. Deaton was called and served until 1928. The Church then called Rev. J. S. Tyson as pastor, who served for seven years. In 1935, Rev. W. B. Holmes was called to serve as pastor and he served for a period of eight years, resigning in December of 1953. It was under his leadership that the present buildings were started and completed. Rev. L. A. Calder, the present pastor, came in March, 1954.

For the past three years the Sunday School has been awarded the Standard of Excellence for Sunday School Work.

The combined value of the Church, Educational Building and Parsonage, including equipment, is $225,000.00.

MRS. J. B. MORRIS

Oct. 1, 1889 - Sept. 22, 1958

MRS. E. C. ROACH

March 6, 1898 - March 10, 1958

Mrs. J. B. Morris was a long-time member of First Baptist Church. She was a great lover of her Church and a leader in Woman's Missionary Union work. She also held places of leadership in the Stanly Association, the Charlotte Region and assisted in State Camp work for young people. Mrs. Morris' friendliness and love for all with whom she came in contact endeared her to a multitude of people. To know her, was to love her. She is survived by four sons, John B. Jr., H. Moody, O. D. and Dwight; two daughters, Mrs. Hugh Moritz and Miss Peggy Morris.

Mrs. E. C. Roach, wife of the Pastor of Highland Baptist Church, was born in Guilford County. She was fully dedicated to the high calling of her husband and she assisted him greatly in all of his work. Her love for and work with children and young people was outstanding in every church field of their ministry. Her dedicated leadership was felt in all organizations. A circle she organized bears her name, "The Blanch Roach Circle". She was held in high esteem by all who knew her. No greater compliment could be paid to the Roachs' ministry than the fact they served in their home church and eleven other churches in their home county, including: Oak Hill, Welcome, Reeds, Jersey, Center Hill, Southside, Liberty, Lick Creek, Floyd, Mountainview, Erlanger, First Baptist Church, Denton. Other fields of service include Glenola, Trinity, North Kannapolis and Highland Churches. Truly, God called home one of his greatest in the homegoing of Mrs. Roach. She is survived by her husband, the reverend E. C. Roach and one daughter, Miss Pauline Roach of the home.

Kirk of Palmerville. Mrs. Kirk used Philiipians 2 as the scripture basis for the message "Jesus Christ Is Lord". First, she emphasized that Christ is Lord of the Church; second, Lord of Our Home; and third, Lord of Our Individual Life. Under each point she discussed the relationship as found among the peoples of Brazil. She closed the message urging each one present to let Christ be the Lord of all our Life.

68. The session was closed with prayer.

A Look At Ourselves

With Your Promotional Secretary

"THE WHOLE GOSPEL TO THE ENTIRE WORLD," should be our aim as servants of our King. This has been the supreme motive of your Promotional Secretary in every endeavor.

Unquestionably the Association is the most important unit in our denominational system, in that its purpose and aim is to provide and promote information, inspiration, fellowship and cooperation among our churches.

The challenge to the local church is that of "Evangelism" which means not only that of winning lost souls for the Master, but the strengthening of individuals through spiritual growth into strong, happy, and serviceable Christians. To this end your Promotional Secretary has been endeavoring to work with all 47 churches in the Stanly Baptist Association. I will not try to detail the services rendered to each church but will list some of the major items:

WITHIN THE ASSOCIATION

Personal visits with and services offered to every church and pastor in the association. Preached, taught, or other services in every church. Vacation Bible School promoted in all 47 churches (Palmerville joined with Badin for a 10 day school with both churches sharing in the promotion). I taught in 4 V.B.S. Mrs. Arch Cree (V.B.S. Supt.) taught 3 V.B.S. and prepared materials for the association. South Albemarle Baptist Church provided text books for one Associational V.B.S. The Association furnished text books and all materials for 2 V.B.S., furnishing gasoline for bus transportation for one of these. Monthly association-wide gatherings for Sunday School, Training Union, W.M.U., Brotherhood, or Music Departments. Sunday School Enlargement Campaign — Training Union Central School—Simultaneous Revivals within our churches—Annual Spring and Fall Association in session—Monthly Association Bulletin—Calendar of Activities (Paid for by Wilson Farm Supply)—Special bulletins for special programs—Visual aid furnished free to every church requesting—Attended all meetings of the Executive Committee, Pastors Conferences, and other associational programs unless prevented by conflicting schedules (only an occasional conflict)—Immediate contact with all new pastors coming to the association (having kept them informed by mail of the program of the association, prior to their arrival).

Work with the various departments of the association is not listed here, since it is given in detail in the reports rendered by the heads of departments.

OUTSIDE THE ASSOCIATION

Soul-winning Leadership Institute, Mills Home — Evangelistic Conference, Greensboro State Vacation Bible School Clinic, Fruitland—College Visitation Day, Wingate—Region 6 Brotherhood, Rockingham—Baptist State Convention—Region 6 Training Union, Rockingham—Baptist State Convention (Special Session), Raleigh—Associational Missionaries at Caswell—Educational Directors at Ridgecrest—Training Union Enlargement (with Jimmy Morgan) in Haywood Association—Associational Sunday School Officers Southwide Clinic, Birmingham, Alabama—Associational Missionaries Southwide Conference, Nashville, Tennessee.

Our accomplishments refered to above are noteworthy because we have labored together for Christ, however I would sound a warning of hidden dangers we may face:

WE MUST NEVER LET PRIDE OF ATTAINMENT BLIND OUR EYES TO THE POSSIBILITIES OF THE FUTURE, NOR SUBMIT OURSELVES TO NEARSIGHTEDNESS NOR LOSE SIGHT OF THE NEEDS OF A WORLD DYING IN SIN.

I challenge you, by Brothers and Sisters in Christ, to join with me in making 1959-60 the most successful year in the history of the Stanly Baptist Association.

ARCH CREE

Report of Woman's Missionary Union

MRS. HOYLE ALLRED, *President*

We are living in a fast-changing period of world history. New developments are coming so quickly and breath-takingly we can hardly grasp their import on our lives and the lives of all mankind. It is well for us, in the midst of such earth-shaking developments to take account of ourselves right where we are and to get a better perspective of our place in God's world during the span of our lifetime. We believe that every member of Woman's Missionary Union with its Young People's Organizations has a better opportunity to "find themselves" and to live out their lives to the highest and fullest in accordance with God's plan for the world.

Through its Aim for Advancement, Woman's Missionary Union seeks to: (1) help us to develop an appreciation for all people and a deep concern for those who are lost without Christ; (2) strengthen our spiritual lives through daily prayer and Bible Study; (3) lead us into experiences of Christian witnessing as we strengthen Christian standards in personal and community life; (4) magnify Christian sharing through our tithes and gifts; (5) cultivate missionary convictions in the hearts of our young people; (6) bring others into the growing experience of missionary endeavor through visitation and enlistment; and (7) give the organization an informed and inspired leadership through proper training.

As we look at the record of W.M.U. for the past year we can see progress and development in many areas. In other areas we must reflect upon failures and reverses. Consecrated women have given of themselves unstintingly this year, leading the active 44 W.M.S. groups with a total membership of 1,450 women and 1,332 young people. Forty-four of our 47 churches have one or more of the W.M.U. organizations.

The highest recognition which can be earned by any of the organizations is to be an HONOR SOCIETY or young people's organization. One W.M.U. stands out in this respect in our Associa-

tion. It has attained the honor of being an HONOR W.M.U., which means that they have an HONOR W.M.S. and that each of its young people's organizations is an HONOR ORGANIZATION. This is quite an accomplishment with not one W.M.U. in the State reaching this high goal during 1958. We commend the W.M.U. of Calvary Baptist Church and its dedicated leadership for this high honor. Their President, Mrs. Lorene Hudson, said this about it. "The Lord has been wonderful and richly blessed us in all our work. We did not strive to be an HONOR W.M.U. because it would bring honor to our group but because we are doing good work for God. That is why we accomplished so much this year." This report reflects many "over and above" and "going the second mile" activities. Congratulations!

Our Associational Directors are as follows: Miss Evelyn Howard, YWA Director; Mrs. Glenn Almond, G.A. Director; and Mrs. Ernest Russell, Sunbeam Director. These have led the work in a very fine way with special activities being a YWA Banquet in February, a Jr. G.A. Rally and Intermediate G.A. Banquet in May, and a Sunbeam Rally in August. It was a thrill to observe these young people in their annual meetings as they displayed the zeal and consecration into which they had been led by their faithful leaders and counselors.

Mission study records indicate that our people continue to be interested in reading about the world in which we live. 291 Mission Study Courses were taught and 1,998 people read at least one missionary book. Mission books give a world view with a Christian interpretation.

Response on behalf of missions comes when our people really become informed and aware of the world and its people. This was evidenced by the increase in the Lottie Moon Christmas Offering ($8,041.52), the Annie Armstrong Offering ($3,038.66), and the Heck-Jones and State Mission Offerings. A total of 1,016 tithers were reported. Women and young people have this year participated in Community Missions Activities in all their organizations. This means that they are attempting to be the kind of missionaries right here at home that they expect our missionaries to be who serve away from home in carrying out the Great Commission.

Associational Meetings which have been held throughout the year have been well attended, and representative groups from our churches have gone to Southside, State and Regional Conventions. Also, six of our Associational Officers attended special State workshops during the year.

Deep appreciation is felt throughout the Association for the capable and inspiring leadership of Mrs. Roy Drye of Oakboro, during the past five years as she served as Superintendent of the Stanly Association W.M.U. She will be serving in the coming year as Regional President of the Charlotte Region. It is my special joy to be able to labor together with the women of the county and with God during the current year. Working with the various churches is proving a blessing to my own life. Already I have taught in five of the churches, have attended meetings of one kind or another in four others, and have counselled with leaders from 32 of the churches on behalf of their W.M.U. work.

Yes, times are changing, but God's word is eternal and His Commission to us is for all time. What we are currently doing is good—but it is not good enough. We are not keeping pace in "our business" which is the most important business in the world—the carrying out of Christ's command to "Go ye into all the world." We

have not really studied enough, not really prayed enough, not really witnessed enough, not really given enough of our talents and material possessions. Our prayer is that the new year will see us lay hold of power sufficient for the Atomic Age in which we live.

Report of Inter-Racial Relations Committee

The work of this committee has not functioned this year in the way of promoting Inter-Racial Relationship as we should have. Possibly this has been due to lack of sufficient knowledge on the part of the committee as to its duties.

There is such a Department in our Baptist State Convention. It is headed by Dr. W. R. Grigg as its Secretary. The basic needs to be met by this Department are:

1. A fuller understanding among all people of the spirit and meaning of the Christian faith.
2. A fuller acceptance by all Christians of the purpose and meaning of active Christian love.
3. A re-examination of scriptual truth on the Christian's responsibility with reference to impartial missionary activity.
4. Creative contacts of individuals in all ethnic groups to the end of Christian friendship.
5. Growth of more and better Christian churches.

The greater needs of the department now include an associate to the secretary; a committee on inter-racial cooperation in each local church and district association; creative contacts inter-racially which will contribute to individual and collective understanding and following the principles of Christ in all human relationships.

Respectfully submitted,

C. R. HINTON

Report of Music Department

Even though the Music Department of the Stanly Baptist Association is still in its infancy, both in organization and experience, nevertheless we feel that great strides have been made in its development and usefulness.

In an effort to make our people more music conscious and promote a greater love and respect for better music in our churches, the Music Department has during the current year promoted two outstanding programs into which we have invited and encouraged the full cooperation and participation of the churches of the Association and the general public.

On December 22, 1958, a Christmas Carol Sing was promoted on the downtown parking lot of Winn-Dixie Stores, in which three of our churches were invited to take the lead—Anderson Grove, Badin, and Grace, with Mr. Floyd Parker, Director of Congregational Singing for the Association in charge. In spite of the intense cold weather a very good crowd participated.

On May 19, 1959, an Association-wide "Hymn Sing" was conducted at Badin Baptist Church with Anderson Grove and West Albemarle Baptist Churches taking the lead, and supported by an unusually fine congregation with approximately 300 in attendance.

We believe the work done through our Music Department will do a great deal toward promoting better music in our church programs.

Respectfully submitted,

CLAUDE BURRIS, Director

Proposed Changes to Constitution of the Stanly Baptist Association

Article VII. Officers and Their Duties: Change name Chorister to Director of Music and where name Director of Music appears delete.

Section 5. It shall be the duty of the Director of Music to be in charge of the music for the association. He shall be chairman of the Music Department. This Department shall endeavor to plan music schools and use means to improve church music in the association and shall work in cooperation with the Music Department of the State Convention.

Section 6. It shall be the duty of the Pianist to provide accompaniment for congregational singing while the association is in session. Whenever possible, the pianist shall also be the Director of Instruments within the Music Department of the Association.

These changes are necessary in order to give status to the Association's Department of Church Music.

Report on Christian Literature

Today people are reading as never before. As one opens his eyes and looks around he is surrounded by a vivid verification of this. However, the important thing is WHAT they are reading. One is to a very large measure what he reads.

Our Baptist democracy has long been dependent upon informed and enlightened people. Thus our people must read to know what we are doing around the world. There is power in the printed page. The Catholics have recognized this door as a vital means of propagating their message to the thousands. They won large numbers last year with a sizeable amount of these coming from the Negro population. The cults also are using this means.

Baptist must use their literature as never before. We have the best. I list some for you as follows:

BIBLICAL RECORDER our state paper giving worldwide news, CHARITY AND CHILDREN presenting childcare and other news, HOME MISSIONS and the COMMISSION to give a worldwide view of missions, HOME LIFE the family magazine, THE CHURCH MEMBERS HANDBOOK by Joe T. Odle, the vast array of tracts for saved and unsaved granted free to churches each year by the Sunday School Board. Also, the Baptist Book Store has a diversity of literature and items.

In addition, why not investigate the wide range of literature available to you through the organizations of your church? Here you can find information on subjects that are of great interests to Baptist people.

Respectfully submitted,

L. A. FAULKENBURY

Report on Sunday School Work

Again the Sunday Schools of the association have proven to be a great part of our Baptist program. It has proven to be great, not only in teaching, but also in soul winning and enlistment and a growing financial agency for all causes of our denomination. We can rejoice in the growth and service rendered by our Sunday Schools in the Stanly Baptist Association.

This year our Association has reported every church having a Sunday School and a Vacation Bible School, with increased enrolment. There has also been an increase in the number of study course awards received this year.

An enlargement campaign with state workers in the association was held and all the required Sunday School associational meetings were held.

Respectfully submitted,

RAY BURRIS

Training Union Report

By HOYLE T. ALLRED

1958-59 was a very busy year with your Associational Training Union Organization beginning with M-Night, November 24th, and running down to our final organizational meeting, September 14th. Our six meetings are as follows:

Mr. David Barbee of West was the winner of the Adult Scripture Reading Tournament.

September 14th—Met with Kendall's Church. 111 were present with Lakeview taking the banner for the second straight time with 41 present.

A total of 951 Training Union awards were made. North Albemarle was first with 131; West second with 126; and New London, First with 111. Others were: Albemarle First 49; Grace 34; South 40; Anderson Grove 74; Aquadale 15; Badin 34; Highland 31; Kinza 45; Mission 21; Norwood 10; Philadelphia 72; Pleasant Grove 67; Porter 44; and Lakeview 47.

There are still 19 churches without Training Unions. It is hoped that these churches will soon awaken to the great value of the total Training Union Program.

Report on Christian Education

Christian education is not only a legitimate function of a Christian denomination it is an indespensable and essential one.

The Missionary Baptist of North Carolina maintain and give substantial support to seven colleges, where one-eighth of the total college population in our state are enrolled, and where one out of five Baptist college students are enrolled. We are told that this year we will invest $1,100,000 of mission funds in these schools. These facts constitute one of the brightest spots on our denominational horizon, and give rise to our greatest hope.

Education brings knowledge; Christian education produces wisdom. Baptist have wrought earnestly on the pattern of manhood and womanhood, weaving into that pattern threads of prayer in three clearly marked areas—evangelism, missions and education. Winning the individual to an acceptance of Christ as Saviour and Lord, and consequently of His program for personal living and for society, goes beyond a local community to state and nation, and reaches around the world.

One of our seven colleges which has a warm place in many of our hearts is Wingate. Dr. Smith and his fine faculty are to be commended for the wonderful work being done there.

The purpose of a college is not the promotion of the program of the sponsoring denomination, but the promotion of the Kingdom of God within the context of the denomination's religious philosophy. The Baptist way of doing things is together, with each one doing what he can. May we then pledge ourselves to the great task of Religious education until it be done, God being our helper.

Respectfully submitted,
REV. A. R. WAISNER

Associationa Brotherhood Report

The Brotherhood of the Stanly Baptist Association has closed another successful year. The year was begun with a joint meeting of the Brotherhood and W.M.U. in the First Baptist Church in Oakboro, with Rev. Keener Pharr bringing a very inspiring message and charge to the newly elected officers. Plans were made for great work for the Brotherhood and Royal Ambassadors for this year. A Brotherhood Clinic was held in South Albemarle Baptist Church on Jan. 19, 1959 with the Laymen teaching some good courses in Brotherhood and R.A. work. On April 13, 1959 the Brotherhood and R.A. Boys had a joint meeting in Poplin's Grove Church with Rev. J. D. Tucker bringing a very inspiring message. The Brotherhood carried our R.A. Boys to Rockingham on April 28, 1959 to see a R.A. demonstration. The R.A. Congress, sponsored by the Brotherhood was held in Poplin's Grove Church on May 2, 1959. The Brotherhood and W.M.U. and their families enjoyed a picnic with games on Morrow Mountain on July 25, 1959. Our R.A. Boys, which are sponsored by the Brotherhood, had a wonderful camping trip on Morrow Mountain July 31 despite the bad weather. On Oct. 11, 1959 the Brotherhood and R.A. Boys had a rally in Fairview Baptist Church and was greatly inspired with the message from our State Brotherhood Secretary, Rev. Clyde Davis. We have two additional Brotherhoods organized and two more R.A. Chapters in the Association and our aim for 1960 is: To help organize a Brotherhood and a R.A. Chapter in every church within our Association.

Annual Report to Stanly Association Evangelism

Evangelism means "making disciples," "baptizing them," and "teaching them" to be obedient to Christ in "all things" He has commanded. Thus a person is not evangelized until he becomes an evangelist. Therefore, evangelism is to make disciples and mature them. This is God's purpose and plan for His people in the world.

The ratio of baptisms to church members is 1/22 for Southern Baptists and 1/25 for North Carolina Baptists. Our association's ratio for 1957 was 1/25 and for 1958 it was 1/24. The goal of Southern Baptists in ratio of baptisms to church members is 1/8. This ought to be the challenge of Stanly Association Baptists and we should adopt the ratio of 1/8 as our goal. In an effort to achieve this objective, therefore, be it resolved that the Stanly Association adopt the following goals:

1. To conduct an annual clinic devoting two sessions exclusively to evangelism striving to have at least seventy-five percent of the churches and pastors participating.

2. To conduct an annual Simultaneous Reival Crusade with at least eighty percent of the churches participating.

3. To endeavor to have at least seventy-five percent of the churches using the church council and sustaining perennial programs of evangelism with soul-winning in the forefront of the total program in every church.

During 1959 a Simultaneous Revival Crusade was promoted in Stanly Association in cooperation with all Baptist churches in North America and the total Southern Baptist Convention territory. The results generally were fruitful. Already, plans have been projected for an Associational-wide Simultaneous Revival Crusade in the early fall or late summer of 1960.

THURMAN W. ALLRED
Chairman of Evangelism

Report on Temperance, Morals and Good Government

My aim in this report will be to attempt to establish that the three subject terms are inseparable, each dependent on the other, and each determined by mans willingness to be self disciplined.

We normally relate temperance to the use of alcoholic beverages and morals to mans sexual behavior. By these standards we are prone to accept as temperate, those persons who do not drink intoxicating beverages, and moral, those persons who are not adulters; but abstainance from these practices does not necessarily render any person temperate or moral.

Morals, or morality, is the practices, conduct and spirit of men toward God, themselves and their fellowman, with reference to right and wrong, and obligation to duty.

Modern man has become hopelessly dependent on government. We presume that we can legislate custom and behavior and that by imposing on the people laws prohibiting immoral and intemper-

ate conduct we can eliminate such behavior. A man is not wholly moral who can deny himself passion for immoral things; but only when he is content to practice these virtues for their own sake. This he may accomplish only through close communion with God. When all men can take the hand of Christ, intemperance and immorality will vanish from the earth, and the hundreds of volumes of law governing crimes born in these inequities will be reduced only to historical value.

If we are to be instrumental in diverting mankind from these transgressions against God and society we must realize the battle must be fought at its origin, within the individual heart, soul and mind; and our weapon must not be government legislatures—but the love of Jesus Christ.

Southern Baptist Annuity Report

By JAMES R. HERRIN

With the increasing length of the life span of the average person, it is evident that our pastors who, on an average, live to more advanced age than most occupational groups, need to have a part not only in the Southern Baptist Protection Plan which the Annuity Board sponsors, but also the Social Security Plan of the Federal Government. However, most pastors have either one or the other, but in Stanly County most of our pastors have neither!

Nothing is more pathetic to a congregation than to see a pastor of former years in desperate need during the years of advanced age, but yet this is the situation which exists and will continue to exist unless the churches do something NOW.

May we suggest that since all our pastors tithe ($372.00 on the average salary) that it would be a good thing if the churches would set aside this amount which is exactly (10%) the amount the church would need to provide not only for the church's share but also the pastor's.

We suggest that you refer to the report of the Board to our 1958 Stanly Association minutes and remember that your pastor **will not** ask his church to do this for him—one of you must take the initiative. Then lead your church to authorize the appointment of a committee to study the retirement plan of the Board and having studied to act at once in recommending the church's full participation. If you will do this, the years ahead will be happier for you and every servant of God who has passed through your pulpit.

JAMES R. HERRIN

North Carolina Baptist Children's Homes, Inc.

By NELSON A. HAYES, *Representative*

In a survey determining the relationship between Stanly Bap-

tist Churches and our Baptist Children's Home, 29 of our 47 churches responded and gave the following information:

Monthly offering for the Homes	11%*
In budget as a separate item	67%
Annual Thanksgiving Offering	93%
CHARITY AND CHILDREN CLUB	68%
Visited one of the Homes recently	8%
Special food or clothing offering	8%

From our 1958 minutes we get the following information:

Total gifts to the Homes	$ 6,747
Total gifts to Cooperative Program	32,346
Churches giving to Homes (directly or indirectly)	98%

All who give to the Cooperative Program are doing their proportionate part in providing for the Homes. A large number of our churches do not give in this manner. If all could be enlisted, even if it takes special offerings to reach some of them, the total burden on our Cooperative Program would be greatly lessened. Our Children's Homes are now in the Cooperative Program on the basis as are all other convention institutions and each gift, no matter how designated, ultimately helps each of these either directly or indirectly.

General Superintendent W. R. Wagoner said: "There is considerable evidence that North Carolina Baptist have faith in the future ministry of the Children's Homes.

"Recommendations call for:

1. Increased financial support from the Convention.
2. An expanding Foster Home Program.
3. The development of new types of programs and services to help children who are not being cared for in other ways.
4. Regional case work—counseling to strengthen family life.
5. Instruction for churches in establishing programs of day care and other work which can be done in a community by a local church.

"The extent of these services will be determined by the support of North Carolina Baptist."

* These participation percentages are based only upon the number of churches returning the questionnaire.

Report to the Stanly Baptist Association for the year 1959. Presented Wednesday, October 21, 1959 by Mrs. W. S. Cannon for Nelson A. Hayes (who was unavoidably absent from the Annual Meeting.)

Report on the North Carolina Baptist Hospital

Baptists are not in the medical business to make money. Baptists operate the Hospital because of their concern for the spiritual and physical welfare of all seriously ill people from all walks of life, and in all financial circumstances. A constant effort is made to keep the Hospital personnel Christian in its care of sick people.

Last year, sixty-six thousand visits were made by people from 95 counties to the 31 clinics of the Out-Patient Department. These services are offered to those families who are not able to pay the full cost of their medical care. About the same number of office visits were made by private and full-pay patients. Sixteen thousand sick persons were hospitalized for 132 days of bed care.

Forty percent of the Hospital service is rendered the patients who enter the hospital through the Out-Patient Department. The services of the physicians are free to all these patients, but the hospital charges must be paid unless other arrangements are made by the family.

The Mother's Day Fund, along with the welfare funds and assistance from other agencies and foundations, enables the hospital to provide more than one-half million dollars worth of services which could not be paid for by the needy sick patients. But our Mother's Day Fund was not enough to take care of the full cost of the most needy. We must hold firm our trust which the Hospital has in us and give financial aid to this worthy cause.

W. SHELLEY CAUDLE
Hospital Representative

Report on the Baptist Homes

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the Homes have had a good year, and have been filled practically all the year to capacity—119, counting residents and helpers. There are always more applications on the waiting list than rooms to be filled.

While the campaign to raise funds to build the fourth Home in Eastern North Carolina has not been completed, there is good reason to believe that the money will be secured this year and construction will begin. With reorganization of plans, the balance needed can and will be forthcoming.

Construction of the Infirmary Annex, which will give 28 additional bedrooms and some utility rooms, is getting underway. Estimated cost of this phase of our building program is $193,000.

The two most pressing needs of the Homes for Aging now are (1) construction of a Home in Eastern Carolina, and (2) to raise $150,000 to cover the balance needed to pay for the additional facilities in the infirmary expansion. When these two projects are completed the total capacity of all the Homes will be 170 residents.

A Special Day Offering of $175,000 in February, 1960, will help to meet infirmary cost, and continue to give financial help to residents who need aid.

Stanly Association made a good record last year in the total amount given to the Homes. The February Special Day Offering, through June 30, was $1,902.39. The fine spirit shown is deeply appreciated, but we hope more churches will become interested and join with the others in supporting the Homes for Aging.

CLYDE H. WHITLEY

Report on State Missions

There are 4,600,000 people in the State of North Carolina. About 2,100,000 of these above the age of eight years are affiliated with some kind of church. About 2,000,000 above the age of eight are unchurched. If 25 percent of the affiliated church members are unsaved; then more than 60 percent of the people of North Carolina are lost, therefore, it is not half Christian.

About half the church members of North Carolina are Baptist,

therefore about 50 percent of the responsibility of reaching the unsaved rests upon North Carolina Baptists. Each year we emphasize the outstanding accomplishments of the various ministries of State Missions and give our people an opportunity to share in this special offering. Last year 35 churches in Stanly Association participated with an offering of $2,016.00. We have a membership of 12,201 at close of last year. On the basis of per member we gave to State Missions special offering 16½ cents.

On the basis of those figures we need to lead our people into a greater awareness of our responsibility of winning the lost in our state.

This Jubilee Year we are challenged to support our State Mission Program in a greater way. Our people need to be taught and trained. With 60 percent of North Carolina lost, our State Department of Evangelism needs our support and prayers.

A growing population demands new and larger churches. Will you as an individual do your part so the first part of the Great Commission might be obeyed, and these rich ministries might be continued to the extent that next year North Carolina might have more new Christians and many more trained, dedicated Christians serving in the Kingdom of God.

Respectfully submitted,

MRS. ROY E. DRYE

Home Missions Report

Striking advances in missions and evangelism were made in 1958 by Southern Baptist churches working through the Home Mission Board. These are days of change and accomplishment. During 1959, the first year of the reorganization into five divisions—Missions, Evangelism, Education and Promotion, Church Loan, and Chaplain—the Home Mission Board instituted new plans of cooperation with the states, started new programs, revised others, and set new records.

A 360 increase in the number of missionaries brought the total to an all-time high of 1,574. In addition 450 student summer missionaries worked for 10 weeks under direction of home missionaries and 382 Southern Baptist chaplains were on active duty. During 1958, your home missionaries saw 41,859 professions of faith and our chaplains reported 11,203. 399 new churches and 564 new missions were constituted during the year. Thirty new fields in language missions were entered.

New Southern Baptist work has begun in metropolitan areas. There are now 68 City Mission programs and plans are to add five more during the next few months.

Unusual progress has been made toward achieving Jubilee Advance goals. In fact some of the goals are now being revised upward to present a greater challenge. Over 29,000 churches participated in Simultaneous Crusades in 1959. Extensive plans are being made to expand the program of conserving the results of evangelism.

Southern Baptists in this year have their greatest opportunity in the influence of their churches through the Home Mission Board to claim our land for Christ.

Respectfully submitted,

MRS. M. A. SMALL

Foreign Missions Report

Dr. Baker Cauthen reports the past year has been one of God's leadership and great blessing.

Through the efforts of our dedicated pastors and leaders, prayer and evangelism has been stressed and we feel has been effective even to the far corners of the earth.

During the year, 137 missionaries have been appointed, bringing the total to 1,356. We now have work in 39 geographical areas. A large number of young pepole have dedicated their lives as mission volunteers. Many pastors and church leaders have felt and responded to the call to go to mission fields. Larger gifts have been made through the Cooperative Program and Lottie Moon Christmas Offering. The churches of Stanly County have come in for their share, contributing to date $34,672.00 to the Cooperative Program and a designated amount of $16,602.00 to Foreign Missions.

The future is encouraging, especially as we think of what the Jubilee Advance will mean in the number of new missionaries, more financial aid and expansion in new areas.

But the picture is far from bright with a world population of 3 billion people and a large majority who do not as yet know Christ as Saviour. The need is greater perhaps than ever in the world's history. The responsibility and privilege is ours to give the gospel to a lost world. What will we do about it?

Respectfully submitted,

MRS. T. S. CRUTCHFIELD

Ordination Committee Report

According to the Stanly Baptist Constitution and By-Laws, Article VIII, Section 6, "The Ordination Committee shall serve in an advisory capacity to all churches considering ordaining a candidate for the ministry. This committee shall be made up of five ordained ministers, and all churches are asked to include this committee on any Presbytery formed."

Three of our churches compiled with this provision and at least one did not.

Your committee along with other representatives from the churches acted on behalf of the association in forming the Presbytery for the following men who are listed with their churches and date of examination:

George Truett Stallings, North Albemarle, November 14, 1958.
Dewey Almond, Mountain View, November 28, 1958.
Fred Braswell, Anderson Grove, February 13, 1959.

These men were examined as to their conversion experience, call to preach, Biblical doctrine, and willingness to cooperate with other Baptists in carrying out Christ's command to "Go into all the world." Finding them to be well qualified, your committee recommended them to their respective churches. They were subsequently ordained and are now serving churches in North Carolina.

History of West Albemarle Baptist Church

On the 3rd of September 1903, minister A. C. Davis, R. H. Herrin, U. F. Hathcock, P. G. Hartsell, and R. D. Thompson, met with the people of West Albemarle to form a presbytery and organize a Baptist Church. The presbytery being duly organized, the doors of the church were opened and the following presented themselves by letter: Jesse A. Morton, Mary Frances Morton, Isabell Shankle, Noah Morton, Polly Morton, T. S. Parker, J. C. Parker, J. C. Morton, Ellen Morton, Wm. E. Furr, Joseph M. Morton, Martha Morton, J. W. Herrin, Mahalie Herrin, G. W. Rogers, Jane Rogers, B. M. Rogers and Emma Rogers. These nineteen were duly constituted into a Baptist Church which by vote they named West Albemarle Baptist Church.

On September 20 they met and called Rev. A. C. Davis and Rev. G. A. Honeycutt as pastors for a year. Rev. G. A. Honeycutt was to preach the first Sunday in each month and Rev. A. C. Davis the second Sunday in each month at 2:30 P.M.

Rev. C. J. Black was called as pastor in October, 1904, and served until 1915. The church grew until it was necessary in 1909 to enlarge the church by widening the auditorium. In 1911, the church reported 528 members to the Association.

On March 27, 1927, under the direction of Pastor R. L. West, the church voted to erect an educational building to the rear of the old church. In 1928-29, an auditorium was erected onto the educational building.

Rev. M. L. Dorton served the church from 1929-41 during the difficult depression years which were marked by debt retirement efforts, faithfulness and perseverance.

In February 1942 Rev. C. R. Hinton became pastor. The church adopted the rotating system of deacons and adopted the Unified Budget. A budget of $5,000 was adopted which was considered adequate for the year's work. Church membership increased, indebtedness was liquidated, the present parsonage was bought, the first Bible Schools were held, and the first full-time religious workers were added to the staff. Miss Harriett Orr (Mrs. Judson Lennon) became Education Director in 1944, followed by Miss Roberta Martin (Mrs. Harold Perry) and in 1946 by Miss Edith Mauldin (Mrs. Hoyle Whitley).

Rev. Woodrow Hill came as pastor in November of 1947 and membership increased from 601 to 792. Among improvements during this period were setting up of the Baby Building, building two departments in the basement, and remodeling of the auditorium, the publication of the weekly "Communicator," a set of chimes, Scout Hut, and air-conditioning for the auditorium.

A church secretary joined the staff in 1952, Miss Nancy Morrow, which office she held until 1957 when the present secretary, Mrs. Clyde Tucker, joined the staff.

In June, 1953, Rev. Judson Lennon began his ministry at West. Much progress was shown with a budget of $40,000, parking lot acquired, plans laid for erection of the first unit of a two-part building program, a Children's Building. Official ground-breaking for this building was held in July, 1955, and shortly thereafter Rev. and Mrs. Lennon, David and Lee left America to serve as Southern Baptist Missionaries to Thailand. They had made their surrender to the call of Christ to serve as missionaries during Foreign Mission

Week at Ridgecrest in 1954. His ministry was marked by a definite increase in mission emphasis, life dedication and giving, with the church providing the salary support for Dr. John Roper, missionary doctor to the Near East, and with the leaving of the Lennons, the support of Rev. Judson Lennon.

The present pastor, Rev. Hoyle T. Allred, came to serve the church in August, 1955. The new Children's Building, "one of the finest in the South," was entered in January, 1957, and completely air-conditioned in 1959.

Many fine young people have been called out of the church for full-time Christian service. The following have been licensed to preach: B. G. Whitley, T. W. Fogleman, W. J. Russell, John T. Kimrey, T. H. Biles, Hurley C. Lowder, W. S. Caudle, David Morrow, Arch Cree, and Vernon Troutman. A young lady, Miss Doris Tucker, felt called to the field of Religious Education and presently serves as Elementary Director, First Baptist Church, Columbia, South Carolina, and Donald Almond is currently studying at Southeastern Seminary in response to God's call to serve as a Minister of Education. Jimmy Bush, a medical student at the University of Richmond, is a volunteer for Foreign Medical Missions, with his field as yet unknown.

The Forward Program of Church Finance was instituted in the Church in the fall of 1958 and in the first nine months of its use produced $5,000 additional gifts for use in promoting the cause of Christ.

God has richly blessed this church and continues to do so. The present auditorium has been outgrown and since the spring of 1955 two morning worship services have been held, with the early morning service being broadcast over Radio Station WZKY most of the time. The church dreams of the day when they will be able to build the new sanctuary for which plans have already been drawn.

It is the earnest prayer of the pastor and leadership of this church that God shall continue to bless and use it.

History of Mineral Springs Baptist Church

Mineral Springs Baptist Church was organized in 1888. Riley Austin, John Brooks, Rev. Reuben James and Edmond Harrington formed the presbytery.

Rev. Reuben James was called as the first pastor. First services were held in a log building with benches made of pine slabs. The church worshiped in this building until 1916 when under the capable leadership of the church and steady growth it moved from the log building to a large and better frame building on the site of the present building. Rev. Tilton Sasser was then called as pastor.

In 1926 the frame building was blown over by a wind storm. The church borrowed a tent from Rev. S. L. McIntyre and held its services in it until the present brick structure was completed. The first pastor to serve in the new brick building was Rev. Adam Hathcock.

In 1958 another building program was launched and beautiful Sunday school classrooms were added. This has been a great help to the church.

Rev. Craig Coble is the present pastor. Present membership is 230. The Sunday school enrollment is 156.

MISS RUBY CATHEY
Dec. 24, 1927 - Sept. 19, 1959

REV. THOMAS E. STALEY
April 19, 1878 - Sept. 4, 1959

MISS RUBY CATHEY was one of Stanly County's most dedicated, consecrated and loved young persons. Her life from its earliest days until her death was bound up in the progress of Kingdom activities. After training at Limestone College, she entered Stanly County Public Library work for five years which greatly aided her in further preparation for full time Christian service which began at McGill Street Baptist Church of Concord in 1954. She served there as Secretary and Youth Director. North Albemarle Baptist Church of Albemarle extended her a call to become its first Educational Director and she began work there in January of 1956 and served faithfully and efficiently until March of 1957. She returned to McGill Street for the second time as Secretary and Youth Director in April of 1957 and remained on the staff until her death. Her devotion to God's Work and her loyal and intelligent service won for her the regard and admiration of all her associates. Her unselfish devotion and love for her friends was an outstanding attribute of her life. Her memory will forever linger in the hearts of all who knew her as she is now enjoying the full blessings of heaven. Ruby is survived by her devoted mother, Mrs. R. E. Cathey, one sister, Mrs. John Carpenter of Albemarle and Robert Cathey of Germany.

REV. THOMAS E. STALEY'S life was blessed by God with eighty-one years of fruitful living. He was permitted to serve as minister of the Gospel for approximately forty-nine years as he began his dedicated ministry in 1910. Under the leadership of the Lord he organized five churches. These were Ashley Heights and Pine Hill in Hoke County, West End in Moore County, X-Way and Tabernacle in Montgomery County. In addition to these five, he led in building Center Church near Candor, Rocky Mount in Anson County, and Calvary in Stanly. Among other churches he has served are: Eldorado, Blackwood's Chapel, Mount Carmel, Holly Mount, Laurel Hill, Eagle Springs, Buelah Hill, Gum Springs, Calvary (near Wadeville), Anderson Grove, Locust, Sandy Ridge, Roanoke, Midway, Union Grove (Union County), Worthwhile and Mt. Gilead near Fayetteville. Only the records of Heaven could truly reveal the contributions this dedicated Minister of the Gospel made to God's Kingdom while here on earth. His memory shall linger long as he now enjoys his mansion and all the glories of heaven. Rev. Staley's first wife preceded him in death in 1947. Surviving are Mrs. T. E. Staley of Albemarle, three daughters, Mrs. V. W. Braswell and Mrs. D. A. Bailey of Albemarle and Mrs. B. R. Johnson of Greensboro, H. L. Staley of West End, and Rev. Alfred E. Staley of Concord, former pastor of Fairview Church of Albemarle, N. C.

Report of Promotional Secretary

Since coming as your Promotional Secretary it has been my privilege to be in all the churches except three and to preach, teach or speak to some particular group in many of them. My rather poorly kept record shows that I have been in 91 meetings or worship services and have spoken or preached 63 times. On many occasions when I was not a speaker, it has been my privilege to make a few remarks.

I have published more than 600 copies per month of the *Stanly Baptist News* since April (my first issue) . . . provided V. B. S. materials for each church requesting it . . . mailed 300 letters . . . Sponsored a V. B. S. at Kingville (Negro) . . . Preached in one revival meeting in the Association . . . Spoke in seven churches during our School of Missions.

Attended S. B. Convention and Pastors' Conference in Miami.

Attended Pastors' School at Mars Hill.

Attended Associational Missionaries Conference at N. C. Baptist Assembly.

Attended Associational Missionaries Conference at Ridgecrest.

Attended two Regional Meetings.

Attended two Statewide Conventions.

Produced 500 of these Book of Advance Reports.

As I have become acquainted with the work I pray I may be able to serve better in the coming year. I covet your prayers and your continued cooperation. You have been very helpful and I am grateful for your every kindness.

Woman's Missionary Union

MRS. HOYLE ALLRED, *President*

As concerned Christians we look at our world today and are filled with many frustrations and feelings of futility. But in moments of stillness before God we can hear above the din of the noises of the world and hear again the resounding and eternal truth that God not only made us, He sustains us, and is still on His throne. We believe as in days of old, He is still trying to use men and women, boys and girls to bring the world unto Himself. All is not lost unless WE fail Him.... HE will never fail us.

In the Annual Meeting of Southern Woman's Missionary Union in Miami last May and in recent North Carolina Convention meetings, these thoughts have somehow stood out as the message for our day: If each one would win one then the world could be claimed for Christ in eight years; and as expressed by Dr. A. L. Parker, if Christians really meant business, every living person could be given an opportunity to hear the message of Christ in our day. These are tremendous challenges.

We would be reminded that God is still in the business of changing men's hearts and this could be the means whereby, in our day, in the midst of perhaps the world's worst crises, world conditions could be righted by God's transforming power. Many things with us are impossible... but with God all things are possible. The permanent watchword of WMU is: "Laborers together with God." We believe that the lives of concerned Christians, linked with the Eternal, COULD BE SUFFICIENT in our day.

If all the people of the world are to hear the message of Christ, then we in so-called Christian America, if the Lord is going to be able to use us at all, are going to have to be real Christians right where we are. In our Association we feel that we have a responsibility to send out a clear signal for Christ that our witness might be strong first in Jerusalem, then in Judea, Samaria and the uttermost parts of the earth. One of our main emphasis has been on CHRISTIAN WITNESSING right where we are through soul-winning efforts, institutional ministries, and meeting other spiritual needs.

The five-year period designated as the Baptist Jubilee Advance has been declared an ERA OF PRAYER by Woman's Missionary Union, to be the end that many millions of the world's people shall come to know Christ through the Baptist witness. Efforts during the past year would indicate that our women are more conscious of the power of prayer and have spent more time in prayer.

We realize that unless the people in our churches are aware of the needs of the people of the world they are not going to show concern for them. So MISSION STUDY is a vital part of our work. Last year 260 Mission Study Classes were held.

"We can work, we can pray, we can witness every day" but there is yet more we can do beyond this through our GIVING. Last year the WMU organizations of the county reported 879 tithers and 2107 giving through the cooperative program. All mission offerings showed an increase over the previous year.

Another emphasis for the year has been on Leadership Training, in order that the work might be strengthened down to the last and smallest organization in the association. We have made progress in this area and currently have 96 leaders holding Leadership Cards of Accreditation.

Perhaps our most successful efforts were in the areas of Educating Youth in Missions: Four of our Sunbeam leaders attended a two-day workshop in High Point and then conducted a Sunbeam Workshop in our Association; an Intermediate GA Banquet was held with 95 in attendance, and an inspirational Junior GA Rally was held with over 200 present. Also, the first Associational GA Council was organized this year. A highly successful YWA Banquet was held with a program designed to promote better racial understanding. One hundred twenty-five attended this meeting.

Other officers in our Association who have worked so faithfully, and often behind the scenes are: Mrs. L. J. McNeil, vice president; Mrs. E. D. Holbert, secretary-treasurer; Mrs. W. S. Cannon, Mission Study chairman; Mrs. T. S. Crutchfield, Prayer chairman; Mrs. A. R. Waisner, Community Missions chairman; Mrs. T. L. Cashwell, Jr., Stewardship chairman; Mrs. Leroy Calder, Margaret Fund and Carver School; Mrs. Bob Furr, Literature chairman; Mrs. Roy Drye, Jubilee chairman; Miss Evelyn Howard, YWA director; Mrs. N. A. Hayes, assistant YWA director; Mrs. Glenn Almond, GA director; Mrs. Ernest Russell, Sunbeam director; Mrs. H. A. Snuggs, pianist.

It has been a personal joy to me to be in most of your churches some time during the past year. The women of this Association are truly "laborers together with God" and God is working with them in carrying out his good purposes in the world. God grant that the coming year will see all of us commit our ways and talents more completely to Him that "His kingdom come and His will be done"... in our day.

Report on Christian Literature

The Bible is the most important piece of Christian Literature we have today because it is the inspired word of God concerning life and the most important issues of life. The Bible is the source of inspiration for the publication of all other Christian Literature that is published. Other books and printed matter of various kinds are needed also, and Baptists are mindful of their responsibility in that field.

Denominational Literature is an essential factor in the religious education of the entire world. Christian Literature should occupy a place of prominence in our lives and homes today. This is especially because of the power it builds, and because of the inspiration to live by the truth that it gives. "Good reading brings knowledge and knowledge brings understanding" and out of understanding comes the power to live wisely.

Baptist Literature is the best for Baptist Churches. Each periodical is designed to encourage Bible study, to cultivate Christian character, to develop faithful workers and skillful leaders in our churches, and to help us to see the need of doing our part in winning the lost to Christ.

The State Convention minutes, the Association minutes, and the state denominational paper, The Biblical Recorder, give information annually and weekly concerning the individual and collective work of churches not found in any other publications, anywhere.

May we heed the advice of Paul to Timothy: "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Sunday School Report

Your Associational Sunday School Department offers the following program:

1) That each church recognize the primacy of evangelism for the coming year, remembering that "Evangelism is central in the purpose of the Sunday school; the Sunday school is central in the program of evangelism."

2) That some time during this first quarter of the new church year, each local Sunday School conduct a study of the book *Outreach for the Unreached.*

3) That January Bible Study Week be observed in each church the week of January 2-6, 1961 (or at a convenient date) and that the book *Studies in First Corinthians* be taught.

4) That the local Sunday School workers and members be encouraged to participate in the Central Training School which will be promoted by the Associational Sunday School Department during the spring of 1961.

5) That each church will conduct a Vacation Bible School in 1961.

6) That each local Sunday School will cooperate fully by attending the quarterly associational meetings.

7) That each local Sunday School will encourage training of its workers through church-sponsored training classes and through the Home Study plan.

8) That plans will be made to observe Preparation Week in the local Sunday Schools, September 17-24, 1961.

Your associational officers believe that 1960-61 presents a great challenge to Baptists of Stanly Association. We pray that we will be joined by all in accepting the opportunity of lifting up a high standard for our people. We believe that our people will follow just as far as they are led. The results of such wholehearted effort by enthusiastic Christians for the glory of God and the advancement of His Kingdom are yet to be written.

Baptist Training Union Report

What a great privilege it is to report that our Stanly Baptist Training Union is a standard unit now! It has been a great honor to serve in the capacity of director with the many fine leaders of our association who have labored together to make ours one of the best in the state.

Several of our workers have been called upon to work in the Baptist Assemblies at Fruitland and Caswell this summer. Mr. Allred and Mr. Calder were junior pastors at Caswell on separate occasions.

All of our meetings have been held this year. The work for our association was led off in a fine way by Mr. Jimmie Morgan, our State T. U. Secretary, leading our leaders in a special conference of training at the beginning of our associational year. Youth Night and the Tournament Night were great occasions of leadership.

We would make two special requests: we urge all our churches to have study courses to train and guide our people. Also we urge our churches who have no training unions to organize as soon as possible.

We look forward to the future for it is as birght as our faith in God.

Respectfully submitted,

REV. LEROY CALDER, *Director*

Report on Christian Education

The well-rounded program of Christian education is not limited to the campus of a college; instead, it begins and centers around the Christian home which stems out of the Christian church. From our homes and churches we send our young people to our colleges. What they receive at home and in the church will play a dominant role in what they become through the education received in college. Rightly so, we desire a Christian environment for our young people during the college year. To this end, we maintain Baptist colleges throughout the state for the purpose of training our youth in many different fields of work. College enrollment has rapidly increased over the past few years, and we are told that it will continue to grow. Many of our young people are finding it difficult to get into college due to the lack of facilities. Each year the need for enlarged facilities becomes more acute; therefore, the overall expense to the state convention increases.

Last year the North Carolina Baptist Convention adopted a budget which set aside $1,150,000 for our seven colleges across the state. The amount spent in behalf of our colleges is great indeed, but it is a wise investment in the future of Southern Baptists. Hence, it behooves us to *know* our colleges and to take an active interest in them. Nearly 9,000 of the young people of the state are taking advantage of the opportunity afforded them by North Carolina Baptists. We dare not let them and future generations down!

Brotherhood Report

The Brotherhood of the Stanly Baptist Association has had another successful year. Our Brotherhood began the year's work with the installation of officers by our State Brotherhood secretary, Clyde Davis, on October 11, 1959, in Fairview Baptist Church. Our Associational Clinic was held in January, giving a demonstration on how to hold a Brotherhood Executive Meeting. Then in April, 1960, our Brotherhood and Woman's Missionary Union jointly sponsored our missionaries in West Albemarle Baptist Church. In July in the First Baptist Church our laymen gave an inspirational talk concerning our Brotherhood and Royal Ambassadors on the church level.

Our aim for 1961 is: to help promote and organize a Brotherhood and Royal Ambassador Chapter in every church in our Association.

Respectfully submitted,

ARTHUR HINSON,
Brotherhood President

Annual Report on Evangelism

During 1960 Stanly Baptist Association in cooperation with all Baptist Churches in North Carolina and the total Southern Baptist Convention territory adopted the highest goals for evangelism ever known in he history of our great denomination. The Southern Baptist Convention goal was 550,000. The State of North Carolina was 47,762. The Stanly Baptist Associational goal was 631. Through our Evangelistic Clinic held in our association this year, the cooperation of pastors and the churches we reached 410 for baptism into the fellowship of our churches. This is a decrease of 15.6 per cent over our report of total baptisms for the Associational year of 1959. This should be a matter of grave concern for all of us as Christians. Therefore we recommend:

1. That we strive to reach the "Evangelism Standard of Excellence" for our association annually.

2. That our association have an evangelistic clinic on January 9, 1961.

3. That our association participate in the Baptist Jubilee Revival, and that we set annual Baptist Jubilee Revival dates through 1964.

4. That our association shall recognize the associational officers to serve as the Baptist Jubilee Revival committee.

5. That every church utilize the church council in promoting a perennial program of evangelism within the local church.

6. That every church cooperate with the Baptist Jubilee Revival, and the consideration be given to having at least one other revival during 1961, with emphasis in both revivals being placed upon every member doing personal soul-winning.

7. That every church follow the revival plan book, thus pray, plan and work to reach the maximum number of lost souls during the Baptist Jubilee Revival and to experience a new depth of spiritual life.

8. That every church cooperate fully with the Training Union in promoting the spiritual growth program, so as to help anchor and mature every member coming into fellowship of the church.

Chairman of Evangelism

Morals - Temperance - Good Government

The Christian Church is interested in persons. Every man and woman should be the kind of person God would have him be. Anything that affects people in any way becomes a matter of concern for Christians. Being morally good is not Christianity. Whatever helps a man to be the kind of a person God would have him to be is right, and should be promoted and encouraged by Christian people. Therefore, morals and temperance are essential for good government. The person who indulges in alcohol has no place in the affairs of our government. Whatever in any way hinders a man from fulfilling God's desire for his life is wrong and should be resisted and rejected by Christian people.

When we lay the standard over the problem of strong drink, narcotics, gambling, desecrating the Lord's Day, divorce and juvenile delinquency, there can be no question about our Christian responsibility that will in some way off-set these evils. It is the responsibility of Christian homes and Christian churches to do all within their power to correct these evils. One of our greatest concerns today is public evil number one, "the liquor evil", and traffic. At this present time, this should be the concern of every Christian and every church. It is impossible to have good government without good men with good morals and temperance. Alcohol is destroying the very heart of many American homes today.

Let us hear the Lord speak on the subject. "Wine is a mocker, strong drink is raging." "Resist the devil and he will flee from you." "If my people which are called by my name, will humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from Heaven, and will forgive their sins, and will heal their lands." This, I believe, is the solution to the whole problem.

Ministers Protection Plan

The Southern Baptist Convention has entrusted the Annuity Board with the responsibility of caring for our pastors and their families in the days of need and anxiety. This program of protection is called the Southern Baptist Protection Plan.

The Southern Baptist Protection Plan provides financial help in the time of sorrow, if the church is in the Protection Plan. In case of the pastor's death, his widow would receive an income from the Board as long as she lived or until she remarried. The Board is there to serve in time of sickness, if the church is in the retirement plan. In case of disability, the pastor would receive a monthly check from the Board as long as he was disabled. The Board is there to serve at retirement, if the church is in the retirement plan. At age of 65, the pastor can receive a regular income as long as he lives. He cannot outlive this protection if the church is in the Southern Baptist Protection Plan.

We urge all churches to contribute to the work of the Annuity Board. The cost to the church is only 10 per cent of the pastor's salary. For instance, $400.00 a year is as much as this program will cost any church who is paying their pastor $4,000.00 a year salary. If all our churches contribute, then all our pastors will be protected and all of our churches carrying out the command of our Lord.

At the present, 25 churches in our association contribute to this phase of our work. This is a denominational program and deserves the

support of all the churches. The Baptist State Convention of North Carolina is launching an intensive campaign to enlist at least 300 additional churches this year. We recommend that our association adopt our share of this as a goal which is four, and we urge all our deacons and church leaders to present this program to their churches as soon as possible.

Report on North Carolina Children's Homes, Inc.

One of the highlights of North Carolina Baptists' Christian service is the support of the Baptist Children's Homes, W. R. Wagoner, General Superintendent. In the past year the Mills Home at Thomasville, the Odom Home at Pembroke, and the Kennedy Home at Kinston have been milestones of service.

As Stanly Baptists, we have our part in the fine work of these homes, both through the Cooperative Program and through the annual Thanksgiving offering. The Homes are now on a new financial basis with the Convention. As a result there are now more opportunities than ever for Stanly Baptists to share in this great work. Note the following excerpts from this year's "Report of Finances:"

"... The program of Child Care outlined in August of 1959 for the year 1960 called for an increase in children in foster homes from 150 to an average of 187 for the year. The total operating budget for this number of children and those cared for at Mills Home, Kennedy Home and Odom Home as approved by the Board of Trustees totaled $875,-043.41. In addition, capital expenditures for needed new buildings, furnishings for new buildings, and other improvements of a permanent nature totaled $60,050.00. We have not been able to meet these objectives because sufficient funds to accomplish them have not been received. As as a matter of fact, your Children's Homes operated at a deficit of $33,274.37 for the year ended September 30, 1958, and a deficit of $30,432.84 for the year ended September 30, 1959. The deficit for the year ending September 30, 1960, will be at least $10,000.00.

"... The Thanksgiving offering in 1959 amounted to $273,472.42 and constituted approximately 31.1 per cent of our income. In order to insure adequate financial support of our program of Child Care, we need a Thanksgiving offering in the amount of $350,000.00 this Thanksgiving.

"... Without adequate financial support your Children's Homes will not be able to make its maximum contribution to dependent children who need the care that we can offer...."

By wholehearted support, and sacrificial giving to the Thanksgiving Offering, each church in the Stanly Association can share in this great work.

It is also suggested that your church put the newspaper *Charity and Children* in its budget.

Your prayers and offerings can mean much to undergird the work of the Homes, and the young lives they seek to develop.

Children's Home Representative

Report of the North Carolina Baptist Hospital

We are well pleased to make the following report for our Baptist Hospital. Our Association contributed to the Baptist Hospital this year well over a thousand dollars more than last year. With the cost of hospitalization increasing as well as a larger number of charity patients, we rejoice in this increase. Another thing that makes us proud is that every church in the Association contributed to the "Mother's Day Offering". According to Dr. McGee's office only one other Association has accomplished this. We want to take this opportunity, as your Hospital Representative, to thank each church for the part you had in making this possible.

Sickness strikes the rich and poor alike, and there are times when they need specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our hospital gives assistance to those who cannot pay the full cost of their care. Our hospital almost doubles our gifts with matching funds from welfare agencies and other gifts. In addition to this, the medical staff gives its service without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we, as Christians, should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. Our hospital receives about 3¾ per cent of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this fund determines for the most part, the amount of help our hospital can give.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. We come to ask you to do it in your church—not for the hospital, but for sick people who are in need.

C. R. HINTON,
Hospital Representative

Report on the North Carolina Baptist Homes for the Aging

God's gift to the Homes for the Aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder, or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibilities of the office of the general superintendent to his successor, William A. Poole.

Great blessings are in store for us in this tenth year of our Homes for the Aging. The new Infirmary Annex, constructed at a cost of $193,000, and with 28 new rooms, will be in use this fall. It is hoped that the construction of the proposed new Hamilton Home can be started this year, with facilities for around 30 additional residents.

At the present, there are 60 applications on the waiting list, and new inquiries and applications pouring in daily. Even with our new

facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next two years.

We are increasingly dependent upon the prayers and the financial support of the churches. During the fiscal year, October 1, 1959, to August 1, 1960, we received $82,521.20 from the churches. Of this amount, $76,352.70 was contributed through the Special Day Offering in February. In addition to the Special Day Offering and designated gifts, we have received from the churches through the Cooperative Program, $39,635.19, during the period October 1, 1959-July 1, 1960.

The Stanly Association, with 29 churches taking part, has contributed $2,304.21 from July, 1959, through July, 1960. All connected with the N. C. Baptist Homes are most grateful to the churches and individuals for the help given to offer our aging friends a program of security comfort and a Christian ministry.

Report on State Missions

State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ, and teach, enlist and train the saved in giving, living, and serving through the churches and throughout the world.

Perhaps the most thrilling and challenging activity in State Missions in North Carolina just now is our part in the "Southern Baptist Movement for 30,000 New Churches and Missions". Surveys indicate a need for 600 new churches in our state.

A growing population demands new and stronger churches. State Missions provides a necessary and significant ministry through aid on some church buildings and the purchase of sites for new churches. Six out of every ten churches in N. C. have been assisted in one or more ways through this great ministry.

CAN WE MEASURE:

—the basic work of Evangelism?—teacher training and effective Sunday Schools?—the impact of development of the individual through the Training Union—improving standards of worship inspired by the Department of Church Music?—better planned and more effective use of church plants?—the over-all impact of the Church Development Department?—the contribution of Fruitland Bible Institute in training pastors who serve our state?—the ever-growing Christian understanding in the field of Interracial Cooperation working with Negroes, Indians, and other races?—the work of the Brotherhood and Royal Ambassadors?—the student work for our young men and women on the campuses of all our colleges and universities? YES, all of this through STATE MISSIONS.

What are the sources of support whereby the 20 ministries of State Missions can function effectively and fruitfully in all areas of our state? Our churches in North Carolina giving to State Mission an increase of 2 per cent each year. Your State Mission Program is supported by gifts from the churches. Sixty-six and two-thirds per cent of every Cooperative Program dollar plus designated gifts and special offering.

Will you, as an individual, do your part in helping State Missions to carry out the great task that is before it. In so doing next year North Carolina will have many more new Christians, and many more trained, dedicated Christians serving in the Kingdom of God.

N. R. BLACK

Home Missions Report

Southern Baptists, through the Southern Baptist Home Mission Board, Atlanta, Ga., during 1959 promoted missions in the 48 states, Alaska, Cuba, Canal Zone, and San Blas Islands. It closed the year with 1,626 regular missionaries, having used during the summer 470 student summer workers. In addition there were 419 chaplains serving in the armed forces.

One of the most significant developments during '58, '59 and continuing in 1960 is the shift from direct mission work to working cooperatively with the state conventions whereby certain financial and personal resources of the Home Mission Board and the respective state mission boards may be combined to promote a unified evangelistic and missionary program within the states. Sixteen such cooperative agreements were worked out with the states during 1959.

The work of the board is divided into seven programs: evangelism, church loans chaplaincy, pioneer and associational missions, city missions, National Baptist, and language group missions. More than half the missionaries are working with language groups, deaf, and migrants. The major emphasis, however, is placed upon the work in pioneer fields, among language groups, with National Baptist, and in mission centers.

During 1959 the board received for its work $5,238,413.94. As a result of its labors there were 47,793 professions of faith reported by its mission forces, and 13,193 by the chaplaincy, 672 new missions started, 330 new churches instituted.

There is no doubt about the challenge of home missions presenting to Southern Baptists and to us an ever-enlarging opportunity.

GEORGE L. HOCUTT

Foreign Mission Report

Our Foreign Mission Program is defined in the Great Commission. Jesus had said, "The field is the world" and we are to be "witnesses of His unto the utmost part of the earth". Acts 1:8.

Let's consider the most recent conservative estimate of the religious population of the world today. The world's total population is estimated to be 2,900,000,000. And the so-called Christian population, including Roman Catholics, 885,000,000, and all other false religions 1,339,000,000.

The programs of work in which our missionaries engage are as follows:

1—Evangelism and church development, including all phases of church and denominational life.

2—Schools, including kindergarten through colleges and seminaries. There are 1,002 schools with 151,276 students enrolled.

3—Medical work, including hospitals, clinics and dispensaries ministering to more than 260,000 patients annually.

4—Publication work, in which more than 14,000,000 pieces of printed materials are annually made available, in many languages.

In a day when advancement is being made in every other realm, Southern Baptists cannot afford to fail to enter every open door. Failure here would mean another threat to World Peace.

Dr. Rankin suggested three reasons for the Advance Program:

1—Because of what we have: the message and the means.

2—Because of what we believe: that the gospel is the panacea for the ills of the world.

3—Because of what the world does not have: the means of grace.

Jesus said, "If ye love me ye will keep my commandments." John 14:15.

Ordination Committee Report

The Ordination Committee for the Stanly Baptist Association was set up to serve the local churches in any way possible when the local church is considering the ordination of a candidate for the ministry.

During the past year two churches have requested the help of this committee. This committee has called several Baptist ministers to compose a presbytery for the purpose of examining the men and this committee is happy to state that the following men were approved by the committee and recommended to the home church for ordination: Jason Lee, West Albemarle; Claud Dick, Grace.

History of Prospect Baptist Church

Prospect Baptist Church was organized in 1866. It began in a school building near the present church site. The first building was built in 1896 and Sunday School rooms were added in 1910. It was remodeled and other rooms added in 1937. This building burned in 1947, after which the present building was constructed. It was dedicated in 1948. In 1950, a nine-room parsonage was built. An R. A. hut was added in 1952. The educational building was built in 1954 and dedicated debt-free in August, 1960. The total property is now valued at $125,000.00.

The church membership in 1871 was 64. It now stands at 311. The church has been a four-star church for a number of years. It has an excellent library as well as buildings and equipment to carry on a fully graded program of education and training.

Pastors who have gone out from the church during its history are: Rev. S. A. Hatley, Rev. Tom Hearne, and Rev. Charles Cranford. Pastors who have served the church are: B. H. Carter, B. H. Harget, J. F. Hodge, Haywood Morris, J. E. M. Davenport, W. E. Watkins, J. R. Miller, J. C. Black, J. L. Kirk, B. G. Whitley, F. W. Frye, C. B. Reid, G. C. Phillips, J. M. Smith, L. M. Peck, H. W. Stallings, S. A. Hatley, Z. W. Rotan, W. B. Holmes, Lee Hartsell, Paul Hopkins, M. W. Stallings, and Eugene E. Johns, who is the present pastor.

History of Pleasant Grove Baptist Church

Pleasant Grove Baptist Church had its beginnings in a brush arbor built on the farm of Wright Burris in the Spring of 1833. The minutes of the Pee Dee Association gives the report that Pleasant Grove of Stanly County was an active mission in 1843 and that regular services were being held in a log cabin.

In 1851, Rev. B. H. Carter, a part-time worker of the State Mission Board, conducted a revival meeting which concluded with the organization of the mission into Pleasant Grove Baptist Church. There were seven charter members but we have no record of their names. Mr. Jesse Morton and Mr. William McLester were the first deacons and Rev. B. H. Carter the first pastor.

The only record of note regarding Pleasant Grove from 1851 until 1885 is the fact that the Rocky River Association was organized at Pleasant Grove in 1865, consisting of churches in Stanly, Mecklenburg and Cabarrus Counties. When the Stanly Association was organized in 1885 at Silver Springs Baptist Church, Pleasant Grove became a member of Stanly Baptist Association.

During the 109 years of her existence the church has worshipped in a brush arbor, then some time prior to 1843 a log cabin was erected as a place of worship and served as such until 1892 when a one-room frame structure was erected as a place of worship. This frame structure served, with modifications and additions until 1950 when the present building was erected. There has been an additional Educational Building erected within the past year which brings the educational capacity up to the seating capacity of the auditorium—which is just over 500. In 1954 a pastor's home was erected near the church. This

home is a nine-room, two-bath, full basement, brick veneer structure —considered one of the finest pastoriums in Stanly County.

At the writing of these lines, the Sunday School enrollment is 495, Training Union enrollment is 151 and the total membership is 420.

The following pastors have served the Lord as pastors of Pleasant Grove: B. H. Carter, Solomon Snider, J. W. Dunn, J. W. Littleton, C. C. Foreman, L. A. Whitlock, W. G. Morton, G. O. Wilhoit, Ruben James, George Eudy, E. P. Harrington, A. H. Hill, George Hunneycutt, and A. C. Davis. These served prior to 1900. Those who have served during the last 60 years are: J. F. Davis, D. C. Morton, E. M. Brooks, C. J. Black, J. W. Fogleman, Ruben James, W. J. Russell, Floyd Fry, J. F. Gaddy, C. C. Honeycutt, then W. J. Russell again and C. C. Honeycutt again, then John Blalock, George Davis, J. Tillman Lake, F. G. Walker and Macon P. Greene.

History of Centerview Baptist Church

Centerview Baptist Church had its beginning with a revival in a boxing ring for a pulpit held by Rev. S. L. McIntyre about two miles north of Albemarle on the Salisbury Highway. As a result of this revival, Sunday School was organized and met in a wooden Tabernacle on Mrs. Emma Hahn's vacant lot. This Sunday School grew and the church was organized in 1940 by Rev. S. L. McIntyre, called as pastor with 11 charter members: Mr. Walter Shaver, Mr. Walter Spivey, Mrs. Grace Spivy, Mrs. Springer, Rev. S. L. McIntyre, Mrs. S. L. McIntyre, Mrs. Everette Watts, Mrs. Florence Watts, Mr. Clyde Teeter, and Mrs. Mabel Smith. Three lots were secured from Rev. Lee Johnson for the price of $50 and a brick veneer church was built. In 1943 class rooms were added to the front of the church.

Centerview Baptist Church grew materially and spiritually under the leadership of the following pastors: Rev. S. L. McIntyre, Rev. Lee Johnson, Rev. Julius W. Whitley, Rev. T. S. Crutchfield, Rev. J. W. Loy, Rev. Zeb Thompson, Rev. E. J. Honeycutt, and Rev. W. H. Stogner, who began his ministry here on March 6, 1960. These pastors have served faithfully through the years with the assistance of 17 deacons.

One active ordained minister has been sent out from our church— Rev. Arthur Waisner.

On February 2, 1947, the church adopted a budget system and started a building program. In 1955 the church relocated on a three-acre lot, donated by Mr. and Mrs. J. F. Talbert. The building committee and trustees gave contract to the McRaye Brothers for the construction program which was almost $40,000. The total cost of the entire building program including the furniture and other minor additions was approximately $65,000. The original church made a loan from the Albemarle Savings and Loan Association of $20,000 for a 12-year period but was paid in six years. The membership increased from 96 to 176 in six years.

During the year of 1960 a lot has been secured and a beautiful parsonage has been erected, valued at approximately $17,000.

"The Tie That Binds"

Annual Sermon of the Stanly Baptist Association

By HOYLE T. ALLRED

Scripture: Matthew 26:31-50

Introduction: You and I live in a day when men look at the Bible, read its teachings concerning the equality of the races, necessity for tithing, finding salvation in Christ, witnessing for our Lord, and then say it isn't so! Then men look again at the world and see its allures to sin and apparent delights to be found in drinking, dancing, dining, and/or other devilment such as Sabbath breaking, pleasure pursuing; then, see or hear what the Bible says about regulating these things and then say, "It isn't so!"

You can see that what is so or isn't so, according to most persons, rests largely in the mind of the individual who wants to do certain things or to refrain from doing other things—rather than resting in the eternal word of our God rightly interpreted. In other words man's standard of value is found within the human mind and in that which it wishes to justify.

Such a condition has come about because Christians have allowed their churches to become infiltrated with the doctrine of the Devil to the extent that Christian truth has been watered down to the point that few if any desire the sincere milk of the word. It's like the new pastor of a South Carolina church discovered after preaching on tobacco, liquor, gambling, dancing. "You can't preach on those things, Pastor," they said, "you might offend the people." "Then what can I preach on," the pastor asked? And the quick reply came, "The Republicans! There's not a one in the county."

We're not to create disturbance. We're told. But the immediate influence of the gospel upon society is to create disturbance. For as Carl A. Glover has so well expressed it, "Wherever the gospel enters the stream of history, it shakes people out of their inertia, stirs them out of their complacency, shatters their illusion, and attacks their prejudices," and produces a transformed society. Rather than becoming transformed, Christians have been pressured to conform and have lost their saltiness, their savor, their light and are in grave danger of losing their own souls! Why? Simply because they have not placed the higher value on things eternal and confusion has resulted. Order needs to be brought into our chaos and the only way it can be done is to believe in and live by the word of God.

Affirmation: Christianity, real religion, is a way of life and to live it one must be intensely loyal to the church of Christ, to its services, doctrines and purposes.

I. Christianity is a way of life.

The early disciples, Peter and the eleven thought that what they had was worth dying for, "Though all else forsake thee, I will not, and the others said likewise." They were willing to die, but were not willing to live and in a few short minutes all of them would deny Him in order to save their own lives!

But they learned differently at the resurrection and shortly afterwards as Christianity becomes referred to as the Way of putting it into the vernacular it becomes "The Road of Life." Paul synonomizes Christianity as "the way" and "the way" as the life of love, "I show you a more excellent way," and then the way is described as the life of love.

Christianity is not only a way. It is the only way that brings happiness and this life of love has but one tie, that of LOYALTY occasioned by the believers gratitude to Him who being rich became poor that we might be rich in him. It is a loyalty that is not optional but is the heart of Christianity. We were not coerced into becoming Christians and now that we are, it is all or nothing.

II. To live in the way, calls for intense loyalty.

It is a loyalty to Christ and to His church based on appreciation and love. It is a voluntary association together to carry out His purposes. No one makes us love Christ and His church. It is of ourselves. If we are Christians or followers of Christ we ought to love his church and become a part of a local congregation as the New Testament knows nothing of any individual Christian separated from the body of believers. A person who says, "I'm a Christian but not a church member," is like a soldier who would try to win the war all by himself. We need an association with other believers. The church provides for that need.

This loyalty to Christ and to His church is a loyal association which calls for a loyalty to the service of His church no matter who the church's current leaders may be. If we are loyal to this pastor or that pastor (I am of Paul; and I of Apollos; and I of Cephas; and I of Christ.) or to this teacher or that teacher and give our allegiance to them, we have missed the real nature of our association together—Loyalty to Christ. Regardless of persons, one who fails His church because of a present personality, fails not a personality but Christ Himself.

We are reminded of our error in thinking by this parable clipped from the bulletin of a friend:

"Behold a ball team went forth to play. Just as the umpire called, 'Batter up!' the catcher of the home team arrived and took his place. The centerfielder didn't show up at all, but he later sent his regrets and said that he had to go to a chicken dinner at Aunty Mary's. The third baseman likewise failed to come to the game, having been up the night before and desired to spend the day in bed.

"The leftfielder felt need to visit another game across town. The shortstop was present but left his glove at home. Two of the substitute fielders were away on a little week-end trip and could not make it. But they were there in spirit.

"Verily, when the pitcher went into the box, he looked around for his teammates, and lo, his heart was heavy, for their places were empty. But the game was announced and the visitors were in the stands, and there was nothing else to do but to play ball and hope for the best.

"So the pitcher tightened his belt and stepped into the box and did his best, for he had to serve as the pitcher, first baseman and third baseman. There were loud boos from the stands while the home team was beaten. It was a disgrace to the noble game of baseball.

"When the absent members of the defeated team heard that their team had lost, a decision was made to get a new pitcher.

"But WHO lost the game?"

Apply this to the church and we see that the same thing is true when we are not loyal to Christ and to His church. The power diminishes in direct proportion to its burned out members and increases in the same ratio to those burning for the master. As one has said, "It is increasingly evident that we must take our Christianity more seriously or the non-Christian world will not take it at all."

Such a tie calls for loyalty to the doctrines of the church. General Haig said to Churchill about a particular fortification held by the Germans as the allies began to attack, "Now you will see what happens when troops are no longer resolved to defend the fort." When the inner faith fails, all fails.

There are certain fundamental truths which we hold as the kind of Christians called Baptists, which, when we are no longer resolved to uphold them, will cause us to be destroyed. If we can believe and follow any other way, we ought to! It only weakens the cause of Christ through the Baptist churches to water down our beliefs. The disciples, you recall, went to sleep and the enemy of Christ came and took him. Just so, we must be vigilant! Awake! lest our opportunity to serve Christ slip from us. What are these fundamental truths?

1. The New Birth—by grace and faith and not of intellect and works with the individual responsible.
2. Competence of the individual to judge for himself on matters relating to the scriptures with the New Testament as interpreted by the believer as his final authority. But along with this privilege comes awesome responsibility of standing in the judgment for wrong interpretations.
3. Separation of church and state with congregational government and local autonomy.
4. Preserving the purity of the gospel pictures as relating to Baptism and the Lord's Supper.
5. Pastors and deacons the only scriptural officers of the church.
6. Necessity of prayer and witnessing for the advancement of the cause of Christ.

Others might be added. But these are fundamental and disclose the purposes of the church to which we must be loyal. The purpose of the church is not to serve as a supper club or civic arrangement whereby we enhance our popularity or business success as some may think. Church suppers and fellowship gatherings have their place in the church program but when we begin to think that churches exist just for fellowship and feasting, we need to remind ourselves that, "The early church prayed in the upper room and did not cook in the supper room." To be sure they ate together but there were more bended knees and broken hearts in that early church than full stomachs. And we must also remember that they were together detained by the command of God, and not to be entertained by the cunning of men.

The church is an organization commissioned by the Lord himself to assist Him in reconciling the world to God. We need to realize the supreme worth of each individual as having divine origin and divine possibilities. Realizing that "in every movement for a better world that the bottom need is for better men." All of us need to act with Christlike motives and to participate in those arrangements which give God's children their opportunities for the most abundant life.

III. Loyalty to the church means loyalty to the churches.

When we have learned loyalty to a local church as expressing the purposes of Christ in the world, we can then bind ourselves together with other churches of like faith and order. We realize that we are not in competition but cooperation.

First the local church, then the association of churches, then the state convention, southwide conventions, and through loyalty to the same person and purposes, we find ourselves in a cooperative program of missions through which we can witness to the world. And through it all, we are independent, yet interdependent as we live, love and lift the world to God.

Conclusion: Some time ago at one of our State meetings, the speaker told a story concerning a little drummer boy in Napoleon's army. The spirit of the lad is needed in every Christian today. It seems that the little fellow was so good that he was summoned to beat and roll his drum before the emperor himself. Having beat the march, call to quarters and all else that he knew, he stood awaiting the next command to the great Napoleon. "Now, lad," he said, "beat retreat." And the boy won the undying admiration of his ruler when he drew himself to his full height and said, "Sir, I'm of Napoleon's army. We never sound retreat!"

With such a spirit in every Christian, it will be said of us as of Gideon's hosts, "When every man stood in his place 'round about the camp, God gave them victory."

Now let me ask the question of you that Jesus asked of Judas in the hour of betrayal. "Friend, wherefore art thou come?"

The Preamble of the Constitution of the Stanly Baptist Association

We, the people of Stanly Baptist Association of Stanly County, North Carolina, hereby declare that the association shall have no power to infringe upon the sovereignty of the rights of the member churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation. For these reasons we do hereby ordain and establish the Constitution.

Constitution of the Stanly Baptist Association

Article I. This body shall be known as the Stanly Baptist Association.

Article II. It shall be composed of messengers elected by the churches connection with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof and one for each additional fifty members. It shall be the duty of the churches to appoint as messengers, as far as practicable, their most capable members and to require their attendance. No courtesy seat shall be extended to any person or persons.

Article III. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom through cooperation with the North Carolina Baptist Convention and the Southern Baptist Convention.

Executive Committee Report

ED HOLBERT, Vice Moderator

The Executive Committee in regular stipulated meetings handled the following business matters which we now pass along to you for your information.

1. Approved $50 being allocated to the music program of the Association. This amount was to be taken from the fund labeled "Miscellaneous."

2. Approved the moving of the Associational Secretary's office from the building of James Clothing Store to the Austin Building. The cost of the new office space was $35 per month including heating and electricity.

3. Adopted the LONG RANGE PROGRAM of the Baptist State Convention. Next year, or the year 1962 will be the time for, (a) Survey Emphasis, (b) Vacation Bible School and Assemblies, and (c) Sunday School Emphasis.

4. Approved BSU work on the campus of Pfeiffer College. No Associational funds were so designated for this year. Instead, the churches were to be approached individually in the raising of a $415 budget. There are 162 resident Baptist students at Pfeiffer for 1961-62.

5. Approval of microfilming the minutes of the Association for past years in order to preserve adequately our history. An individual volunteered to pay for this work when it is completed.

6. Approved an expenditure of up to $500 of the 1960-61 surplus, provided it is still available around January 1, 1962, for the purchase of a new memograph machine.

7. We had an opportunity to purchase the Badin Club property, for use as Associational Headquarters and conference assembly for various Baptist groups within our association, however, since it was considerably above our financial means, the idea was dismissed.

Report of Promotional Secretary

J. CLIFTON DUNEVANT

As I review the work of our Association during the past year, I am grateful for the leadership of every department of our work; and as their reports will show, our work has gone well. I am sure we are all aware that more could have been done; and if it could have been done for the glory of God, it should have been done. With conviction, let us pledge to God and each other to do a better service to Him in the coming year.

During this year I have tried to make myself available for any service I could render in the churches. I have been in every church, provided mimeographed sheets for V.B.S. (over 5,000) to all the churches requesting them. We have published an Associational Bulletin each month except July—a total of 7,647 during the year. Hundreds of mimeographed cards and letters as well as many personal letters were mailed. I have attended at least 173 meetings and have spoken or preached to some group 138 times.

—Helped in V.B.S. in three of our churches and with a group of talented and devoted helpers a V.B.S. (mission) was held at Kingville again this year . . . Churches donated books.

—Attended Associational Missionaries Conferences at Ridgecrest and N. C. Baptist Assembly; and a three day Workshop in Concord.

—Attended 3 Statewide Conventions.

—Attended 6 Regional Meetings . . . and others.
I have worked with our clerk in compiling this Book of Reports.

Report of the North Carolina Baptist Hospital

LEONARD HENDRIX

Our hospital program at Winston-Salem, like most phases of our Baptist work, has been criticized. Some of the criticism is perhaps justifiable, but the good done is far greater than the faults subject to just criticism. We would do well to major on the good that is done and have less criticism. Bring to the forefront the cases of cured and satisfactorily treated patients, rather than the disgruntled cases of a critical nature.

While serving as your hospital representative I learned much about our hospital work. I had the privilege of attending the dedication service of the progressive care center and spending the night in the room dedicated to Stanly Association. As you gave to the hospital through your church on last Mother's Day, I was a patient in the Baptist Hospital at Winston-Salem. Prior to being admitted to the hospital, I visited the out-patient clinic several times. As I sat in the waiting room, watching the people come and go, I thought of the crowds who sought healing at the Master's hands while He was on earth in the image of man. Jesus said "Heal the sick, cleanse the lepers, raise the dead, cast out devils, freely you have received, freely give." You and I can not cast out devils, nor can we raise the dead, but we can give money on Mother's Day that the sick may be healed.

I wish to thank each pastor, church, group captain and our promotional secretary for their splendid cooperation during the past church year.

Report on North Carolina Baptist Children's Homes, Inc.

W. S. CANNON

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty-five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 Per Cent
Cooperative Program	32 Per Cent
Once a Month Offering	18 Per Cent
Special Gifts and Endowment	17 Per Cent

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to become a reality!

North Carolina Baptist Homes For The Aging

CARL PAGE

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their Homes—Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This, our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of $275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. Twenty-six new residents have

been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 17% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greater blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

Pray, visit, and continue the same splendid support in the future that you have so graciously given in the past. Remember that the Homes cannot go on without the love, the fellowship, and the help of every North Carolina Baptist.

Annuity Board Report

JOHN B. MORRIS

The Relief and Annuity Board no longer exists—name-wise that is. The official name is now ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION. Total membership in the Board's plans stood at 22,578 on January 1, 1961. On April 1, 1961, six states had enrolled more than 70 per cent of their churches and pastors in the protection program. Benefits amounting to $2,745,613.60 were paid to more than 5,200 retired and disabled ministers and denominational workers or widows during 1960. A little more than 4,200 of these were beneficiaries of one of the Board's retirement plans, and the rest were on the relief rolls. Four hundred forty-six were new annuitants, added in 1960. Since the Board's beginning in 1918, it has paid out benefits totaling, $34,425,100.55.

The continued increases in new members in the Board's protection program in recent years can definitely be attributed to the work of education and promotion being carried on by the fifteen field representatives serving 22 states. Our N. C. representative, Rev. R. T. Greene, has offices in the Baptist Building in Raleigh and is available for help to all our churches and associations. The July 1961 report showed that 26 of our 47 churches in Stanly Association are participating in a plan for their pastors. We hope these will move to full support of the plan and the other 21 will join them . . . the church paying 10% of the pastor's salary and the Convention 5%.

Morals — Temperance — Good Government

C. EUGENE CARROLL

Even the casual observer can easily see that public morals are getting worse and worse. As Christians, we should see the great need of our day is for personal purity in our lives.

We Americans have become an intemperate people. The moral fiber of our civilization is breaking down because of the desire to satisfy the lusts of the flesh. There is a continuous surge of evil forces in our country today seeking to break down sacred and holy institutions. Continuous attacks are being made upon the Christian Sabbath, the churches, and the homes of our nation; so the basic problem of human society is moral and spiritual illness.

Anything that tends to loosen the foundation of national morality must be regarded as a foe of constitutional democracy. Alcohol def-

initely is a demoralizing agent. We cannot afford to be indifferent to an evil that breeds mass immorality, wars against physical health, befuddles the mind, and deadens the moral sensibilities.

Evils in government, international, national, or local, are not taken lightly. At the world level today, there is no peace. The nations of the earth are frantically racing in their preparations for a third world war which may bring the final destruction of our present civilization.

How can these evils be corrected? Legislation? Education? Medicine? Social Work? Yes, but Christianity is still the best plan in ridding the world of these problems. Our task is to proclaim the Gospel of Jesus Christ so that the power of God may operate in the lives of men.

Report on Christian Education

ROBERT Y. HALFORD

The year just passed has brought more focused attention to the matter of Christian Education than the people of Stnly Association and North Carolina have experienced in many years. Our minds became provoked to serious thought with the proposal advanced in the State Convention of last November—that we designate and provide the amount of forty-five million dollars for our colleges in the state within the next ten years. This would have indeed been a challenge to every Baptist of North Carolina had it been approved, or a substitute, which would have assured us of a more progressive future for our colleges than the plan which was accepted.

The matter of four and one-half millions is not just passing conversation for the Baptists of North Carolina. For within this amount may lie many determining factors relating to the steps which our colleges will take in the next three years, which will directly affect our own young people who are presently engaged in taking advantage of what we are offering through our colleges. For this reason, if no other, we should accept the decision of the Special Convention as if it were completely our own, and seek to do all that we can under the present plan for our own youth. The future of North Carolina Baptists is directly proportionate to that which we invest now in Christian Education.

Annual Report on Evangelism

GEORGE W. HUGGINS

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people—hopeless because they do not know Christ—grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these people live in the territory of our association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

To move forward we must start from where we are. Our Association is the best launching place for new frontiers in evangelism and missions.

Therefore, we recommend:

1. That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our association and convention, continuously praying that God may work in us and through us to bring the revival we need.

2. That our association participate in the "Baptist Jubilee Revivals" in 1962 through 1964. Our dates as follows:

1962 March 11-25
1963 March 10-24
1964 March 8-22

3. That each church prayerfully and studiously consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week by week evangelism be placed upon personal soul-winning.

4. That our association have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism. The date for our next Clinic is January 9, 1962.

5. That our association recognize the associational Executive committee's committee on evangelism as the evangelism committee, the Chairman of Evangelism to be Chairman of this committee, and that we pledge our wholehearted cooperation to this committee.

6. That our association encourage the Chairman of Evangelism to attend Ridgecrest for the annual conference on Evangelism during Home Mission week. And to pay his expense if funds are available at that time.

Report of Interracial Relations Committee

MACON P. GREENE

The General Board of the North Carolina Baptist State Convention launched the Department of Interracial Cooperation on April 1, 1957.

The Department of Interracial Cooperation is a joint effort by the Baptist State Convention, the General Baptist Convention of North Carolina (Negro) and the Home Mission Board of the Southern Baptist Convention.

As of now this Department has a State Secretary, Mr. W. R. Grigg, and four other full time workers. One who teaches Philosophy and Religion at Shaw University in Raleigh and three Directors of Missions and Promotion in Winston-Salem, Charlotte and Elizabeth City Areas.

The program of work has been concerned primarily with the needs of the local church and its organizations. There have been Extension Schools for in-service pastors and lay leaders, Training Institutes on the local and Associational levels, Conferences and Clinics on Evangelism, Stewardship and Vacation Bible Schools. Other efforts include Pastors' and Deacons' Schools, Interracial Retreats and Baptist Student Unions on College Campuses.

In Stanly our Interracial Cooperation has been limited to the field of Vacation Bible Schools in the Kingville community. Perhaps we should have done more, but it seems that we have either missed other opportunities or else they did not exist.

Certainly we do not know what the future holds, but it seems that one great cry of our time is, a better and more Christlike understanding among the races of men. Let us be sure, as we face the days ahead, that we are clothed in the Garments of Righteousness and filled with the Spirit of Jesus Christ, for it is only in this way that we can please Him or do His Will.

Sunday School Report

T. L. CASHWELL, JR.

Your Associational Sunday School Department offers the following report:

In Retrospect:

Two significant events highlighted the Sunday School activities during 1960-61. During the week of March 20-24, a Central Training School was conducted for the churches in Stanly Baptist Association at First Baptist Church, Albemarle. Twelve different courses were offered for the Junior through Adult ages. A total of 248 were enrolled in the classes and these represented 24 churches. A total of 139 awards were requested and received as a result of the Central Training School.

Since the Sunday School Department sponsors the Vacation Bible School program, it is reported here that every church but one in the Association reported a Vacation Bible School last summer. As in years past, a mission school was also conducted in Kingville.

In Prospect:

As a challenge for the year 1961-62, your Associational Sunday School Department offers the following program:

1) That January Bible Study Week be observed in each church at a convenient time during January and that the book *Studies in Jeremiah* be taught.

2) That consideration be given by each church to active participation in the Community and Church Survey which will be promoted during the week of February 16-23, 1962.

3) That each church will conduct a Vacation Bible School in 1962.

4) That participation in the Community Survey in February be a prelude to each church's participation in the Pastor-Led Sunday School Enlargement Campaign scheduled to be conducted in Stanly Baptist Association during the week of September 16-21, 1962.

Under the enthusiastic and energetic leadership of officers elected for the new year, your Associational Sunday School Department should realize its best year during 1961-62.

Baptist Training Union Report

REV. LEROY CALDER, *Director*

There is a great joy in our heart to report to the Stanly Baptist Association that our Training Union for the Association has been STANDARD for the second year. It has been such a wonderful privilege to serve as Director with such a fine group of workers who have labored to make our Training Union Department one of the best in our state.

Again it has been the privilege of several of our workers to be called upon to work as leaders in the state Assemblies. Those serving this year have been Rev. Hoyle Allred, and Rev. Leroy Calder as junior pastors and Rev. Melvin Curlee as Intermediate teacher, Mrs. Hoyle Allred and Mrs. Leroy Calder Junior leaders and Mrs. Jason Lee with the Beginners. These workers received the hearty approval of Miss Katy Ruth Grayson and Mr. Jimmie Morgan, our state leaders.

Our Baptist Training Union Department has been Standard. To begin the work; Rev. Calder, Dunevant and Bob Halford taught the

Training Union Manual at the first executive meeting of the Association B.T.U. With the foundation laid, good work and service could follow. "M" night was one of the greatest for we had 720 present. Youth Night and Tournament Nights were great successes.

Again may we make this appeal to you: We urge all churches to have study course periods to train the people for leadership; also we beg the churches which have no Training Unions to speak to Rev. Calder or Dunevant and we shall be happy to help you.

Walk with us in the service of our Master. The future can be only as bright as your faith and trust in God.

Brotherhood Report

DON CARRICK *President*

It appears that everyday nations grow nearer and near to the brink of war. This being due to the lack of understanding and brotherly love. The ever increasing need for this understanding makes the role of brotherhood a paramount need in our lives today.

During the past year we have enjoyed a Christian fellowship with our brothers throughout the Stanly Baptist Association.

Last November, Judge Walter Crissman, State Brotherhood President, was our guest speaker. This meeting was followed by an associational brotherhood workshop.

In April, Rev. Halford of the First Baptist Church of Albemarle presented a very inspiring and informative message on work with our Royal Ambassadors.

During July, Max Rice of Belton, S. C., presented our program on Christian Witnessing.

Two new brotherhoods were formed this past year. Bethlehem, under the leadership of Rev. Fred Hopkins, and their president, Craig Smith. Poplin's Grove, Rev. Cecil Smith, pastor and Burney Jones, president.

At the present time, 30 churches have organized brotherhoods with this association, with a membership of 813 men.

The Royal Ambassadors, under the capable leadership of Sammy Morris of Calvary, had a very successful year. Twenty-two churches support R. A. work with 372 boys enrolled.

The nominating committee composed of John Whitley (Chairman), E. H. Morton, Jr., Clifford Burris, Carl Luther and Dwight Wallar did an outstanding job in securing the new slate of Brotherhood officers for 1961-1962:

Marvin Stallings, President
Mitchell Carter, Vice President
Earl Hagans, Secretary
Royal Ambassador Leader, Sammy Morris
Christian Witness Leader, Carl Page
Personal Stewardship Leader, Clarence Pickler
World Mission's Leader, Lloyd Pickler
Advisory Committee: Rev. Thomas Barnes, J. W. Loy and Clarence Pickler

Serving as the Associational Brotherhood President this past year has been the greatest honor ever bestowed upon me. The Christian men I have had the privilege to meet and work with has been the greatest Christian experience any layman could ever know.

May God grant the new officers a working knowledge, that they may utilize their God given talents to their best for the on-going of His Kingdom.

W. M. U. Report

MRS. L. J. McNEILL

We the members of the Woman's Missionary Union are making every effort to dedicate ourselves to the task of a world-wide Missionary movement. We are seeking to develop an appreciation for all people and a deep concern for those who are lost without Christ through missionary programs and continuous reading of Mission books. During this year, 1,158 mission books, giving the story of our mission fields and their needs, have been read. There were 93 study groups of mission books conducted in our churches.

Prayer is the mightiest force in the world. Prayer and missions cannot be separated. It is by communion and fellowship with God that men come to know and to do his work. We have 30 churches who have used the calendar of prayer, praying daily for our missionaries. Ten of our churches have intercessary prayer leagues, entering into God's plan of world evangelism. In 33 of our churches, a week of Prayer was observed for Foreign Missions, while 25 observed a week of prayer for Home Missions.

We Southern Baptist believe in the power of the gospel to change lives. Our Foreign Mission Board hopes to appoint 160 new missionaries during this year. If these goals are reached there must be an increase in our mission offerings. The goal for our Lottie Moon Christmas offering is for a 14% increase over last year. We have 2,022 women and young people giving through the cooperative program. There are 876 tithers in our Stanly W.M.U. Yet, we are not satisfied with this number. During the last quarter of this year through the study of the book, *Christian Sharing of Possessions,* we are making every effort to enlist new tithers and to enlarge our offering so that we may have a part in helping the mission board reach its goal in this hour in our history.

We have endeavored to make Christian Witnessing a vital factor in our work. Recognizing that a Christian has responsibilities for ministering to the needs of his fellow Christian, our societies have made monthly visits to our Albemarle Baptist Rest Home and to the Stanly Rest Home sharing Christian fellowship with each member. In each church community there have been sustained plans of community missions meeting the spiritual needs in the community.

From the beginning, W.M.U. has had, at its center the training of in all of our churches that sponsor W.M.U. work. Our Y.W.A.'s have in all of our churches that sponser W.M.U. work. Dur Y.W.A.'s have 23 organizations. The G.A.'s have more than 62 different groups, being divided into Juniors and Intermediates, while our Sunbeams have 53 groups. Our leaders have lead in a splendid way. They have observed Focus Week in each instance with a banquet or a rally. They are truly educating youth in missions. We feel that this is probably the greatest W.M.U. work. Many of our youths are led during these years by their leaders to dedicate themselves to full time Christian work.

Jesus demonstrated the necessity of training leaders. Our associational leaders in many instances have taken advantage of leadership training at Ridgecrest and Caswell. Others have attended workshops provided for the different organizations. In our own county, classes in leadership have been conducted in many local churches. This provides more efficient leadership.

We must recognize that regardless of our many efforts and with 2,848 women and young people in our organization, there are many un-

enlisted in our churches. Think what it would mean to the promotion of Christian Missions if all of the women and young people of our Stanly Baptist Association were enlisted. May I challenge you women who are not members and you pastors whose churches do not have W.M.U. organizations to join us in using your time, your talents, and your money so that His work may go forward around the world.

We express our appreciation throughout the association for the capable and inspiring leadership of Mrs. Hoyle Allred, who has served so ably as President of our W.M.U. for two years. She is now our Mission Study Chairman for the State W.M.U. To the faithful and worthy officers who served with her we express our gratitude.

I am anticipating with great joy the privilege of working with the new group of officers and with the women of our Stanly W.M.U. It is my desire to visit in as many of your churches as possible and to be of any service that I can. Through our cooperation and combined efforts, Jesus Shall Reign. May our purpose in this year be, "That the way may be known upon earth, thy salvation among all nations."

Report on Christian Literature

TROY M. SHERRIN

Have you ever stopped to think that God chose to use "writings" as His means of self-revelation to the world? He made known His nature and will to men through writing. Where would the world be today were it not for the divinely-written revelation, the Bible? Since God Himself saw fit to use literature to reveal His will, as Christians we obviously have a plan to follow. In 1961, this principle still holds true as we think of all the fine Christian literature being written.

Baptist literature is the best for Baptist believers. When we think of Baptist literature, we think of the *Biblical Recorder*, our own paper which is published weekly with complete coverage of all Baptist news.

Circulation which is the highest in history continues to rise. At the present time it is more than 78,000, up more than 10,000 over a year ago. The goal for 1964 is 100,000 and the help of every church is needed to reach this goal.

The Every Family Plan is the best and simplest. Nearly 500 churches, in the state, testify to the value of sending the *Recorder* to every resident family at the cost of a four cent stamp each week. It doesn't cost, it pays. As a starter, your church may want to get four or more people to take the *Recorder*, thus qualifying for the Club Plan before going to the Every Family Plan.

Nowhere else will you be able to get so much for so little. Try the *Recorder* this coming year and see for yourself the blessings you will receive from it each week.

The American Bible Society

J. W. LOY, JR.

The American Bible Society is one of the fine agencies supported by the Southern Baptist Convention which has as its main objective getting the Word in the hands of the peoples of the world.

During 1960 the Society rejoiced that some part of the Bible has been published in 1,165 languages; the full Bible in 221, a Testament in 277 and a Gospel or other complete book in 667 more. More than

a million Scripture Volumes were given to our Armed Forces and Veterans' Hospitals.

The Society observed its 125th Anniversary of supplying Scriptures for the Blind. It also enlarged the ministry of the Finger-Fone, a phonograph operated by one finger, with Bible records in the languages needed. This is most helpful for people who are unable to read. Records are now available in 30 languages and others are being prepared.

The American Bible Society helped the Korean Bible Society to realize their long-sought goal of distributing more than a million Scripture Volumes in a single year.

During 1960 the Society distributed throughout the world a record total of over 23 million volumes of scriptures. This was over 5 million more than the number of volumes distributed in 1959 and over 8 million more than the 15 million volumes per year average for the past nine years.

May each church in our Association realize the challenge of the great Commission, and therefore contribute to this most worthy cause.

Report on State Missions

MRS. J. F. ERVIN

When we talk about State Missions we are speaking of a varied ministry which includes more than 30 phases of the State Mission Program.

The purpose of the State Mission effort is to reach people who need help. To do this there are programs, plans and procedures. Let us consider only a few of these at this time.

An important phase of the State Mission Program is the balanced approach to evangelism. Mass evangelism and personal evangelism is strongly emphasized through associational and state-wide conferences.

North Carolina has moved forward in the 30,000 movement in establishing new churches and missions. Since 1956 161 new churches and 220 missions have been established. Shifting population and growth indicate a present need for at least 601 more churches and missions.

Sunday school work is a vital part of our State Mission Program. The endless task of reaching, teaching, winning, and developing people in discipleship and Bible study is the main line of activity that is included in the Sunday school work. A new venture was launched last year. Local churches and the associations set out to provide Vacation Bible Schools for children of military personnel living in trailer parks in the Ft. Bragg area. Seven schools were held with an average daily attendance of about 400! A large percentage of the pupils and parents were unchurched but as a result of these schools 27 accepted Christ and two permanent Mission Sunday Schools have been established. The field in this work is indeed white unto harvest.

As we zealously strive to strengthen the evangelistic program we should have equal zeal for developing those we win. Presently we are developing about one-third of them. The Training Union offers an opportunity for personal and spiritual development.

The church music department provides aid in planning and promoting a program of church music education in the churches through the associational organizations.

There are dedicated, theologically trained Baptist Student Union

Directors serving on 15 college campuses in North Carolina. Nine additional workers are needed.

Nearly one-fourth of the state's 4,000,000 plus people are Baptists and make up approximately one-half of the state's church membership. Our mission effort within the boundries of our state must come nearer equaling the numerical superiority that we have as the state's largest religious body.

May we then, as Baptists in North Carolina, determine to increase our efforts as we pray more and give more to undergird the State Mission Program thus reach more people who need our help. For we are reminded that "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Home Missions Report

MRS. HENRY W. GAMBLE

The Executive Secretary of our Home Mission Board, Dr. Courts Redford, said, "The Lord expects every Christian to be a soul-winner."

Southern Baptists have gone forward by an emphasis on more converts, more churches and more effective witnessing. They have averaged two new churches per day for the last six years. During this period they have averaged 1,100 baptisms per day and have given $8,500,000 per week for the Lord's work.

Evangelism is the heart of our total mission program. The Home Mission Board is co-operating in the new state of Hawaii in the field of evangelism and will soon undertake to co-operate in an associational missions program.

There are now three Southern Baptist churches in Puerto Rico that are affiliated with the Florida State Convention.

Language work has been started in the Great Lakes area and in New York and the Northeast Association. The Board will increase such ministries in these areas and will give added support in the construction of buildings and in the support of missionaries.

Through the Jubilee Program of Evangelism that is to be promoted through 1963, 4,000 new missions and churches will be established by the end of 1961 if goals set by state leaders are reached. In the first six months of this year an attempt has been made to start 1,500 new Sunday schools. The following figures are given in the latest progress report from Dr. C. C. Warren, who is head of the 30,000 movement: New churches organized since 1959, 4,175; New missions established (since 1959), 8,621. North Carolina reports 153 new churches and 246 new missions.

The work of the Division of Evangelism now includes all 48 states on the continent and Hawaii, Alaska, Cuba, Panama and Jamaica. The Division of Evangelism is now implementing the various suggestions which were made by the Survey Committee and adopted by the Home Mission Board.

It is not known what the future may hold for Baptist work in the homeland, but Southern Baptists can rejoice in the progress that has been made in all phases of the work during the past year.

Foreign Mission Report

With the appointment of 137 new missionaries in 1960, a new peak of missionary expansion was reached. At the beginning of this year there were 1,480 missionaries under appointment for service in 45 countries.

The objective of the Foreign Mission Board is to have 2,000 missionaries under appointment by 1964. The objective for 1961 is to appoint 160 new missionaries.

With this increase also comes the need for enlarging the operating budget. The budget will need to be expanded $700,000 for 1962; and increasing the program of work will call for an additional $400,000.

In financing the work of foreign missions, there are three main divisions of responsibility. First, missionaries must be sent and supported. Second, funds must be provided to cultivate developing programs of work. Third, there must be resources available for capital expenditures.

The missions make request to the Foreign Mission Board for finances to undertake the projects that are considered to be the most urgent. Each year these requests usually exceed available funds by a minimum of $3,000,000.

The urgency of the mission task across the world increases each day. Advance in missionary personnel and advance in financial reinforcement must proceed in parallel lines. Not only should we bring to this enterprise our resources in terms of lives and money, but increasing spiritual power through prayer and faith.

The Foreign Mission Board looks to the Cooperative Program and the Lottie Moon Christmas offering for financial resources for this world-wide labor.

History of Stanfield Baptist Church

Stanfield Baptist Church was organized on October the 12th, 1924. It had its beginning in the Stanfield Presbyterian Church, about two blocks from where the present building now stands. It was organized under the leadership of Rev. W. J. Russell, and he was called as its first pastor.

This organization consisted of 27 charter members, and the first Board of Deacons were H. R. Connell, J. F. Braswell, Grady C. Green and Jack Long.

They continued to worship here for almost two years until the present sight was purchased in the fall of 1926 and the brick veneer building was erected on it. This consisted of a sanctuary seating 250 people, along with four Sunday school rooms.

In 1949 a seven room pastorium was built on the church property. This building is of wood and asphalt.

In 1957 the church was remodeled, the sanctuary was enlarged and eight Sunday school rooms along with a choir loft and Baptistry were added to the church ,also a full basement under the new addition. The total property is now valued at $35,000.00.

The church membership in 1926 was 28 and it now stands at 112. The present Sunday school enrolment is 160 and the B.T.U. is 44.

Pastors who have served the church are: W. J. Russell, E. M. Brooks, A. A. Hathcock, Ray Smith, M. L. Ross, W. B. Holmes, Shellie Caudle, W. E. Hill, Lee Hartsell, C. L. Taylor, Hoyle Low, and J. H. Connell, who is our present pastor.

History of Lake View Baptist Church

Lake View Baptist Church had its beginning as a mission in 1953. The mission was located just off the Concord Highway near the City Lake in a small block building. In 1954 the mission voted to buy the old Calvary church building, located on the Pennington Road. The fall of 1956 the mission was organized into a church under the watch care of West Albemarle Baptist Church.

There were some 40 charter members, the membership is now 183.

The church has purchased seven lots adjoining the church property. There has been built a beautiful eight room parsonage valued at $15,000.

Lake View Baptist Church has grown materially and spiritually under the leadership of the following pastors: Rev. P. J. James, Rev. J. E. Kirk, Rev. B. M. Tennery, Rev. David Griffin, Rev. N. R. Black.

The church has had the privilege to license one for the ministry, Curtis Smith.

History of West Oakboro Baptist Church

The church was organized in 1926 by Rev. S. L. "Sonny" McIntyre. Prior to this the first services were held about one hundred yards from the present location of the church. These were outdoor services using "slab" seats and were held each Sunday afternoon. Then a wooden tabernacle, with a dirt floor was built and used. The first church building was erected in 1925 and in 1926 the church was organized. There were seven or eight charter members. The Rev. S.

L. McIntyre was called as the first pastor and served until 1931. Pastors since that time have been:

Rev. R. C. Arrowood
Rev. D. P. Morris
Rev. R. F. Bass
Rev. T. S. Harris
Rev. H. M. Howard
Rev. S. L. McIntyre
Rev. C. L. Pickler
Rev. John Blalock
Rev. C. C. Honeycutt
Rev. Arlie Starnes
Rev. Roy O. Overcash
Rev. Ney Poplin
Rev. W. H. Stogner

Rev. Paul Gales, who is the pastor at present has been pastor since March 1960. During the first year the present pastor led the church to erect a beautiful church with rooms underneath the auditorium. By being a carpenter, brick-layer, buyer, etc., as well as pastor, he supervised and did the building at a tremendous saving to the church. Free labor was given by the members.

The value of the church property is $50,000 and the building is now complete except for some minor things. The church membership is 178 and the Sunday School attendance is around 100.

Dedication Of Minutes

This Year's Minutes are dedicated to the Memory of Mrs. O. H. Bolch, wife of the Reverend O. H. Bolch, Pastor of Canton Baptist Church.

Mrs. Bolch's life was as beautiful as the music she played and taught. The Association and Canton Church lost an outstanding woman in the Home-going of Mrs. Bolch. Her life blessed all who knew her. She was one of the few women whom all the Beatitudes seems to fully describe. The 1962 Minutes are dedicated to the memory of this one that is greatly missed.

The Preamble of the Constitution of the Stanly Baptist Association

We, the people of Stanly Baptist Association of Stanly County, North Carolina, hereby declare that the association shall have no power to infringe upon the sovereignty of the rights of the member churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation. For these reasons we do hereby ordain and establish the Constitution.

If Southern Baptists would tithe, there could be 85,000 missionaries on the fields. The lack of prayers hampers the mission work. Atmospheres need to be created in the churches where young people can hear the call to mission fields. Southern Baptists on their knees upholding missions could do with the few what was done with the loaves of fishes. He closed with these words, "Go ye Southern Baptist. If we fail, God will use someone else."

History of Kendalls Baptist Church

Kendalls is the oldest Baptist Church in Stanly County. History records show that preaching services were held by Baptist preachers in the Kendalls community as early as 1805.

A regular preaching point was established in Kendalls community by the Rocky River Baptist Church of Anson County in 1823. It was known as the Kendalls Meeting House.

On May 30, 1830 the Kendalls Baptist Church was organized. Even as late as 1855 a camp ground and arbor was maintained as a meeting house.

In the 1890's the Sunday school began on a regular twelve-months schedule. Until this time, because of severe winters and poor traveling conditions, Sunday school was held only during the summer months.

The present auditorium was erected and the Woman's Missionary Society was organized in 1905.

In 1928 an outdoor baptistry was built on the northwest slope of the hill on which the church stands.

The Baptist Young People's Union (BYPU) was organized in 1930. In 1932 Sunday school rooms were added to the rear of the auditorium. During the following years new pews were added, a hot-air furnace replaced the wood stoves, a carpet and new piano were added and the Sunday school was reorganized.

In 1952 a two-story brick parsonage, which has nine rooms, a basement and two baths, was built. The fellowship building was built in 1955. The present auditorium was remodeled and an indoor baptistry was installed in 1957.

In 1960 a hot-air furnace was installed in the fellowship building. A breeze-way and double-garage were added to the parsonage.

In 1962 a new educational building was completed. It contains department and classrooms for Nursery through Intermediate ages, a

kitchenette, three rest rooms, a church office and a pastor's study. It is fully air-conditioned and has a modern heating system. The cost of the building and furnishings was $25,000.00.

Two members of the church have entered the ministry: Clarence and Maxwell Pickler.

Thirty-three pastors have served during the one hundred and thirty-two years, including the present pastor, C. Eugene Carroll, who has served since August 23, 1959.

Kendalls is the Mother Church of: Ebenezer (now Badin First), Pleasant Grove, Rocky River Springs (now Silver Springs), Prospect, New London, Plyler, Grace, Richfield Baptist Churches, and perhaps others.

History of First Baptist Church, Albemarle, N. C.

First Baptist Church was constituted in April, 1888, with nine charter members. Seven of those nine are listed in records as: J. M. Bennett, Pastor, J. R. Burris, Clerk, Elizabeth Austin, Noah Pennington, Josephine Pennington, David R. Seago and wife, Hannah.

The Church was received into the Stanly Baptist Association in 1889.

The first building, a frame structure, was erected in 1891 at the southwest corner of East North and North Third Streets.

The Rev. J. M. Bennett was the first pastor, employed quarter time.

The Church has reported a Sunday School since 1892.

The present sanctuary was erected in 1916 and was dedicated in 1937.

Dr. Q. C. Davis was pastor when the present sanctuary was completed.

The land on which the Educational Building is erected was purchased on March 27, 1950, for $18,500.00. Rev. J. Boyce Brooks was pastor.

Construction of the Educational Building was begun in 1951 and it was occupied in January 1952.

Present membership exceeds 900.

On the Fourth Sunday afternoon, September 25th, 1921, a large crowd headed by Pastor Q. C. Davis, and all the Deacons of the First Baptist Church, met Rev. John S. Harris who had been conducting a revival in Almond's Hall for the organization of Grace Baptist Church. Brother Davis was elected Moderator and J. B. Copple, Clerk.

After proceeding with the organization of Grace Baptist Church which was duly constituted into a cooperative church, the reception of new members was called for, and the following came as charter members: Charlie Morgan, Billy Huneycutt, L. F. Russell, R. W. Teeter, D. W. Snider, M. D. Dennis, John I. Cook, and sisters Irene Morgan, Algie Howard, Lola Garner, N. M. Henderson, Shellie Atkinson, Mattie Huneycutt, Zora

Russell, Maggie Ruth Snider, Bertha Mauldin, Ella Chandler, Nellie Frye, Verdie Russell, Sophia Teeter, and R. A. Huneycutt.

Grace Church worshipped for the first few months in Almond's Hall. Then the old church building of Salem M. E. Church on Concord Road was purchased, and the materials from it used to construct a building on the present site donated by Wiscassett Mills Company. This one room building was used and added to, as the need became evident until the present Educational Building was erected under the ministry of Rev. Floyd Helms. This building was completed and dedicated on April 20, 1952. The old building was torn down, and the worship services and Sunday School were held in the Educational Building. The growth of the church was evident, so more space was needed. During August 1956 the present Sanctuary was started under the ministry of the present pastor, Rev. C. R. Hinton, and the first service was held in the new Sanctuary on the first Sunday of September 1957.

The first pastor's home was furnished by the Wiscassett Mills Company until the present parsonage was built in 1948 during the pastorate of Rev. J. A. Seymour.

Grace Church joined the Stanly Association in 1921 with a church membership of 38, Sunday School enrollment of 162, and $110.00 in contributions for the year. During the last 41 years of the church's existence the membership has increased to 659, Sunday School enrollment 562, Training Union enrollment 103, Brotherhood enrollment 117, W.M.U. enrollment 103, and Vacation Bible School enrollment 168. In these 41 years the contribution has increased from $110.00 to the past year's contributions of $38,228.50.

The church has been served by the following pastors:

Revs. John S. Harris	1921-23	S. T. Morris	1940-41
B. G. Whitley	1924-26	J. A. Seymour	1942-50

Report of Promotional Secretary

J. CLIFTON DUNEVANT

During the past year there have been many opportunities for service for which I am grateful to you and especially to our pastors who have been gracious in so many ways. I am sure there are some things I have failed to record, but my records show I have attended 178 meetings of some type in the Association and either preached, taught, presided or spoken in some manner at 122 of these. Also, services have been conducted at the Baptist Home several times and 12 radio programs on local stations.

We prepared and distributed 4,500 mimeographed sheets for Vacation Bible School use in our Churches; worked in one V.B.S.; and with materials and helpers from the churches, we had a successful V.B.S. again this year at the Kingville (Negro) Baptist Church.

Bulletins were published each month except February and September—a total of 7,398. We promoted the Community Survey in February and the Sunday School Enlargement Campaign in September. Numerous cards and letters were mailed from the office and both individual and group conferences have increased in number this year.

In addition to the above, I have attended the following:

—Associational Missionaries Conference and Workshops at Mars Hill College, Ridgecrest, and High Point.
—6 Statewide Conventions, Conferences or Clinics.
—6 Regional Meetings.

It has been a joy to serve you and with you. My regrets concern the things I have not been able to do; my hope is to be a better servant in the year ahead.

Report of Baptist Hospital

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Last year the already overcrowded clinics of this department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. *We must remember that the help given is limited by the Mother's Day gifts of our churches.*

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and Associational Missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

Respectfully submited,
Melvyn Curlee
Hospital Representative

Report on the North Carolina Baptist Children's Home, Inc.

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. *NO* task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these—leaving 476 for whom no room was available. Provision should be made immediately to expand greatly

our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering. The Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an *increase* of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

Financial support this year has come from the following sources:

Cooperative Program	33 per cent
Thanksgiving Offering	30 per cent
Once-a-Month Offering	16 per cent
All Other	21 per cent

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible;—you have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

Charity and Children, now 75 years old, continues to inform readers of our child care ministry and other denominational endeavors throughout the year with 55,000 copies sent out each week. You are invited to be among its readers.

Children's Homes Representative

North Carolina Baptist Homes for the Aging

CARL PAGE

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people.

Over the past 11 years we have increased by eight times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes—Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Sunday School Report

Your Associational Sunday School Department offers the following report:

The highlight this year has been on enlargement of the local Sunday School. We are sorry to report that only a few of our churches participated in this great effort to enlist the lost in our Association.

We conducted a Church Community Survey February 16-23, in order to find the unchurched of our Association. Twelve of our churches made this survey.

September 16 - 21, we attempted a Pastor-Led Enlargement Campaign with the leadership of State Workers. Conferences were held each morning with nine pastors attending. In these conferences we were led to see many potentials for the local Sunday Schools.

There were Thirty-Two Vacation Bible Schools reported and one mission

for the year. It would be helpful to the Association and to the local church if Vacation Bible School workers were enlisted along with the other church officers.

We do not have a complete report on the number of churches having January Bible Study. Let me urge all our churches this year to have this study. Our study for this January will be in the book of Matthew.

I wish to express my gratitude to all the Associational Sunday School Workers for their efforts and a fine spirit of Co-Operation this year. We shall be looking forward to greater accomplishments in the new year.

Respectfully Submitted,

REV. A. R. WAISNER.

Training Union Report

Let me praise to the highest the workers who have labored with me this year to make the best Baptist Training Union for our Stanly Baptist Association. You have nobly worked and splendidly served. Many of our churches have been helped by you.

The work of the year got a great start in the first meeting with Mr. Dunevant, Mr. Halford and Rev. Calder teaching the Training Union Manual to and for the leaders. Many other courses were held in the churches of the Association. A wonderful program was given in the Grace Baptist Church for "M" night this year under the guiding hand of the Rev. David Morrow. There were 441 present.

In the new year before us the main emphasis will be, in our Association, on Training. Let me urge each of the churches to do all possible to have January Bible study on Matthew and enter into other courses of teaching the manual and giving better training to all our workers. May we be able to say in the near future that we are STANDARD again.

Brotherhood Report

MARVIN STALLINGS, President

During the past year we have enjoyed fellowship and received information and inspiration in the four regular quarterly meetings of the Associational Brotherhood.

In October last year W. A. Mitchner of Oxford inspired us with his message and pictures from around the world. We met at Grace Baptist Church.

In January we met at Oakboro Baptist Church and had group conferences. "A Boy's Worth" was presented by the men of the West Albemarle Baptist Church.

The April meeting at Richfield Baptist Church emphasized the work with R.A.'s. Rev. I. B. Hopkins of Morganton brought a wonderful message.

The July meeting at Prospect emphasized Personal Stewardship. Mr. Maurice Pickler, a layman of the Kendalls Church, brought a most excellent message on this subject.

Grace Baptist Church served as host to the Region VI Brotherhood Convention May 1, 1962.

A most successful R.A. Conclave was held at the First Baptist Church, Albemarle on April 28th under the leadership of Sammy Morris, Associational R. A. Leader.

Report of the American Bible Society

"Sharing Christ with the whole world" is the aim and theme of the Baptist Jubilee Advance. Sharing the Bible, God's word, is an essential part of this aim in advance. If the people of the world are to know Christ, they must have the Bible; and every person must have the Bible in his own language.

The Bible is a missionary book, with the message of redemption for the world. It can go to areas where the missionary cannot go, and or it can stay on when the missionary himself must leave and can continue to speak to the hearts of a people.

An active partner of Southern Baptist, The American Bible Society, has helped in this distribution of the Bible. Below are a few of the accomplishments of the society during 1961:

1. Published parts of the Bible in 1,181 languages, the full Bible in 226 languages;
2. Distributed 24,000 copies of scriptures in 100 countries on six continents; and
3. Supplied almost a million copies of scripture for distribution among the armed services and Veteran hospitals.

In 1961 Southern Baptist gave $164,342 to lead denominational giving. Let us do our part in sharing "the helmet of salvation, and the Sword of the Spirit, which is the word of God," by making our contributions, individually and through our churches, to the American Bible Society.

Respectfully submitted,
B. R. Hiatt

Report on Evangelism

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commendable contribution through our local church, our association, and our convention.

Important meetings and programs to expedite plans for channeling our motives into direct action:

January 6, 1963 — Soul-winning Commitment Day.

January 31, 1963 — Associational Clinic on Evangelism at Aquadale Baptist Church.

February is Transfer Church Membership Month.

February 11 - 13, 1963 — State-wide Evangelistic Conference, Greensboro.

March 10 - 24, 1963 — Baptist Jubilee Revivals in our association.

July 2 - 4, 1963 — Convention-wide Evangelistic Conference, Dallas, Texas. Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptists.

March 8 - 22, 1964 — The date our association is to participate in the 1964 World-wide Baptist Jubilee Revival.

All things point up to the need for full committal to Christ in His redemptive purpose NOW . . . Nothing less than this will be enough. In fact, nothing less than this has ever been enough.

Respectfully submitted,
C. EUGENE CARROLL

Report on Christian Education

ROBERT Y. HALFORD

North Carolina Baptist Colleges closed another record-breaking year during 1962. They wish to express gratitude to God and to the Baptists of North Carolina for divine providence and Christian Concern in their behalf. The term presently in session promises, in every case, to be one which cannot be surpassed by the records made in any prior years. This is the kind of progress the Baptists of North Carolina, and Stanly Association, are seeking, and are finding.

Approximately 8,500 students were enrolled in our seven colleges last year. Of this number, two-thirds were members of a Baptist Church; one out of eight students was preparing either for the ministry or some church-related vocation. Also, many hundreds of laymen and laywomen are being prepared for their chosen vocation in an atmosphere of Christian relationships which will help them to continue to give their Christian witness in almost every walk of life.

The future of Christian education in America is at stake today. With increased state and federal interest in higher education more and more students will attend state institutions. These, by their very nature cannot perform the task of Christian education. A Christ-centered education must always be provided by the church, and the Baptists of North Carolina must continue to provide means whereby our young people shall find the very best education, in the very best atmosphere of Christianity.

Christian Literature Report

All of us know that in our churches there is a definite need for an accurate channel of information. This is also true relative to our denomination. In addition, we ought to provide clean and sound literature for our homes. To meet this need our denominational papers and publications are of invaluable help. I list some for you in the following:

The BIBLICAL RECORDER is the official publication of the N. C. Baptist Convention. More than 1,700 churches now have Recorder Clubs, but that number should be at least 2,000. The every family plan, costing only 4c a week per family or $2.00 per year, is the best way as more than 500 churches can testify. Even the club plan is only a nickel per week or $2.50 a year. A single subscription is $3.00 per year. The circulation of the Recorder this past year was around 78,000.

CHARITY AND CHILDREN is the official publication of the Baptist Children's Homes. The circulation now exceeds 55,000—highest in its history. It costs only 60 cents per year—slightly over one penny per copy—when taken in bulk form for distribution in the churches. The club rate is 75 cents per year and the individual subscriptions cost one dollar per year.

HOME MISSIONS is published by the Home Mission Board of the Southern Baptist Convention. The circulation in North Carolina is around 20,000 so far as can be determined. The rates are 3 years, $2.00 and 1 year, $1.00.

The COMMISSION Magazine officially tells of the Foreign Mission Board work of the S.B.C. The circulation last year was 95,609. Individual Subscription Plan—$1.50 a year, $3.50 for three years; Church Club Plan—$1.10 a year for at least 10 subscriptions; Church Budget Plan—88 cents per subscription provided by church for each family.

Why not discover for yourself the vast array of literature available to you through your denomination?

Respectfully submitted,
L. A. Faulkenbury

Report of State Missions

State Missions has been called the lifeline of Baptist growth in the state, and it may well be, in that it seeks to reach, enlist, teach and win the lost, and train the saved for kingdom service.

Through its more than twenty ministries, state missions builds churches, aids weak churches and supplements pastors salaries where needed, helps with the extension courses, schools of missions and associational missions. It teaches people to read, the deaf to hear through the sign language and helps different races in the state. These and many other ministries too numerous to mention here is the work of our State Mission Board. The main objective of each one is winning the lost, and training for service.

It might be well to mention the work done through our Sunday Schools, Training Unions and Woman's Missionary Unions, for it is through these that our most effective programs of enlistment and training is carried on.

The 30,000 movement, too, has done much to strengthen the work. In many areas, new missions and churches have been established, to date there are 556.

Progress is being made in all departments, but there is much yet to be done. The need is so great. Statistics show that less than 50 per cent of our state is Christian, and less than 50 per cent of the enlisted church members are dedicated to Christian activity.

Dr. Spivey lists four of the most pressing and most vital needs of the present:

(1) Expand our ministry with some 450,000 military related people in eastern North Carolina, of whom 10,000 are Japanese.

(2) Church lot and pastoral aid undergirding the 30,000 Movement.

(3) Help to evangelize more than a million unreached people who are our responsibility as Baptists.

(4) Assist in developing 1,000 of our churches for greater Christian living and giving.

The situation is indeed challenging. May we not as Christians arise to the need of the hour, and give our best in prayer, gifts and dedicated living, that our state may be Christian.

Respectfully submitted,
Mrs. T. S. Crutchfield

Home Mission Report

Our Home Mission Board is constantly studying the role it should play in meeting the changing and challenging needs of America. Our churches through our State Conventions, were asked to assist in meeting these needs through a convention wide ministry of relief and resettlement of families of the more than 100,000 Latin American refugees, most of them from Cuba. We have only 6 Southern Baptist Missionaries in Cuba continuing a strong effort in evangelistic effort, despite opposition by the Cuban government.

A recent article, in Charity and Children stated that a professor, with more than 40 years seniority as Southern Baptist Seminary professor recently got an inside look at the Home Mission Board and exercised his full vocabulary in praising the H.M.B. He had just returned from a speaking assignment to Associational Missionaries. He recommended that every Seminary professor and administrator attend the next H.M.B. meeting to better understand and appreciate what is being done on the U. S. Mission Field, by our H. M. Board After expressing his appreciation of Dr. Courts Redford and his staff, he said, "Until the Home base is strengthened and made secure there is little opportunity for moving for-

ward in their areas of our denominational work, such as foreign missions and theological education. The U. S. Mission field is the spiritual and financial resource of Southern Baptist."

"We need to be aware of the high spiritual stature and responsibilities of our Associational Missionaries. Much of the future success and growth of Southern Baptists lies in the hands of these men. The uniting of the churches of an association, in a spiritual fellowship has untold possibilities in the promotion of the Gospel."

Our H.M. Board and 25 of the State Mission Boards cooperate in the employment of most of the 1,975 Missionaries which serve in all 50 states, Cuba, Panama, and the Canal Zone. These reported 54,899 professions of faith last year.

Respectfully submitted,
Jones E. Kirk

Report on Foreign Missions 1961

The last command of our Saviour was "go into all the world." As we look at our world today we recognize the urgent need to bring people to know Christ as Saviour and further—as LORD of their lives. We have tarried far too long and today we are suffering the consequences.

Southern Baptists today have 1,587 missionaries serving in 51 countries. In 1961 to May 1962 we sent 129 new missionaries. It is hoped we may have 2,000 by the close of the Jubilee Advance Program 1964.

Mission work is carried on through various channels, evangelism, education, medical, and publication work. All of our missionaries participate in the work of their churches in addition to other duties. In 1961 there were 3,627 churches and 6,815 mission points. These reported 34,364 baptisms for the year. Medical Institutions include 18 hospitals and 56 clinics. They served 299,824 patients. There is an urgent need for Christian nurses on the mission fields. Sixteen publishing centers supply literature for teaching and training. Educational work not only offers opportunities for Evangelism but trains a strong national leadership for places of responsibility. We have 1,026 Baptist Schools which enrolled 162,462 students. Among these schools are 38 Theological Institutions with 1,199 students, and 6 women's training schools with 370 students.

Advance must continue. At the close of 1961 there was an urgent plea for 751 new missionaries. Let us not fail our Lord and those who would hear and do not have the opportunity.

W. M. U. Report

MRS. L. J. McNEILL

This year is our 75th Anniversary of Woman's Missionary Union and the 50th Anniversary of Girls' Auxiliary. It was on a Friday morning, May 11, 1888 that Woman's Missionary Union was organized in Richmond, Virginia with 32 members. Since that time God has blessed Woman's Missionary Union in a wonderful way. Today, we have 1,425,745 members. As we celebrate our 75th Anniversary of Woman's Missionary Union and the 50th Anniversary of Girls' Auxiliary from October 1, 1962 through September 30, 1963, we shall examine and revaluate our task as we continue to be "Laborers together with God"—"That the world through him might be saved."

It is our prayer that as each Woman's Missionary Union in the Stanly Association strives to attain the goals for our Anniversary Year, that it may be an instrument of growth and development for the future work in each of our local organizations.

We would first like to take a backward look to see how we have prepared ourselves for the Anniversary Year. We, as an organization of

the Southern Baptist Convention, plan our program of work around a group of aims. We know for any organization to move forward, there must be goals to work toward. In our organization, we have eight aims. They are: World Awareness, Spiritual Life Development, Christian Witnessing, Sharing of Possessions, Educating Youth in Missions, Enlistment for Missions, Leadership Training, and the Reporting of Advancement. Our Youth Organizations have corresponding aims. Many of our organizations have made remarkable progress in attaining these aims. We have 12 groups who have received honor recognition during the past year. This means they have reached almost all of the aims for advancement. Twenty-three were classed as advanced groups, and 22 as approved groups. We are happy to report this splendid work. Yet, we regret to state that we have shown losses too.

During the last quarter of this year, many of our Societies taught the book, "Enlistment For Missions" by Helen Fling. An Enlistment Week was held following this study in a number of churches. During this week, an intensive enlistment effort was made. There were some new members reached. We hope this will be a continuous effort. We have so many unenlisted in our Stanly Association. I appeal to each of you to accept your responsibility in helping to enlist these.

Knowing that God answers prayer and that he uses for His purposes those who turn to him in sincere faith, Woman's Missionary Union members observed a 75-day prayer period just preceding the beginning of our Anniversary Year. During this period on July 19th, we had a one-day Associational Prayer Retreat conducted by our Associational officers at the First Baptist Church of Albemarle. This was a very spiritual meeting. Many of our churches held a Prayer Retreat in their local organizations following this date. We have observed our Weeks of Prayer for Foreign, Home and State Missions.

On September 24th, we held our Mission Study Institute presenting our Foreign Mission Study. A number of our societies took advantage of this preparing themselves for their Foreign Mission emphasis.

There has been a well-planned program of Christian Witnessing carried on throughout the past year in our Association by our Community Missions Committees.

Now for a forward look and plans for our Anniversary Year. On November 6th, 7th and 8th, we will have our annual Leadership Conference in the West Albemarle Baptist Church. At this time, we will have three of our State W.M.U. Officers to join with our Associational Officers in a concerted effort of Spiritual Advance. Through the spirit of cooperation that we have in Stanly W.M.U. work, this Conference promises more effective methods of enlistment, teaching, training, stewardship and missions which in turn will make it possible for every W.M.U. member who takes advantage of the opportunity to carry forth more effectively our Denomination's stated purpose "To bring men to God through Jesus Christ."

Each of our W.M.U. organizations will plan a special presentation of the Cooperative Program during the Anniversary Year. We feel that if there is a knowledge and understanding of our Convention's plan of giving, our gifts will increase and thus unite us in World Missions.

The W.M.U. Organizations of the Stanly Association form a team. Our Anniversary Goals make up the blueprint our team will follow this year. They have real Missionary purposes. If we undertake them seriously, they will tie us together with bonds of service which will not only shape our W.M.U., but will deepen understanding and lift individuals to a new level of thinking. I challenge each W.M.U. member to be busy about our Father's business as we begin our Anniversary Year.

APRIL 9th—SPRING MEETING—MISSION CHURCH

Morals - Temperance - Good Government

The Christian Church is in need of a deeper consciousness of the responsibility of the church and its obligation. Anything that affects people in any way becomes a matter of concern for Christians. Being morally good is not Christianity. Whatever helps a man to be the kind of a person God would have him to be is right and should be promoted and encouraged by Christian people. Morals and temperance are essential for good government. The person who indulges in the use of beverage alcohol has no place in the affairs of our government.

It is the responsibility of the Christian to take a firm stand on the liquor evil. Alcohol is destroying the very heart of many American homes today.

Let us hear the Lord speak to us on the subject. "Wine is a mocker, strong drink is raging." I believe the solution to the whole problem could be solved by "If my people which are called by my name, will humble themselves, and pray, and seek my face, and turn from their wicked ways then will I hear from Heaven, and will forgive their sins, and will heal their land."

Resolution Report

In as much as the 78th annual session of the Stanly Baptist Association has been blessed with fine attendance, and has been a source of inspiration and fellowship, we do hereby offer the following resolutions.

To the pastors and the members of the host churches, Kendall's, First Baptist Church, Albemarle, and Grace, the Stanly Baptist Association desires to express its cordial thanks for the use of their beautiful and convenient buildings as places for our Associational meeting this year and the fine food prepared. We acknowledge our gratitude to the members of each church for the many courtesies extended to the visiting messengers.

To the Moderator, Vice Moderator and other officers of our Association we express our appreciation for the fine spirit in which the annual meeting has been conducted.

To the Program Committee we express our thanks for the well planned and appropriate program.

To the Promotional Secretary we express our gratitude for the promotion and direction throughout the year.

To Mrs. Hoyle Whitley, the printers and all others who had a part in providing the Book of Reports we are most grateful

To dedicate the 1962 Associational Minutes to the memory of Mrs. O. H. Bolch.

To dedicate ourselves anew to the propagation of the Gospel at home and abroad, that we will earnestly strive to win the lost; and by use of the Cooperative Program to take the Gospel to the uttermost parts of the world.

The Preamble of the Constitution of the Stanly Baptist Association

We, the people of Stanly Baptist Association of Stanly County, North Carolina, hereby declare that the association shall have no power to infringe upon the sovereignty of the rights of the member churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation. For these reasons we do hereby ordain and establish the Constitution.

History of Kinza Baptist Church

This church was started in September 1943, and was received into the Stanly Baptist Association at the annual session in 1944. The land where the church is now located was given in memory of Mr. and Mrs. Floyd E. Morgan's baby daughter. The first services were held under a brush arbor, and when the weather was bad, services were held in the homes near the arbor.

The membership at the beginning was 11 and has grown steadily through the years to the present membership of 273.

A parsonage was built in 1957, and more Sunday school rooms were added to the church building in 1961. Many more things have been done to increase the growth of the church.

To the end of the 1963 associational year the church had had five good pastors as follows: Rev. Harold Faggert, 1943-46; Rev. John H. Connell, 1946-54; Rev. Wayne Austin, 1954-55; Rev. Alvin Faulkenbury, 1956-60; Rev. Don Jordan, 1960-63. (Rev. Jordan left the church in October 1963 and Rev. E. Guy Parks was called as pastor and moved into the personage December 5, 1963. Rev. Parks is the sixth pastor the church has had and the church looks forward to great progress under his leadership).

History of Union Grove Church

Union Grove church had its beginning in a brush arbor in 1880, where services were continued until a church was organized on October 15, 1885. The first services of the church were held in the Holt Schoolhouse.

Union Grove Baptist Church was chartered with eleven members: David Morton, Mary Morton, Elizabeth Morton, Sina Bryant, John Hudson, Beddie Holt, Mary Holt, Elizabeth Lowder, Martin Kimrey, Elizabeth Kimrey, and Julia Kimrey. In 1885, the church also became a member of the Stanly Baptist Association.

In 1886, a one-room frame structure was erected for worship. This building was enlarged in 1913 and a steeple and bell were added. In 1941, a new sanctuary was built seating 460. This building included a full basement to house the Sunday school.

In 1949, additional educational space was added to the back of the brick structure to provide additional space for the Sunday school. The Sunday school was first reported in 1887. Pastors serving Union Grove Baptist Church are:

Rev. W. G. Morton

History of First Baptist Church, Albemarle

The First Baptist Church of Albemarle, now one of the stalwart congregations of the North Carolina Baptist State Convention, had a very small beginning in 1888 — 75 years ago.

The First Baptist Church was organized in April, 1888, by a group, consisting of Mrs. Austin, Mr. and Mrs. Pennington, Rev. J. M. Bennett of Palmerville, and Mr. and Mrs. David Seago, which met in the old log courthouse. Mr. Bennett was the first pastor.

Rev. J. C. Denny (1890-1892) was the second pastor. Before he left, it is reported that he handed Mrs. Austin a quarter, saying: "Take this and build a church." The lot had been purchased during his ministry.

Rev. G. O. Wilhoit became pastor in 1892, and soon the first church building was erected on the southwest corner of North and Third Streets. The Woman's Missionary Society was organized. It existed only a few years, disbanded, and reorganized in 1912.

In 1896, Rev. John W. Suttle became the first resident pastor. He was followed in 1899 by Rev. J. A. McKaughan, and it is believed that the church became self-supporting under his ministry.

There followed pastorates by the Rev. Ralph H. Herring (1901-05), the Rev. J. M. Arnette (1905-06), the Rev. B. W. N. Sims (1906-08), the Rev. A. H. Wynkoop (1909-11), the Rev. Alexander Miller (1912-14), and the Rev. Robert P. Walker (1915-18).

In 1913 the land where the present sanctuary stands was purchased and plans were made for a larger program. The first brick was laid by Mrs. Sidney Austin in July, 1916, but it was not until January, 1919, that the building was completed and furnished for use. The Rev. Q. C. Davis served as pastor during this era, from 1918 to 1925.

The Rev. Fred A. Bower (1925-36) served as pastor during the depression days, but under his leadership First Baptist Church paid most of its indebtedness on the church and gave well to the denominational program. The teaching organizations and the training programs were emphasized.

The Rev. W. J. Bradley began his ministry in 1937 with the dedication of the church on October 24, and while he was here, plans for an educational building progressed, but because of the war the program was not realized before his ministry was concluded in 1949.

The ministry of the Rev. J. Boyce Brooks (1950-57) was characterized as a tremendous period of growth and expansion. The church constructed a modern educational plant, enlarged the sanctuary, purchased a pipe organ, employed a full-time secretary, a minister of music, and a minister of education. The Sunday school was fully graded and the entire facilities were air-conditioned.

Dr. T. L. Cashwell, Jr., became pastor in March, 1958. Under his ministry the indebtedness of the church has been fully paid, the spiritual advances made under the former pastors have been consolidated, and the financial support of the denominational program advanced rapidly. In this year 1963, the church has celebrated its 75th anniversary.

First Baptist Church has assisted in the organization of West Albemarle Baptist Church in 1903; North Albemarle Church in 1919; Grace Church in 1921; Fairview Church in 1937; and Immanuel in 1947.

Ministers who have come from this church include: the Rev. James Jenkins, the Rev. David Arnett, the Rev. Dwight Wilhelm, and the Rev. Harold Truett Smith.

Executive Committee Report

WARREN L. COBLE, Vice Moderator

The Executive Committee took action upon the following matters during the year:

1. Voted to ask each church for a specific amount of money to be designated for the Stanly Association and that this amount be paid monthly to the treasurer of the Association.

2. Voted to recommend to the Association that the night session at the Fall Meeting of the Association be eliminated.

3. Voted to recommend that Hillside Church be granted full church status in the Association.

4. Voted to recommend that Laurel Street Church seek mission status with the Association.

5. Assisted the Promotional Secretary in arranging a time schedule for his activities.

6. Arranged with the Promotional Secretary a calendar of conferences for him to attend each year.

Report of Promotional Secretary

The past year has been, in almost every respect, the busiest year of the three that I have served with you. We have tried to say yes to every opportunity to be of service to our churches and workers in the churches; only when it has seemed impossible or most impractical have we ever said no. My records indicate that I have attended 150 meetings and participated in some way in most of them, either as speaker or leader for the occasion or to promote the work of the Association. In spite of my efforts in recent months, there are five churches where I did not attend a **Sunday** service during the year. There have been 189 individual or group conferences and committee meetings which have been recorded (many others).

V.B.S. sheets — 5,500 were mimeographed and distributed.
Provided materials and assistance (encouragement) for two Negro V.B.S.
Published bulletins, except for February and the June-July was a combined issue — a total of 7,334 copies mailed.
10 meetings other than church-related (such as Radio, Baptist Home, Army Reserve Center, etc.).
Participated in School of Missions in Dan Valley Association in April.
Attended Associational Missionaries Workshop and Conferences at High Point, Gulfshore Baptist Assembly (Miss.), and Ridgecrest. Other meetings include: 6 statewide meetings and 5 regional meetings.

We have promoted the Evangelistic Campaign and the Training Union Englargement phases of the Long Range Program for Spiritual Advance— 12 or more of our churches will participate in the latter next week.

It is near impossible to record all activities such as personal interviews, cards and letters, mimeographing and paper purchasing service, Hospital Insurance group, etc. etc. We need your **active participation** for both strength and guidance.

Respectfully submitted,
J. CLIFTON DUNEVANT

Report on Baptist Hospital

The opportunity of serving persons created in the image of God is a highly and holy privilege. You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person.

The number of those who received the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion.

The Mother's Day Fund is the means through which we make it possible for those who cannot pay to have the care they need. A total of $4,310.60 was given from our churches this year. All of our churches had a part in this offering. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

Attention is called to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time. This will live through the years after we are gone.

Thank you for sharing in this great ministry.

Hospital Representative,
MELVYN CURLEE

Report on the North Carolina Baptist Children's Homes — 1963

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers, and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanksgiving offerings, providing 30 per cent support; the once-a-month offering, providing 16 per cent; the cooperative program gifts, 33 per cent; and special gifts, 21 per cent. Many gifts of food, clothing and other gifts were received.

We are compelled to keep our pressing needs before you. Applications for admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Associational Sunday School Report For 1962 - 63

The Sunday School through the years has proven to be a great agency of Enlisting, Training and Evangelizing people for the advancement of God's Kingdom. Today perhaps as never before in the history of Southern Baptist, we are faced with a great challenge which we cannot afford to evade. With 4½ million people in our state not affiliated with any church, the challenge is ours. What shall we do with it?

We have made some progress in the Sunday School department this year. Our quarterly meetings were held with fair attendance, there were 13 churches reporting January Bible Study—650 awards were granted to 15 of our churches—48 Vacation Bible Schools were held and 1 mission.

As past Superintendent let me urge every church to co-operate with your new associational Sunday School officers to the best of your ability.

To the officers who served with me, I wish to express my appreciation to each one for the fine spirit of co-operation with which you have served.

Respectfully submitted,
A. R. WAISNER

Training Union Report

We thank each of the associational workers for their wonderful help in making this a good year. We know that no records have been broken, but we are sure many ideas have been planted which will produce untold spiritual growth and this will be gleaned at the great harvest.

"M" Night was held at the First Church, Albemarle. Attendance, 235. The Rev. Claude Dick, Rev. J. Clifton Dunevant, and Dr. T. L. Cashwell, Jr. presented a wonderful program centered around the theme, "BE YE WITNESSES."

Many of our churches held study courses throughout the year, and from reports much help was derived from these studies.

TRAINING IS A PROFESSION, WHERE WE MUST KNOW HOW TO LOSE TIME IN ORDER TO GAIN IT. TRAINING AND UNION ARE AS INSEPARABLE AS "LIBERTY" and "FREEDOM."

Let us encourage you to put more emphasis into this year on our TRAINING UNION.

May it be said of the Stanly Baptist Association, "They are trained in the work for CHRIST."

Brotherhood Report

The Associational Brotherhood held three meetings during the year. Those attending these meetings received inspiration and valuable information, as well as enjoying a period of Christian fellowship.

The January meeting was held at Anderson Grove with the emphasis on Witnessing. Rev. Wiley Rutledge brought a wonderful message on this subject.

The April meeting at West Albemarle emphasized the activities of the R.A.'s. Rev. Robert Halford, Associational R.A. Leader, presented a most informative program using color slides to illustrate some of the activities of the R.A.'s.

World Missions was the emphasis at the July meeting at Pleasant Grove. Mr. Dave Taylor, State Brotherhood President, shared with us his experiences and observations of the Evangelistic Crusade in Japan in which he participated.

First Baptist Church, Albemarle, served as host for the Region VI Brotherhood meeting on February 8. In addition to a very inspirational and challenging message, information on the Camp Caraway Development Crusade was presented. Camp Caraway is a 1050 acre tract of land near Asheboro. It was announced that plans for the development of this camp are complete, and that a goal has been set to raise $750,000 in three years. Work is now in progress on the development of the campsite, and some limited use has already been made of the camp. It is expected that use of the camp will be greatly expanded by next spring.

Rev. Robert Halford conducted a very successful R.A. Conclave on April 27.

The Brotherhood Executive Committee recommended the participation of the churches in the association in the statewide Brotherhood Stewardship Emphasis program, called RISE (Revivals in Stewardship Enlistment). Four churches requested the materials made available for this program.

One new Brotherhood was formed during the year and another is in process of being organized.

During 1964, Southern Baptist men will emphasize the theme "Baptist Heritage and Religious Liberty."

DON BENNETT, President

The American Bible Society

Founded in 1816, the American Bible Society is one of the oldest missionary societies in America. More than 55 denominations are represented in its Advisory Council. It is the agency of the churches in conducting—without note or comment and without profit—a worldwide program which includes translation, publication, distribution, and encouragement of reading and use.

Last year the American Bible Society circulated 31,509,821 copies of the Scriptures in more than 100 countries. There are 1202 languages and dialects in which at least one Book of the Bible has been published. The task is still enormous, however. There remain millions of people speaking at least 1,000 significantly different languages and dialects who still need the Scriptures.

All of our churches should have a part in the financial support of the American Bible Society. In the American Bible Society report given at the Southern Baptist Convention last May, the following suggestions, based on what many churches are now doing, were made:

Smaller churches ..... $10 to $60 each year
Larger churches ..... $60 to $300 each year
Great city churches ..... $300 to $600 or more

All gifts should be sent to the Baptist state office, marked "For the American Bible Society."

Stanly Baptist Associational Evangelism Report, 1963

As we close the record book upon another associational year, we humbly thank our heavenly Father for the victories won, and we turn our attention to the task before us.

During the year the churches have reported additions as follows:
By baptism, 351; by letter, 328; total, 679.

1964 has been designated as the climatic Jubilee year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist church on the North American continent. We, in our own strength, cannot bring a revival. History reveals that every spiritual revival has come only when God's people had longed for it and earnestly prayed for it.

Stanly Baptist's Top Plans for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

Fall, 1963, Sunday School Enrollment Increase.

December 31, 1963, New Year's Eve Prayer Service.

January 5, 1964, Soul-Winning Commitment Day.

January 6-9, 1964, Bible Study Week.

Report on Christian Education

Perhaps it would be of interest to be reminded of the enrolment in the seven Baptist colleges in this state. Below are the enrolment figures for the fall semester, 1962:

Campbell College	1,727
Chowan College	851
Gardner Webb College	615
Mars Hill College	1,189
Meredith College	880
Wake Forest College	2,915
Wingate College	1,012
	9,189

Also of interest is the fact that Campbell College has graduated its first senior class; and Mars Hill will graduate its first senior class in the spring of 1964.

We can see advancement in all areas of Christian education. And further advancement in the program of Christian education will be made possible as North Carolina Baptist avail themselves of their responsibility to these institutions, and as we increase our support through the cooperative program.

One may ask, "What is the challenge of Christian Higher Education in our day?" Briefly, we may say:

1. To interpret and guide youth to a Christian understanding of living in today's world.
2. The challenge of Christian leadership.
3. The challenge of liberty and individual freedom and dignity.
4. The challenge of a high academic standard.

The influence of Higher Christian Education is being felt as our students return to become citizens, literally, of the world; but there continues to be a decline in the number of young people who dedicate themselves to full-time Christian service. In recognizing this decline our Baptist colleges, working through the Council on Christian Education, have designated Christian Education Day for 1964 as "Christian Vocational Day." The emphasis on this day will be an appeal to young people to heed the call to full-time Christian service. To encourage such response and preparation, the Chris-

tian Education Day offering will be for the purpose of helping worthy students to prepare themselves for the particular field of religious work to which they feel individually called.

The success of this effort to call out "the called" and provide adequate funds for these to go to college will depend upon the response of the churches—you and I. Let it never be said of us, "They failed to support their youth!"

B. R. HIATT, Representative on Christian Education

Christian Literature Report

The great apostle tells us in I Timothy 4:13, 15: "Give attendance to reading, to exhortation, to doctrine . . . meditate upon these things; give thyself wholly to them."

Reading good Christian literature influences character and conduct. Probably no other agency, apart from the preaching of the gospel, is more powerful in the spreading of the Truth.

Baptist papers should be in every Baptist home in the state. The *Biblical Recorder* and *Charity and Children* are high on the list. Plans and prices are offered that will meet the convenience of any church. These papers will inform and challenge our people to greater Kingdom service.

The array of Baptist periodicals and literature is so vast that space does not permit listing them.

It is significant to note that increased circulation of our Baptist Denominational literature, coupled with a strong program of Bible reading, means: the undergirding of Foreign Missions, Home Missions, State Missions, Education, Benevolence, Evangelism, Stewardship, and all other phases and factors included in the total life and work of the church. For a more informed, indoctrinated, inspired, and enlisted Baptist People, let us circulate more Baptist literature.

Respectfully submitted,

J. W. LOY, JR.

Report on State Misions

State Missions is a part of the work of the Baptist State Convention of North Carolina which provides more than twenty services from evangelism to a special ministry to the Japanese on military bases. Nearly one million dollars is invested annually in these services. The work is under the direction of Dr. E. L. Spivey assisted by twenty or more associates.

Progress is being made in all departments, but there is much to be done—the need is great. State missions have not kept pace with the expanding needs in our state. Statistics show that less than 50 per cent of our state is Christian, and less than 50 per cent of the membership of the Baptist churches of North Carolina are dedicated to Christian service.

Jesus said, when a soul is lost, a value greater than the material world is lost, and yet there are now living in the State of North Carolina over two million lost people. Any soul without Christ and without a church home is a person in desperate need.

By all means Baptists should support home and foreign missions, but let us not forget those who are our responsibility here in North Carolina, your prayers and gifts for State Missions will help carry on this important work which God has committed to us.

Respectfully submitted,
W. M. HELMS

Report on Home Missions

Space does not allow the mention of the multitude of activities of the Home Mission Board in this brief report; you are, therefore, urged to subscribe to and read the Home Missions which is available with The Commission for two years for only $3.00 during 1963 (World Missions Year).

Some highlights as of May 1963:

5,000 missions and new churches added in the 30,000 Movement to bring the total to 19,117.

Relief to help Latin American refugees and for winter and flood conditions in Southern Appalachian Mountains.

850 Cubans resettled through efforts of S.B.C churches—thousands have been assisted with food and clothing in Miami.

738 chaplains in various types of chaplaincy work—two were added to the personnel staff of this division.

City Missions Department added Harold C. Bennett, new secretary, and L. W. Crews, to lead Juvenile Rehabilitation work.

21,000 (plus) missionaries working in various efforts reported 48,700 professions of faith last year. 595 student summer workers served, also.

649 attended the first national meeting of superintendents of missions of associations at Gulfshore Baptist Assembly.

"Spiritual Conquest NOW!" has been adopted theme for evangelistic effort for 1964—our Jubilee Year.

414 missionaries appointed in year—missionary nurses and young women in mission centers are a major need.

Major changes have been made in methods of informing Southern Baptist about home missions by the Education and Promotion Division—mission study helps, films, etc.

Let us strive to win our homeland to Christ.

PAUL GALES

Report on Foreign Missions 1962

Since Southern Baptists projected the Advance Program in foreign missions in 1948, great gains have resulted. A net gain of more than 1,100 missionaries has been realized in this period. Today, the Foreign Mission Board has approximately 1,800 missionaries—including missionary associates—under appointment to 53 countries. Such progress is a source of deep satisfaction to every mission-minded member of our churches.

To maintain this expanding worldwide program of missionary endeavor requires an expenditure of $20,000,000 annually. Such funds must come from two sources: the Cooperative Program and the Lottie Moon Offering. In recent years the Lottie Moon Offering has provided an equal amount with the Cooperative Program to sustain and make possible this Advance Program. The offering last year reached $10,323,591. This year's goal is $11,850,000.

It is evident that without this Christmas offering our world mission program would have been seriously hampered and any advance would have been impossible. The Cooperative Program must ever remain as the basis for the operating budget of the Board and the Lottie Moon Offering must continue to be the principal source of capital needs and

major source of missionary expanse. The two sources are forever inseparable. They are the "twin streams" which make possible the progress that has characterized the past fifteen years of advance.

Southern Baptists are near the close of World Missions Year. They stand on the threshold of the Baptist Jubilee Year. The theme for 1963 has been "Sharing Christ with the Whole World." The time has come for self-examination and reappraisal. Do we really care for the multitudes of earth? Are we actually concerned about sharing Christ with the "WHOLE WORLD?"

History of the W.M.U. of Stanly Association

APRIL 9, 1963 AT MISSION BAPTIST CHURCH
By MRS. ROY E. DRYE

ADDITIONAL INFORMATION FOR 1961-63
By MRS. L. J. McNEILL

In this 75th Anniversary year of Woman's Missionary Union of the S.B.C. we pause in gratitude to the women of the Stanly Association who carried the torch for missions.

Their task was not easy but a rewarding experience for in their hearts they knew the Lord was leading in this Missionary Endeavor. Today, as we look at the past, we shall see our Own Women; through the years—in our Association lending their time, talents, prayers for the ongoing of His Kingdom Endeavor. For the many who have served faithfully, whose names are not recorded in the annuals of history by name, we are grateful for their place of service. In this Anniversary year, may we resolve to dedicate our lives anew to this great cause.

For the church today, it may be hard to realize there was ever a time when there were none of the active organizations as we know them today. But in this great missionary awakening, women had a full share in the Stanly Association. They may have had little money to give but they gave generously of their time and prayers.

LET US LOOK NOW AT OUR OWN STANLY COUNTY, WHEN THE MISSIONARY WORK BEGAN, AS WE KNOW IT TODAY. As early as 1894 a W.M.S. was organized in the First Baptist Church of Albemarle, but for the lack of leadership lived only a short time. Many years later several societies were organized by Mrs. Alexander Miller and Mrs. J. M. Arnette. These societies came together at Anderson Grove to organize an Associational W.M.U.; however, the opposition in both pulpit and pew were so great they gave up the work.

Fifteen years went by before another effort was made. The seeds had been sown in the hearts of many, and in the closing session of the Annual Associational Meeting on November 17, 1917 in Ebenezer, now Badin Baptist Church, under the leadership of Rev. E. M. Brooks and a Mrs. Lila L. Henry, WMU worker of Wadesboro, a Woman's Missionary Union, Auxiliary to the Stanly Baptist Association was constituted. Mrs. J. M. Mauney of New London was elected Superintendent of W.M.U. and a Mrs. West as Sunbeam Leader. On this date we had work organized in five of the local churches of Stanly County. (One of these five was Big Lick Baptist Church where Dr. C. J. Black was serving as pastor and head of the Boarding School there.)

1919 Report:

Associational meeting in 1919 — Some of Mrs. Mauney's report is as follows: "Our work is two years old now, we know the discouragements of

the past years, we have been through war since then and we know how to deal with our enemies, we know how to pray for them. Brethren, by the help of God we have come to stay this time. You may dash cold water upon us, we can brave the ocean full. You may fire bird shot at us, we fear not machine guns when the salvation of our boys and girls are at stake. Will you lend us a helping hand and enable us to do greater things for the Master, who has done so much for us?"

1923 Report:

"Women raised by the help of the men $185.00 and sent to our hospital at Winston and a room is marked there now 'W.M.U. of Stanly Association'."

1924 Report:

1924 reports a membership of 592 members of women and children. Mrs. Mauney reports, "Our work has been slow, some years gaining organizations, others losing, but we have gone forward. We have much to rejoice over, and we want to do greater things for our Lord. We beg of you to lend us a helping hand for the sake of our young people. You need not fear our teaching for we are trying to train the Bible way of living and giving. Ours is nothing new, just the same Old Story handed down from the Master's lips. Read your Biblical Recorder and see what other women are doing for their Lord in North Carolina.

1926 Report:

First Leadership Training School and first School of Missions in Stanly Association. Mrs. Mauney served for twelve years as Superintendent of WMU. In all these years her interest and enthusiasm grew stronger as she visited churches, making missionary appeals, organizing societies, teaching mission study classes. Mrs. L. R. Gaskin was Youth Leader at this time.

1929 Report:

Mrs. B. M. Rogers of Oakboro was elected Superintendent of WMU and served for three years. Mrs. L. R. Gaskin was youth leader. She reports 11 WMS and 14 Youth Organizations. An R.A. had been organized in West Albemarle church because the boys had outgrown Sunbeams and the mothers did not wish to turn the boys out in a cold world. We also had some organizations for YWA and GA's.

Mrs. B. A. Simpson of Oakboro was elected Superintendent and served one year. No record of a report this year.

1935 Report:

Mrs. T. S. Crutchfield of Albemarle was elected Superintendent and served for seven years. In this period she reports 12 WMS and 29 youth organizations. Mrs. N. A. Hayes served as Youth Leader.

1942 Report:

Mrs. George Hocutt of Norwood was Superintendent and served one year.

1943 Report:

Mrs. Crutchfield was again elected Superintendent and served for another five years. Mrs. L. W. Fields as Youth Leader. Mrs. Crutchfield reports 21 WMS and 52 youth organizations. "Standard of Excellence" was the guide for Woman's work. In this period of Mrs. Crutchfield's leadership Stanly W.M.U. was recognized as an A-1 by the State of North Carolina.

1948 Report:

Mrs. J. A. Seymour of Albemarle was elected Superintendent with Mrs. Fields as Youth Leader. She reports 26 WMS and 60 youth organizations. First Rally for Youth was held on Morrow Mountain for one day and was

well attended. Missionary Speaker and Mission Study Classes were a part of the day's activities.

1950 Report:

Mrs. J. B. Morris of Albemarle was elected Superintendent and served for one year with Mrs. J. J. Morton as Youth Leader. 30 WMS and 67 youth organizations.

1951-54 Report:

Mrs. Ed. Holbert of Albemarle, Superintendent, and Mrs. Morton and Mrs. Barrett Crook as Youth Leaders. 32 WMS and 88 youth organizations.

First County G.A. Coronation Service held in Pleasant Grove Church and was the beginning of the many local coronation services held each year as the G.A. girls advance in Bible Study, Missionary Training as they work on the Forward Steps. Let us look at some of these services: More emphasis on Fall Leadership Training, Mission Study Institutes, for Home and Foreign books.

1954-59 Report:

Mrs. Roy E. Drye, Oakboro, Superintendent, and Mrs. Barrett Crook as Youth Leader. Later replaced by Directors for each organization. R.A.'s taken over by Brotherhood for sponsoring. YWA Director, Mrs. Reece Almond; G.A. Director, Miss Evelyn Howard; Sunbeam Director, Mrs. L. W. Loy.

Standard of Excellence replaced by "Aims for Advancement" as women's guide. Name Superintendent of W.M.U. for county replaced by "President of W.M.U. of Stanly Association."

44 WMS and 119 youth organizations.

Two recognitions for county in 1955-56 by our State W.M.U.:

1. Largest number of new organizations of any Association in North Carolina.

   Five new churches: Big Lick, Philadelphia, Highland, Antioch, and Parker Memorial.

2. Stanly W.M.U. was one of the two Standard Associations in North Carolina, year 1955-56.

1959-61 Report:

Mrs. Hoyle Allred of Albemarle, WMU President.

Youth Directors: YWA, Miss Evelyn Howard; G.A. Mrs. Glenn Almond; Sunbeams, Mrs. Ernest Russell.

42 WMS and 127 youth organizations.

1961-63 Report:

Mrs. L. J. McNeill of Norwood, President.

Youth Directors: YWA, Miss Evelyn Howard; G.A.'s, Mrs. David Morrow and Mrs. Tom Barnes (replaced by Mrs. Sue Ball); Sunbeams, Mrs. Ernest Russell.

First Associational Day Camps for Sunbeams were held in the summer of 1962 and 1963. In 1962 the first Associational GA was organized, holding quarterly meetings. A Prayer Retreat was held in July of 1962. A Leadership Course was taught associational wide in November 1962 with the assistance of our State WMU Officers.

Commemorating the 75th Anniversary of WMU and the 50th Anniversary of GA's an Anniversary Tea was given on May 11, 1963. More than two hundred WMS and GA members attended.

Three WMU organizations have been added to our Associational WMU. Two are reorganized WMU's while the third is a new organization.

In all these years, the growth has been a steady, healthy one in or-

ganizations, enrollment, and in gifts to all causes. Some years losing and some gaining but always going forward.

From the first Youth Rally on Morrow Mountain for all organizations have come rallies for each age group. YWA Banquets, GA Banquets, GA Rallies, Sunbeam Rally and now a Day Camp. In these years our youth have been attending our Regional Camps at Wingate, our State Camps, and our own South Wide Camp at Ridgecrest. Because of the patient leadership and prayers, this work is recognized as one of the stronger Associational WMU of the state. In 1961-62 we had two of the four Honor W.M.U. in North Carolina. These were Oakboro First and Calvary.

In this Anniversary Year, will each of you rededicate your lives to Him and serve where you feel the Lord will use you in this Missionary Endeavor of 46 years.

The fields are white unto harvest in our own Association. Will you lend a helping hand to the weaker organizations, and to the five churches where we have no organized program on Missionary Training? They need your prayers and your words of encouragement.

CAN THE LORD DEPEND ON YOU???

Morals — Temperance — Good Government

It is the purpose of the writer of this report to acknowledge with regret the moral laxity observable among us today and to urge the imperative need to make our Christian witnesses more effective in the area of moral life. We realize that our witness must be borne to a generation which seems to pride itself on its lack of discipline. Believing that God has given to the race a depository of moral law and that the laws of God have two clearly defined aspects: the obligation to obey and the penalties of disobedience,

We offer the following resolutions for your consideration:

Whereas, the present world situation is one of moral confusion;

Whereas, the evils of lust, broken homes, selfishness, drinking, gambling, adultery, dishonesty, and profanity have become increasingly widespread so as to constitute a threat to our homes and our nation;

Whereas, the witness of our churches has been tragically hindered by the indifference and comprises of many church members;

Whereas, the churches of this Association having enrolled more than 13,000 members in 47 churches, have a fearful responsibility for the moral nurture of their membership;

Whereas, the judgment of God must surely come upon us if we fail to do our best in such a crisis;

Therefore, be it resolved by the messengers of the Stanly Baptist Association on October 22, 1963:

1. That we express our deep concern for the moral breakdown that seems to be evident about us and that we acknowledge with humility our failure to measure up to God's standard of moral conduct;

2. That we affirm our convictions that the tremendous value of human personality, as seen in the cross, obligates us to contend for moral life among all people without respect to color, race, class, or creed;

3. That we call upon our churches to initiate the most aggressive effort possible to quicken the moral conscience of our people and to hasten a moral awakening throughout our nation and the world.

Respectfully submitted,
R. PARKER MILLER

Resolutions

Whereas, the 79th Annual Session of the Stanly Baptist Association has been a source of joy and inspiration, spiritual strength and Christian fellowship to all in attendance:

Therefore be it resolved:

That we, the messengers and visitors of the Stanly Association, declare our sincere and abiding gratitude to God for the measure of progress achieved through his blessings, under the leadership of the Holy Spirit through the year that is passed.

We thank the individual churches and their officers for their cooperation making possible the compilation of current records and extension of promotional plans.

We express our appreciation to the host churches, Kinza, Union Grove, and Albemarle First for their gracious hospitality and the delicious food so efficiently served.

To our Moderator, Rev. Hinton, and the officers of the Stanly Association for their efficient leadership; to the Program Committee and to all appearing on the program; for the many fine reports; the messages of inspiration and encouragement which we feel will better equip us for the great task which is before us in the coming years.

We send greetings to Rev. J. E. Kirk, who is unable to attend with us this year, as he has so faithfully served with us over the past few years.

We thank the *Stanly News and Press* and radio stations for their cooperation in giving publicity to this our annual session.

Respectfully submitted,

REV. TRUETTE ROGERS
MRS. ROY E. DRYE
MRS. M. A. SMALL

Annuity Board Report

F. A. JAMES

Efforts have been made this year to inform churches and pastors about the Southern Baptist Protection Plan (and other plans) and to encourage participation — some of our churches have responded, bringing the total number of churches participating to 32. This leaves 18 of our churches and missions **not participating.** Illness, and/or retirement, and/or death will come to your pastor and his family sometime. It will be too late to plan for it then — NOW is the time to plan for it through one of the plans of our Annuity Board. Every church should be in the plan.

Our association is now paying the full 10% of the cost and many of our churches are paying 10%. It is hoped that all of our churches will see the need to do this and encourage pastors to participate in Social Security on a self-employed basis. If you are permitting your pastor to pay 5% for his Annuity Board plan, you are probably hindering his participation in Social Security which could be a tremendous benefit to his family and to him.

Lead your church to PLAN NOW.

North Carolina Baptist Home for the Aging

CARL PAGE

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes. In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission who urgently need to come. The average age among our residents is 80 — Our youngest resident is 65, and our oldest was 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we believe they will continue to move forward in this great area of human concern.

The Preamble of the Constitution of the Stanly Baptist Association

We, the people of Stanly Baptist Association of Stanly County, North Carolina, hereby declare that the association shall have no power to infringe upon the sovereignty of the rights of the member churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation. For these reasons we do hereby ordain and establish the Constitution.

History of Anderson Grove Baptist Church

In 1854, sixteen (16) persons from the Kendall Baptist Church of Stanly County, organized the Liberty Hill Missionary Baptist Church. It was a small log building located about one-half mile south of the present location. Those who were charter members of this venture of faith were: Elisha Laton, Martha Ann Laton, Alexander Biles, Franklin A. Laton, Thomas Biles, John Lilly, E. J. Laton, Wincey H. Laton, Lindia J. Laton, Caroline Biles, Sarah C. Laton, Mary Pickler, Mahaley Byrd, Sarah H. Carter, Lousinda McDaniel, Patsy Wilson.

The Rev. Henderson Carter was called as the first pastor in 1854 and served until toward the end of the Civil War, 1864. The first two deacons of this church were: Alexander Biles and Franklin Laton.

The church joined the Pee Dee Baptist Association and remained a member until 1869.

After Rev. Carter left the church as pastor, a period of about seven years passed when the church was without a pastor. This was during the reconstruction days following the Civil War.

The church joined the Rocky River Association in 1869, which later became a part of the Stanly Association, and has remained in this Association ever since.

As near as can be determined from the old records of the Church the second pastor was the Rev. Stoker, who was followed by the Rev. Solomon. The fourth pastor was the Rev. Oscar Haywood.

In 1880, the Church called the fifth pastor, the Rev. J. C. Denny. It was

during Rev. Denny's ministry that the Liberty Hill Baptist Church became known as the Anderson Grove Baptist Church.

In 1880, Dr. Richard Anderson gave part of the present church grounds to be used as a church sight. A new log building was erected and the congregation began meeting at the present location and the name was changed to the Anderson Grove Baptist Church.

In 1905, Dr. J. N. Anderson gave some additional land, part of the present sight, to be used by the Church. Dr. J. N. Anderson stated that this gift was the fulfillment of a vow made to God for the recovery of a child from scarlet fever.

In 1904 a new wood frame building was erected and in 1917 rooms were built on each side making "wings" to the Church. In 1932 five Sunday School rooms were built on to the building.

The Church continued using this building until 1951, when the present building was erected.

During this period of years from 1880, when the Church name was changed until the present building was erected, many pastors were called to serve the Church. As best as can be found from the dusty files, the following men served the Church as pastor.

Rev. J. C. Denny, 1880-1892 — 12 years
Rev. J. W. Suttle, 1892-1894 — 2 years
Rev. J. A. McKaughan, 1894-1898 — 4 years
Rev. J. F. Davis, 1898-1899 — 1 year
Rev. R. H. Herrin, 1899-1901 — 2 years
Rev. A. C. Davis, 1901-1903 — 2 years
Rev. E. M. Brooks, 1903-1905 — 2 years
Rev. B. W. N. Simms, 1905-1906 —1 year
Rev. D. W. Arnett, 1906-1909 — 3 years
Rev. J. L. Kirk, 1909-1910——1 year
Rev. R. E. Edwards, 1910-1916 — 6 years
Rev. John Kimery, 1916-1917 — 1 year
Rev. C. B. Reid, 1917-1919 — 2 years
Rev. Jake Kirk, 1919-1923 — 4 years
Rev. Ralph Harris, 1923-1926 — 3 years
Rev. Joel Tyson, 1926-1928 — 2 years
Rev. N. C. Coggins, 1928-1932 — 4 years
Rev. T. E. Staley, 1932-1937 — 5 years

The Rev. W. J. Russell was called as pastor Nov. 1, 1937, and served until 1952. (Fifteen (15) years) During this period Mr. Russell led the Church in a building program and in 1951 the present brick structure was erected.

In 1952, Mr. Russell resigned and the Church called the Rev. R. D. Riggins as its pastor. Mr. Riggins served the Church in this capacity until 1957. Following his resignation, the Rev. Troy Sherrin was called to pastor the Church and he remained with the Church until January 1962.

The Rev. H. L. Register, present pastor of the Church assumed his duty in October of 1962.

Since the organization of the Church in 1854, twenty-seven pastors have served. One hundred and ten years have passed since the small group of 16 persons met to worship for the first time in the Liberty Hill Baptist Church now known as the Anderson Grove Baptist Church.

Today with a membership of just under 500 the Church is serving her Wonderful Lord for the Cause of Christ at home and around the world. More than fifty countries throughout the world have missionaries serving them telling of the Wonderful Story of Jesus and His love, and they are being supported, in part, by our Church each Sunday through the tithes and offerings we bring into God's store house.

History of First Baptist Church, Oakboro

First Baptist Church of Oakboro was organized February 23, 1916.

The Organizing Presbytery consisted of the following ministers: Rev. R. P. Walker, Albemarle, N. C.; Rev. J. C. Gillespie, Norwood, N. C.; Rev. J. S. Harris, Oakboro, N. C.; and Rev. P. G. Hartsell, Oakboro, N. C.

The Charter Members were as follows: Bro. D. C. Whitley from Barbee's Grove Church, Bro. C. M. Smith from Big Lick Church, Sister Rosa Smith from Big Lick Church, Bro. J. Walter Helms from West Monroe Church, and Sister Mary Helms from West Monroe Church.

At this time the following members were received under the watchcare of the Church, letters pending. We assume that these were also charter members:

Bro. J. F. Barbee from Barbee's Grove Church

Sister Ellen Barbee from Barbee's Grove Church

Sister Bessie Barbee from Barbee's Grove Church

Sister Lottie Barbee from Barbee's Grove Church

Bro. J. M. Burns from Marshville Church

Sister Mary Burns from Marshville Church

Sister Bertha Dunn from Big Lick Church

The following Deacons came already ordained: Bro. J. Walter Helms and Bro. J. F. Barbee. Rev. J. Adam Grubb of Salisbury was called as the first Pastor. He began his work immediately after he received the call. Other pastors that have served the Church are J. C. Gillespie, C. J. Black, A. B. Smith, J. F. Black, F. W. Fry, E. M. Brooks, Frank Gaddy, L. D. Munn, S. T. Morris, B. G. Henry, C. L. Pickler, Ray Smith, Eugene Byrd, Sam Long, Rommie Pierce, Guy Funderburke, Maurice S. McLain, Frank Marks, J. Loyd Mauney, and A. M. Kiser, the present Pastor.

The first church building was a one-room frame building. After a few years, an educational annex was constructed to take care of the expanding Sunday School and other Organizations. This building served until 1950 when a new location was purchased and the present plant was erected. In 1957 a modern pastor's home was built in the location of the old church building. At the present time, the value of all church property is approximately one hundred fifty thousand dollars, and is debt free. The present membership is about 360. The Sunday School is fully departmentalized. The W.M.U. is well organized and has attained "Honor Rating" in 1961 and 1963 from the Woman's Missionary Union of the Southern Baptist Convention. The Training Union is organized on a departmental basis. The Brotherhood is sponsoring the Royal Ambassadors. The Church has enjoyed a steady and healthy growth for many years. For all this, we are grateful to these above named Pastors, and for the faithful Lay Leaders that have guided this Church from its organization to the present time.

Stanly Baptist Association Executive Committee Report to the Fall Session — 1964

The following items have been acted upon by the Executive Committee of the Stanly Baptist Association during the interim since the Fall Meeting in 1963:

1. Financial assistance in the amount of $696 was applied for from the North Carolina State Baptist Convention for the purpose of aiding in the expense of our associational program. This amount was granted for the year.

2. Upon recommendation from the Committee on Christian Education, the Executive Committee made a study of the possibility of reopening a Seminary Extension Center in our association. After study the Executive Committee voted to institute such a center with The Reverend Henry Register serving as Director of the work. The Extension Center is now set up and is offering three courses to the people of our association. The response has been most excellent during the fall semester of study.

3. The Executive Committee voted to adopt the title of SUPERINTENDENT OF MISSIONS to apply to the paid worker of the association. The adopted title is now most universally used and will facilitate the flow of mail directed to the associational worker.

4. The Executive Committee voted to use only one nominating committee in securing workers for the Associational Sunday School, Training Union, and Brotherhood. Members of the nominating committee are to be chosen by the heads of these three departments well in advance of the Fall Session of the Association.

5. The Executive Committee voted to recommend full church status in the Association for Friendship and Laurel Street Missions.

Report of Superintendent of Missions

While there is much that cannot be expressed in statistics and all of us are well aware of the limitations of records alone; we are nevertheless dependent upon records as an indication of trends in our work. That there has been a general "lag" in many phases of our denominational work is a well publicized fact. We hope that we have not lost sight of the progress made also. Compared with what we have done in the past or with what other associations are doing, we can be proud of our accomplishments; but we should compare what we have done with what we ought to have done and feel the challenge to do even better in the future.

Here are some of the statistics for the past year in my work—

5000 V.B.S. Joint Worship Sheets Mimeographed and Distributed (also other Aids).

Assisted in planning VBS Clinic for Negro Churches in this area.

Published Bulletins each month except Combined issue in May-June and no issue in August and September . . . a total of 7200 copies mailed.

Held 8 other meetings other than church related.

Attended Associational Missionaries Workshop and Conference at Fruitland and Ridgecrest. Attended 6 Statewide meetings including Convention and Evangelistic Conference. Attended 9 Area or Regional Meetings.

It has been a joy to work with you and for you in this work and we look forward to the coming year with the prayer that **much more** can be accomplished for our Lord than was accomplished last year.

Report on North Carolina Baptist Hospital

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Securtiy or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it

can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

Report on the North Carolina Baptist Children's Homes — 1964

Helping children and young people to grow and develop through Christian maturity is one of the greatest privileges in life. This is the purpose of your Children's Homes.

Children are accepted as they are when they come to the homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing, and shelter. But of greater importance than material things is the genuine interest, concern, and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again — learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation in the following way: "Living at one of the homes has given me an opportunity to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow, and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love, and care."

Financial support for the past year has come from the following sources: Cooperative Program, 36 per cent; Thanksgiving Offering, 30 per cent; Once-a-Month Offering, 15 per cent; all other, 19 per cent. Genuine appreciation is expressed by those who direct our child care program.

Application for the admission of children to the homes far exceeds resources with which to care for them, and many areas of unmet need in child care await our attention.

Sunday School Report Stanly Baptist Association 1963 - 64

The statistics included in this report tell something of the Sunday School story of Stanly Baptist Sunday Schools for the year 1963 - 64. During this period our total Sunday School enrollment reached 12,030. This gave us a gain of 192 persons or a fraction less than four persons per church.

Forty-four of our 49 churches reported Vacation Bible Schools with a total enrollment of 4,375. This shows a decrease of 112 persons from last year.

Our most startling statistics, however, are those showing a gain of only 23 adults enrolled in Sunday School in all our Association. This is a gain of slightly better than one-half an adult per church.

A look at these figures ought to convince any of us of the pressing need for reaching more adults for Christ. We believe the Sunday School is the organization that can most effectively do this. We believe that the current "Adult Thrust" program, adapted to the needs of the individual church, could go a long way toward accomplishing the task. We challenge each church to give it their best effort.

WILEY I. HUTLEDGE
Associate Sunday School Supt.

Annual Training Union Report to the Association

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through our Training Unions! We sincerely hope our churches will make good use of the new materials and ideas.

Special projects engaged in include: "M" Night and Tournaments.

We had two churches represented in the Junior Memory Work Tournament, one church in the Intermediate Sword Drill Tournament, one church in the Speakers' Tournament, and none in the Adult Scripture Reading Tournament. This represented eleven people in one or more of the tournaments.

We had 27 people from our association attending our North Carolina Baptist Assembly at Southport last summer for one of our Training Union assembly weeks.

We have 24 Training Unions in our association with an enrollment of 1,895.

May I urge each of you to study and stay up to date with current Training Union materials, especially **The Training Union Magazine.** This is essential in order to know what is going on in Training Union work.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully submitted,
FRANK FAGAN, Associational
Training Union Director

Brotherhood Report

In accordance with the suggested program schedule of the State Brotherhood Office, your Associational Brotherhood held three meetings during the past year.

The first meeting was held on October 21, 1963 at the Highland Baptist Church with fifty-six men present. Mr. R. C. Hatley presented a very inspirational program on Personal Stewardship.

On January 20, 1964, a Men's Rally was held at the North Albemarle Baptist Church with thirty-three men in attendance. The Reverend Coy Privette of Kannapolis spoke on the many opportunities of service for Baptist Men.

On April 13, 1964, The Royal Ambassador Boys were invited to join with the men in a Royal Ambassador Rally, held at the Grace Baptist Church. One hundred and thirty men and boys were present at this meeting. Guilford Daugherty, State R. A. Leader, was the featured speaker for the Rally. Plans were announced for a two-night workshop for Brotherhood officers to be held October 5, 6, 1964.

A very successful R. A. Conclave was held on April 25, 1964, at the First Baptist Church of Albemarle, under the direction of Sammy Morris, Associational R. A. Leader.

During the 1964 - 65 church year, the major emphasis of the Brotherhood will be toward Missions.

The American Bible Society

The American Bible Society is one of the fine agencies supported by the Southern Baptist Convention which has as its main objective getting the Scriptures in the hands of the people of the world.

In 1963 the American Bible Society carried forward its task of putting the Word into the hands and hearts of men in more than 120 countries and 300 languages.

By the end of 1963, some parts of the Bible had been published in 1,216 tongues and languages. The complete Bible has been published in 231 languages, the New Testament in 290 and at least a complete Gospel or other book in 695. More than 1,000 languages remain in which no book of the Bible has yet been published.

The American Bible Society belongs to YOUR church. Missionaries of your own denomination depend on the Bible Society for Scriptures they need for their people — and the Society depends on your gifts.

All gifts should be sent to the Baptist state office, marked "For the American Bible Society."

Stanly Baptist Associational Evangelism Report — 1964

The special five-year effort (known as Baptist Jubilee Advance), is now history and we cannot go back to improve or change the record.

The record of our association reveals the following additions to the churches in 1964:

By Baptism, 435; By Letter, 342; Total, 777.

The inevitable question arises, where do we go from here? What shall we do in 1965?

We can and we must search our hearts before God to find His will for us and to experience His empowering as we endeavor to be obedient to His commands. This we need as individual Christians, as churches and as a denomination.

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local church. A wonderful experience of Christ confronting the lost through His people will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of doctrine, a set of rules for conduct. There must be the experience of being in Christ and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.

Respectfully submitted,
C. EUGENE CARROLL

Report on Christian Education

During the past 25 years our Baptist colleges have grown in a gracious way. Today, as of the fall semester, there are 9,867 students enrolled in our seven Baptist colleges which include 426 young men and women studying for the ministry, mission work, or directors of religious education and church music. The total value of these institutions exceeds $60,000,000.

The cooperative program continues to be the lifeline of our Baptist colleges. The cooperative program income represents an endowment of $33,000,000 without which not a single North Carolina Baptist College at the present could meet standards of accreditation.

But let us never forget that the ties that bind us together do, and they must, go deeper than financial ones. Our common belief in the Lord Jesus Christ and our belief that all knowledge finds its unity in Him must be the continuing emphasis of our Christian Education program.

The council on Christian education is now engaged in a serious self study with special interest in the study dealing with the ministerial student and the Christian vocational worker — their enlistment, means of financial help, and how the church may work to meet the needs of these 'called Out Ones.'

Let us go forward, always mindful that our first allegience is to Jesus Christ, His will and His purpose for our lives.

Respectfully submitted,
B. R. HIATT, Chairman

Report on Christian Literature — 1964

We have never lived in a day when there is so much to read, as we have today. Much of this flood of reading matter is bad; so Christian people must continually cast aside the evil and turn to that which is good. The Bible, of course, occupies first place always as we read in search for truth. All Christian literature must forever be dedicated to the furtherance of the Gospel, or it fails in its noble purpose.

The flood of obscene, degrading literature has become so heavy on news stands and in the mails, that the United States Post Office Department is trying to crack down in a nationwide effort to break it up. The printed page has great power for good; also great power for evil. Money-hungry publishers without Christian motives are pouring out obscene printed matter like a stream of poison to capture the minds of all who will stop, look and read. Baptists have no need to buy or read such literature, for they have an immense volume of clean, up-lifting Christian literature coming from Baptist presses and other sources to suit every age need. Baptists ought to make more use of Christian literature. Every Baptist family should get the **Commission, Home Missions,** and our state paper, **The Biblical Recorder.** It is only through the reading of these and other Christian literature that we can become well informed Christians. Paul said in writing to Timothy, "Give attention to reading". Every Christian should do this, but let us be careful and read only the best literature available.

State Missions Report

Jesus told the disciples, "Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in all Samaria, and unto the uttermost part of the earth." You know that for us, North Carolina is Judea.

How Christian are we? More than two million people (in North Carolina) above eight years of age are church members. But some leaders claim more than 25% are unsaved. Then there are more than two million above eight years of age who are unchurched. You see then the tremendous challenge to us Baptists.

"State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ, and teach, enlist and train the saved in giving, living and serving through the churches and throughout the world."

Think of our North Carolina: Four million people and nearly one-fourth are Baptist and that means nearly one-half of the church members in North Carolina are Baptist.

With so many lost in North Carolina who need the Savior, we have the Department of Evangelism to serve. But when the prospects are brought into the church they must be taught and trained. So, we have Sunday School, Training Union, Brotherhood, Royal Ambassadors, Church Development and Church Music Departments.

The Churches need trained pastors. Therefore, you may note the work with our colleges. God still calls men of limited education and so, we have Fruitland to guide and train them for further service.

Other phases of the State Mission Program are as follows: The Allied Church League, work with Silent People, Schools for Pastors, Work With Colored Brethren, Summer Student Work, and Student Aid, Ministry Through Service Institutions, Department of Church Planning, Brotherhood and Royal Ambassador Work, and Baptist Student Program, Caswell Assembly and Fruitland Camp, Seminary Extension Centers, and Associational Missions.

Our great need is for Baptist dedication and devotion.

Respectfully submitted,
LEROY CALDER

Home Missions Report

"This is Home Missions' most urgent hour." The entire world looks to America for Christian Leadership, but America cannot give what she does not continue to have." These were the words of Courts Redford to the Southern Baptist Convention in Atlantic City.

An average of 30 missionaries were appointed each month last year and we now have 2,299 missionaries serving in every State, Cuba, Panama, and Puerto Rico. But critical personnel needs exist in mission centers, Spanish-language work in many of our 14 programs of work adopted by the Board at its mid-year meeting, January 1. The call comes for new workers in the Pioneer Areas; our Church Extension Program; in the Metropolitan Missions Department; Juvenile Rehabilitation; and the Latin American Refugee Resettlement Ministry.

Language Instruction for missionaries has been emphasized by the Board in sending missionaries to study in Italy, Brazil and Special Schools in the U. S. A. Seven hundred and fifty Southern Baptist Chaplains presently are serving with the military or with hospitals, industry and other institutions.

More than six and one-half million dollars came from Southern Baptist for Home Missions through the Cooperative Program, the Annie Armstrong Offerings, and from other sources of income. This amounted to about 62 cents for each Southern Baptist, or about a nickel per month. There were 46,226 Professions of Faith reported by the Missionary Force. This was a decrease from the 48,700 reported the previous year and reflected a like percentage decrease within the Convention which reported 355,325 baptisms.

Educating church members in Missions, a plan confronting every Southern Baptist with the mission story, has been developed and stressed by the Division of Education and Promotion. This plan shows the church how a year-round emphasis can be given to mission education, so the church members will have a conception that will lead to a commitment to missions, in both activities and in money.

MRS. ROY E. DRYE

Report of Foreign Missions — 1963

Southern Baptist Convention should be grateful to God for the advances made in foreign missions during 1963. The year closed with a total of 1,803 missionaries under appointment for service in fifty-three countries throughout the world. This marked the achievement of a fifteen-year goal adopted by the Board in 1948 at Memphis, Tennessee. The Board appointed 195 missionaries and missionary associates in 1963.

The Southern Baptists in 1963 gave $21,431,202.00 to support their Foreign Mission Enterprise. $9,019,303.00 of this amount was given through the cooperative program. The Lottie Moon Offering was $10,337,193.00. $2,-074,705.00 came to the Foreign Mission Board through designated and other receipts during 1963. Funds from the Foreign Mission Board float out to places of need at a rate of $56,339.00 per day, or $2,347.45 per hour. The total expense for the year was $20,561,653.00.

The expansion of the Foreign Mission Board in 1963 was into two new countries — Jamaica and Iceland, and in the division of one of its three geographical areas of administration — Africa, Europe, and the Near East — to create two: () Africa, and (2) Europe and the Middle East. The Foreign Mission Board also created the position of Consultant for Evangelism and Church Development. A record budget for 1964 of $22,113,031.00 was adopted.

W. M. U. Report

We have closed our Baptist Jubilee Year. It was a year designed for prayer and thanksgiving for our Baptist Heritage. I am sure for many it was exactly as designed.

There is a feeling in WMU work that trained leaders make efficient leaders. As the Jubilee Year opened we made special efforts to provide training for all leaders. On October 14, at the First Baptist Church of Albemarle, we held our annual Leadership Conference. Two hundred eighty-five officers from thirty-four of our churches attended the two-hour conference.

In January the annual Associational Mission Study Institute was conducted. Teachers were given instructions in ways of presenting the Home Mission Study Series for all organizations. The Basic Leadership Course for WMS members was taught at North Albemarle in January. Twenty-three members attended this seven and one-half hours of study.

The Basic Leadership Course for Sunbeam Band leaders was taught in September. Our State Sunbeam Director came to our association to teach this course. Sixteen of our Sunbeam leaders received this training.

From the very beginning Woman's Missionary Union has held at its center the training of young people in Missions. We have made a real effort during the past year to do this. Our Y. W. A.'s have organized an Associational Council with scheduled quarterly meetings. The purpose of this Council is for the exchange of ideas, fellowship and inspiring missionary programs. During their focus week about one hundred YWA's and their counselors attended a banquet. A most inspirational message was brought by a foreign missionary.

The Associational Girl's Auxiliary has completed the second year of its ganizations, aid in organizing new organizations, as well as Christian fellowship and missionary information. It has had four associational meetings this year. A foreign missionary couple brought a very informative message at one of these meetings.

During Sunbeam Band Focus Week the eight year olds or "World Friends" as they are known, held an Associational Day Camp at Pleasant Grove Church. A program of Bible Study, mission study, crafts and nature study was planned. Sixty-five children and ten leaders attended.

In February an Associational Prayer Retreat was held at West Albemarle Church. It was not only a great spiritual experience for those who attended but it deepened our missionary awareness.

In April our Annual Associational WMU meeting was held at Anderson Grove Church. The theme for the meeting was "For Liberty and Light". It was well attended.

The annual reports from our local WMU organizations show that much has been done during this year of Jubilee through prayer, study, stewardship and community missions. We have two organizations, the W. M. U. of Friendship Mission and the W. M. U. of Oakboro First, who are Honor Organizations. This means that all of their organizations have received the highest recognition that can be received on the Aims for Advancement of W. M. U. Many of our other organizations have received recognition either as honor, advanced or approved. We realize much has been done for the cause of missions, yet we know in our own association if all Baptists would join hands for the cause of Missions; there would be a great Spiritual Awakening in our midst. We challenge you to join us!

Report on Morals, Temperance, and Good Government

After an extended search for the secret of America's greatness, a stranger to our shores made the statement that, "America is great because she is good; if America ever ceases to be good she will cease to be great." It would appear to the casual observer that the secret of our greatness is fast departing from us.

In recent years some of our national problems have blossomed into such hideous public figures that even the statistical tables reveal their ugly presence. The per capita amount spent on alcoholic beverages is at an all-time high. Applications for divorce are unprecedented.

The printed page, radio, and television have presented us with a portion of the inside story on gambling and its related evils. We have been shocked by the uncovering of well-organized peddling of narcotics and political corruption. The list of social vices is multiplied as we consider the associates of these evils.

In the heat of the ever increasing struggle between the forces of good and evil, the following recommendations are submitted for your thoughtful consideration:

1. WE RECOMMEND that our Baptist people help raise the standard of morals for their respective communities by living Christian lives — abstaining from gambling, slandering, the use of dope or strong drink, immoral conduct and from anything further that would cause the world to question the sincerity of their profession.

2. WE RECOMMEND that our Baptist people become familiar with political issues and candidates and, then, vote with a Christian conscience.

3. WE RECOMMEND that our Baptist people continue the struggle to preserve all of our national foundations which have made our country great and good, especially, the separation of church and state.

4. WE RECOMMEND that all Christian parents maintain full confidence and close fellowship between themselves and their children, taking time to fully discuss all their children's problems with them.

5. WE RECOMMEND that every effort be used to keep out of our communities those evil influences which undermine Christianity.

Respectfully submitted,
R. PARKER MILLER

Report of Resolutions Committee

The eightieth session of the Stanly Baptist Association has blessed us by informing, inspiring, and challenging our churches to greater service in sharing Christ as the light of the world. Therefore, be it resolved that we express our deep appreciation:

1. To Anderson Grove Baptist Church and the First Baptist Church of Oakboro for their gracious hospitality, and the delicious food so efficiently served.

2. To our Moderator for the fine manner in which these sessions have been conducted.

3. To the Program Committee for the arrangement and quality of our program.

4. To our Supt. of Missions for his work in laying a foundation for continued development of the resources in the churches of our association.

5. That we send greetings to Mr. Jesse Floyd of Richfield, N. C., who is unable to attend with us this year for the first time in 40 years.

6. That we urge all of our people to rise to the challenge of our theme for this session, "Committed to Learn and Teach."
"And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. (II Timothy 2:2)

7. And further be it resolved that we express our thanks to the Stanly News and Press and radio stations for their operation in giving publicity to this annual session.

Baptist Homes for the Aging Report

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from one resident and one building, since March of 1951, to 160 residents and four buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a fifth Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

History of Norwood Baptist Church

Norwood Baptist Church was organized as the Baptist Church of Center in the last half of the nineteenth century. The first church building was erected in the eighteen - seventies with Elder E. A. Bennett holding the first preaching appointments. On Sept. 13, 1879, a church was duly constituted with eleven charter members and was named the Center Baptist Church, the charter members being the following: Rebecca Jane Turner, Ann Maria Harris, Isabelle Parker, William Caudle, Martha Mills, John Green, John Caudle, Zilphy Colson, Margaret Lanier, Eliza Bennette, and Sara Mills.

The church was admitted to the Brown Creek Association on October 9, 1879. In December, 1883, the name was changed from "Center Baptist Church" to Norwood Baptist Church. It later joined the Anson Association, and in 1900 affiliated with the Stanly Baptist Association upon its organization that year.

In these early years, Mrs. W. Fred Lilly organized the Woman's Missionary Society and served as its first president.

On Sept. 4, 1909, the church decided to have two Sunday services a

month instead of a Saturday meeting, and a parsonage was secured for the pastor.

Plans were begun in 1911 to remodel the church building, but Rev. J. S. Farmer, former member of Norwood Baptist Church and for many years editor of the Biblical Recorder, personally offered $500.00 on the erection of a new church on condition that the members build a $5,000 edifice. The cornerstone for this new church building was laid in 1916 and the first service was held in it on April 1, 1917. Sunday school rooms were added in 1922 to the rear of the church. In 1926 the pastor's home was erected on the adjacent lot.

The present sanctuary, the third house of workship erected by Norwood Baptist Church, had its beginning during the ministry of Rev. George L. Hocutt. The church was started during the ministry of Rev. John T. Davis and was completed in July, 1963, with Rev. W. D. Huneycutt as pastor. The church was dedicated on August 4 of that year with Rev. Leo Hawkins, a former pastor who initiated the church building fund, bringing the dedicatory sermon.

The church now numbers about 500 resident members.

The following have served as pastors since the church's inception in 1879: A. E. Bennett, G. A. Wilhoit, R. H. Matthews, L. P. Boyd, C. H. Martin, C. T. Ball, J. E. M. Davenport, W. E. Watkins, J. M. Arnette, E. M. Brooks, J. C. Gillespie, T. S. Guy, C. J. Black, J. G. Connell, John R. Miller, Victor L. Andrews, N. C. Coggins, J. C. Bennett, Rev. G. L. Hocutt (2 pastorates), Leo F. Hawkins, Rev. John T. Davis, and Rev. W. D. Huneycutt.

History of Aquadale Baptist Church

Aquadale Baptist Church was organized September 2, 1919. The presbytery was composed of three active pastors of the Stanly Baptist Association. Rev. E. D. Teeter, Rev. W. J. Russell, Rev. T. F. Rogers and Rev. J. Marvin Smith a licensed minister. Also the following Deacons: P. E. Barbee, John F. Huneycutt, J. A. Kimrey, H. L. Green, Will A. Green, L. H. Cooper, B. F. Lampley, Jay Russell, and W. J. Huneycutt. Rev. E. D Teeter was elected Moderator and Rev. T. F. Rogers clerk.

Thirteen Baptist members (having their Church letters present) were declared charter members. There were from Silver Springs: Mrs. Mary H. Smith, Mrs. Ella Carpenter, Mr. A. C. Carpenter, Mrs. A. C. Carpenter, Agatha Carpenter, Mr. G. L. Gaddy, Mrs. G. L. Gaddy. From Union Grove: Mrs. Margarett B. Hinson. From Cottonville: Mr. W. H. Bivens, Mrs. W. H. Bivens, J. H. Bivens, Lillie Bivens, and Jay Bivens. This organization was performed in the public School Building, where relgious worship and services had been held each Sunday for the past two years.

Rev. J. Marvin Smith became the first pastor of Aquadale Baptist Church on October 1, upon his ordination by Silver Springs Baptist Church. He served two years. During this time approximately 75 members were added to the church, and the first church building was erected. Due to lack of space we will omit the achievements of other early pastorates. But they served faithfully and well and the church grew steadily, spiritually and in membership. Aquadale has had ten of God's choice men to serve as pastors. Following Rev. J. Marvin Smith in order have been Rev. W. J.

Russell, Rev. B. G. Whitley, Rev. F. R. Frye, Rev. R. A. Smith, Rev. J. C. Bennette, Rev. W. J. Russell, (2nd. pastorate) Rev. C. C. Huneycutt, Rev. J. T. Lake, Rev. R. D. Byrd, Rev. R. A. Smith (2nd pastorate) and Rev. Oren Honeycutt.

On April 1, 1962 Aquadale Baptist Church held first services in the present new building with Rev. R. A. Smith presiding. It is remarkable that he and his brother Rev. J. Marvin Smith were builders of the two church edifices of this congregation of which their mother was a charter member.

On April 17, 1964 Rev. Oren Honeycutt became the present pastor of Aquadale Baptist Church, and the church continues to grow. The membership has increased and the church budget has been greatly enlarged. Present plans call for Dedication and last payment of the church notes by Christmas of 1965.

The church has recently purchased property for pastorium and is looking forward to having renovations and additional rooms ready for occupancy by early months of 1966.

The small group of 13 charter members have grown to the present membership of 258. Which by the help of the Lord are trying to carry out the great commission of Jesus of telling the gospel story of Christ at Home and on Foreign Fields.

Report of Superintendent of Missions

At the close of our associational meeting last year I was asked to make some statements concerning the meeting and the work of the past year, for the news. I was pleased to report that the year had been a good one in progress in increased financial support; but was sorry to have to say that we were reaching fewer people by involvement in the activities of our study, training and service organizations . . . a trend that we need to strive to overcome. This I believed, and do believe, is not pleasing to our Lord and Master — Who would have us lead people to involvement and commitment of **ourselves** as well as our money. I have sought during this year to do my best to enlist the peoples of our churches in this personal involvement in the program of our Lord and His churches. It is difficult to do this without the functioning of all the organizations guided by enlisted and elected leaders who feel a sense of Divine call and guidance.

During this year, while bulk mailings — bulletins, etc, have been less than in other years, letters to individuals (stamped mail), both mimeographed

and typed or written, have increased. Also, there have been more person to person contacts.

Some of the things done relative to my task are:

5,000 Joint Worship Service sheets mimeographed and distributed (also much other materials for clinics and schools).

Attended State V. B. S. Clinic with team from our association and conducted V. B. S. clinic for our association and one for Negro church leaders in this area by our team.

Bulletins were published each month except Oct., Nov., June and Sept.

I believe I have been in each church for a Sunday Service during the year — as well as many other services. Responded to every call for assistance — saying yes except when there was a definite conflict or providential hindrance.

Attended 31 meetings in the association. Attended Associational Missionaries meetings or workshops in Raleigh in Dec. and at Ridgecrest in August.

Conducted or participated in 11 other services other than in our churches.

Attended 6 statewide meetings including convention and Evangelistic Conference.

Attended 9 area or regional meetings.

The Seminary Extension Courses begun earlier were completed in November — testimonies indicate much benefit to participants. More such courses seem to be needed and hopes are good for the coming year.

The potential is here, the challenge is here, let us seek and follow His leadership in our Associational efforts this year.

Respectfully submitted,
J. CLIFTON DUNEVANT

Report of Executive Committee

The Executive Committee took action upon the following matters during the interim since the Fall Meeting in 1964:

1. The amount of $696.00 was applied for from the North Carolina State Baptist Convention for the purpose of aiding in the expense of our associational program. The State Convention exceeds our request and granted $720.00 for the year.
2. Upon recommendation of the Executive Committee, a committee will be appointed immediately following the fall session of 1965 to make a study of the possibility of reopening a Seminary Extension Center in our association during the spring or fall of 1966.
3. The Executive Committee asked the Associational Nominating Committee to secure the services of the new Associational Clerk-elect, Mrs. Roy E. Drye, to fill the unexpired term of the regular clerk, Rev. David Morrow, when he moved from the Stanly Association. Mrs. Drye consented to serve.
4. The Executive Committee voted to recommend that the Committee on Constitutional Revision present the Revised Proposed Constitution to the 1965 Fall Session of the Stanly Baptist Association.

C. EUGENE CARROLL, Vice
Moderator Stanly Baptist Ass'n

Report on the Baptist Hospital

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. They will go out to serve as physicians, nurses, technicians, pastors and other Christian workers. The ten different schools offer excellent opportunities, and they are interested in qualified Baptist Young People who wish to invest their lives in useful service to their fellow man and the Kingdom of God.

The Mother's Day Offering is still very important to the ministry of the hospital. All the Mother's Day offering goes to help people of meager financial circumstances. The dollars we give are multiplied nine times over in free services to those who need help.

It is a high privilege for the Baptist Hospital to minister in the name of the Great Physician.

Respectfully submitted,
EUGENE E. JOHNS

The Baptist Children's Home of North Carolina

The care of dependent, neglected and homeless children is the central mission in our child care work. Our homes are dependent upon North Carolina Baptist for support. Income through the Cooperative Program is becoming increasingly important. The Thanksgiving Offering of last year has nearly reached $310,000 and is the largest ever given.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina was used to build an excellent library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care. They earnestly solicit our loyalty and support of our full program of social service and its related activities as they are used to advance the Master's cause here on earth.

Annual Training Union Report to the Association

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through our Training Unions! We have twenty-one Training Unions in our Association with an enrollment of 1,424. Our goal for the next year is twenty-five Training Unions with an enrollment of 2,000. One new Training Union with seven Unions was organized in October 1965 making a total of twenty-two Unions.

Special projects engaged in include: "M" Night and Tournaments. A total of 220 people attended "M" Night, representing 20 churches, 17 Pastors, and 17 Training Union Directors of the churches of our Association.

We had three churches represented in the Junior Memory Touraments held at Grace Baptist Church, Sunday afternoon, April 4, 1964. No churches participated in the Intermediate Sword Drill Tournament, Speaker's Tournament, and in the Adult Scripture Reading Tournament. A total of seventeen people participated in the Junior Memory Work Tournaments with seventeen Associational winners.

Our Association was represented by seventeen Juniors in the regional tournaments at Enderly Park Baptist Church, Charlotte, with sixteen regional winners from three churches of the Association.

We had four people from our Association represented in the State Junior Memory Work Tournaments at our North Carolina Baptist Assembly at Southport last summer during one of our Training Union Weeks with four State winners, twelve participants in the State Junior Memory Work Tournaments at Fruitland with twelve State winners. This represents a total of sixteen from our association who were State winners in Junior Memory Work Tournaments. Two of these, Vickie Griffin and Susie Griffin of West Albemarle Baptist Church, were four year State winners. Leaders are urged to begin now preparing for these Tournaments, so that our association may have participants in each tournament from each church.

Other special projects were two associational Training Union Executive Committee meetings, and two conference metings of Training Union Leaders and Officers in the local church, led by the Associational Training Union Officers.

May I urge each of you to study and stay up to date with the current Training Union materials, especially **The Training Union Magazine.** This is essential in order to know what is going on in Training Union work. Also, may I thank each of you for your prayers, assistance, and support in carrying on the training Union work. I would like to pledge you my best during the coming year, and urge you to support and use your Training Union as a means toward more effective Christian witness through the local church.

Respectfully submitted,
REV. A. M. KISER, Associational
Training Union Director.

The American Bible Society

The American Bible Society was founded in 1816. Today, headquarters are in the Bible House, 450 Park Ave., New York City, where the "Bible Society Record" is published. From here the Society distributes Bibles and parts of the Bible throughout the world.

The American Bible Society has the aim of putting the Word of God in the hands and hearts of as many people as possible.

Today the Society prints the Bible in more than 300 languages. But more than 1,000 languages remain in which no book of the Bible has been published.

The American Bible Society helps other societies throughout the world by furnishing them materials and equipment. Its work is aided by YOUR Church, YOUR gifts, and YOUR investments. Missionaries depend on the American Bible Society for Scriptures and the Society depends on YOU.

The American Bible Society is one of the five agencies supported by the Southern Baptist Convention. So let each church and each person do his or her share.

All gifts should be sent to the Baptist State Office, marked "For the American Bible Society."

DONALD W. INGLE.

Report on Evangelism

Churches in the North Carolina Baptist State Convention reported 27,346 baptisms in 1963 and 29,725 baptisms in 1964 — a gain of 2,379 or 9%. Churches in the Stanly Association reported 351 baptisms in 1963 and 435 baptisms in 1964 — a **gain** of 84. This year the churches in our association reported 332 baptisms — a loss of 193 (or under) 1964.

The theme adopted by the Southern Baptist Convention for the year 1966 is, "Proclamation and Witness." In our association this theme actually begins October 1, 1965 with the new associational year.

The President of the Southern Baptist Convention, Dr. Wayne Dehoney, says: "The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination, is going to accept its role and launch the greatest evangelistic thrust in history." No informed child of God would argue with Dr. Dehoney about this being a "major issue" before us. The purpose of our theme for the year ahead is to help get us aimed and moving toward this objective.

The evangelistic thrust needed now waits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body and soul. Materials and programs that are available to the churches from our denomination are listed below but each church should decide on the objective and course it is convinced the Holy Spirit has appointed for it to pursue in its witness for Christ in the community and the world today. Materials and helps in the work of evangelism may be requested as needed from the Division of Evangelism, Baptist State Convention, Raleigh, North Carolina.

Respectfully submitted,
W. I. RUTLEDGE.

Report on Christian Education

The enrollment of our seven Baptist Colleges in the fall of 1964 was 10,655. The enrollment for the fall of 1965 was 11,414. This is an increase of 759.

In the past years, the colleges have graduated 45,000 men and women who have taken their places of responsibility in society in Christian professions. At the present there are 500 in training in our colleges, working toward special vocational leadership in the various Christian ministries.

Again this year, as in recent years, Christian Education Day will be observed on Father's Day. The Cooperative Program is the life-line of Baptist Colleges. There has been a significant achievement in advancement during the past year in the support of our colleges by the more than three thousand churches in North Carolina. An announcement from the office of the Secretary on Christian Education will soon be made concerning these advancements and achievements.

Each of our seven colleges have an outstanding record of leadership and achievements. It is our hope and prayer that each church will join in an all out effort to make the year of 1966 the greatest in contributions and achievements the colleges have ever experienced.

Respectfully submitted,
H. L. REGISTER.

Report on Christian Literature

The Biblical Recorder was founded in 1833 and has been published continuously since that time. It is the official organ of the Baptist State Convention of North Carolina.

The editor is Marse Grant and his two associates are C. W. Bazemore, circulation and promotion; and Roger Branch, news and editorials. The Board of Directors is composed of 16 Baptist leaders from all over the state.

Each week the Recorder contains important information that is of interest to Baptists in this and other states.

More than 82,000 subscribers receive the Recorder. Based on an average of three readers for each copy, nearly 250,000 people read it each week There are 31 Recorder Clubs (7 of these Church Budget plan) in Stanly Association. Churches without Recorder Clubs 19. Total number receiving Recorder in our Association is 1,053.

You can receive the Recorder for a reasonable cost. The church budget plan is only $2 a year; club plan of 4 or more is $2.50; individually it is $3.

With the September 2 issue of Charity and Children Orville Scott assumed the editorship of the Baptist Children's Home weekly paper. Scott came from a position as press representative of the Baptist General Convention of Texas.

Charity and Children continues to occupy a place of real prominence in our Baptist work. In clubs of 10 or more at the same address it will cost you only $.60 per year.

Two very important publications in the field of missions are Home Missions and the Commission magazine. Rates: Home Missions through your church is $.60 or individually $1.00 per year. The Commission through budget is $.88 or individually $1.50 per year. This year our pastors began receiving the Commission on a complimentary basis for the first time.

Home Life, A Christian Family Magazine is published monthly for $3.00 per year individually or 45 cents quarterly in bulk shipments to the same address.

Several new church literature items will make their debut in the first quarter of 1966. The 1965-66 edition of the Church Literature Guidebook published by the Sunday School Board of the Southern Baptist Convention list these, and the other literature which is available to you through your church.

At least 16 churches in our association have church libraries. This is a step in the right direction for providing wholesome reading material for our people.

North Carolina Baptist Homes For The Aging 1965 Associational Report

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues — the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded $97,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Respectfully submitted,
ROY E. DRYE

Baptist Foundation Report

During the past four years the Foundation has been actively presented to the Baptists of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

C. GORDON MADDREY,
Executive Secretary.

Cooperative Program Report

One of the most significant things that Baptists have done in the last 10 years is the establishing and working of the Cooperative Program. We are celebrating this year the 40th anniversary of the founding of the Cooperative Program. It is the thing that has brought missionary advance among Baptists. It is the life-line of our Baptist work.

Dr. Baker James Cauthen, Secretary of the Southern Baptist Convention Foreign Mission Board, has challenged us to send 5000 foreign missionaries in the years ahead. This will mean greater and increased giving on the part of Baptists everywhere. The only way we can hope to meet this challenge is through increased giving through the Cooperative Program. The Cooperative Program has given significant support to every state and Convention-wide cause.

If we are to see an advance in our increased giving through the Cooperative Program, we must enlist our people to tithe. We are now in the midst of an effort to enlist more tithers. The emphasis for this year is the "Tithe . . . Now!" program. Already in North Carolina 1300 out of the 3300 Baptist churches have set goals as a part of the Convention-wide emphasis to enlist two million tithers by October, 1966 throughout the Southern Baptist Convention. A free "Planning Kit" for tither enlistment is available from our state office for every church or pastor adopting a definite goal. A letter from Mr. O. J. Hagler informs me that 25 of the 50 churches of our Association have set goals in the "Tithe . . . Now!" em-

phasis. Let us determine **NOW** to be faithful in worship with tithes and offerings and share regularly through the Cooperative Program.

RECOMMENDATIONS

We recommend:

1. That the churches participate in the "Tithe . . . Now!" emphasis.
2. That we engage in prayer for cooperative causes, especially during the October Cooperative Program emphasis.
3. That every church plan a Stewardship program emphasis this fall.
4. That the churches give regularly throughout the Cooperative Program.

Respectfully submitted,
C. R. HINTON.

W. M. U. Report

This has been another year when all organizations of the Woman's Missionary Union have made special efforts to answer Christ's command when he said, "Go Ye." We have studied the Missionary Message of the Bible monthly. We have been seeking to establish a Bible base for the teaching of Missions, which is our first task, by doing this. We have studied our mission books so that we may be better informed concerning the needs of the world. Individuals have prayed daily using our Call to Prayer. Groups have prayed together during our Weeks of Prayer for Foreign and Home Missions and at our Associational Prayer Retreat. We have prayed for ourselves, for our churches, and for World Missions that power may be received to meet the needs of the world. Our time, talents and money have been given as we contributed to our special mission offerings and participated in planned Community Missions that His work might go forward.

Special efforts have been made to train our young people that they too might grow in Missionary Zeal. An Associational Day Camp was held for eight-year old Sunbeams at the Norwood Baptist Church in August. It was a day of Bible Study, Mission Study and Christian Fellowship. Four Associational Girls' Auxiliary meetings were held during the year. At each meeting an inspirational missionary program was presented. The Associational Y. W. A. Council held three meetings. During the quarter for Home Mission Emphasis they presented a playlet entitled Annie Armstrong, Daughter of Destiny. About three hundred from different W. M. U. organizations attended this presentation receiving new inspiration to be a better witness on our home mission field.

A special effort was made early in the year to train the leaders of our organizations. The annual Leadership Conference was held at Grace Baptist Church. Thirty of our churches were represented with more than two hundred present. Later in the year the Leadership Course of seven and one-half hours was taught at Norwood Baptist Church for W. M. S., Y. W. A. and G. A. leaders. There were thirty-seven W. M. S., forty-two G. A. and five Y. W. A. leaders from nineteen churches who received a leadership card.

At our annual state meeting in Greensboro two of our organizations, Oakboro First and South Stanly, were recognized for their outstanding work as honor organizations. Our Associational W. M. U. was also recognized at our state meeting as an honor association. This was a result of the work done in our local groups. There were more than fifty leaders from fourteen of our churches present to witness these recognitions.

Our Annual Associational Meeting was held with the Porter Baptist Church in April. The theme was "Worship Christ, the King." Those who attended experienced a period of inspiration and Christian fellowship.

It is true that we have tried to witness and to be servants of our Lord during this past year, however we have fallen short of what we could have done. We call ourselves Missionary Baptists, yet six of our churches do not have any W. M. U. Organization. We need the help of every Christian. We challenge you to join us in serving God and fellowman.

Respectfully submitted,
MRS. J. L. McNEILL

State Missions Report

If it were possible to look at North Carolina through the eyes of Jesus — if it was possible to love people as Jesus loved them, what would we see, and what would our love compel us to do about our Mission responsibility in North Carolina.

We would see a growing state, growing in population, growing in industry, massive church buildings being erected, and our church machinery becoming better oiled each year.

With our present population explosion, much of it being brought about by the increase in industry — we find a pressing need among North Carolina Baptists. That need is to reach out with hearts filled with God's kind of love for the lost about us, that they might be brought into the sheep-fold of God, through faith in the person of Jesus Christ.

Our Bible tells us, that we, as Christians, are His witnesses — we are the salt of the earth, and the light of the world. We are to savor the world with out saltness, and we are to turn on our light that the lost might see.

In the autonomous make-up of our North Carolina State Convention, we have our Division of Missions. This is designed to take care of these pressing needs — when supported by the Baptist churches of North Carolina. If the need becomes more pressing each year, then our gifts to State Missions must increase each year, or our work fails.

How is our money spent? What are the various functions of State Missions? What is the purpose of the Convention's Mission program?

These questions can be answered by the following quote from the manual of the Baptist State Convention of North Carolina. Its functions are as follows:

To survey and aid in the establishment of new mission points and new churches in North Carolina. This may involve the establishment of a loan fund and the training of leaders for this task. The 30,000 movement has been a vital part of this ministry.

Work with the Department of Church Development in studying and carrying out plans for the development of new and underdeveloped churches in the Convention.

Work with the associational missionaries in the task of strengthening the district association as a vital unit of our Baptst work.

Work with the director of Fruitland Bible Institute in the accomplishment of its purpose to help men who have beeen called to the ministry later in life or who, because of family or other responsibilities, have not been able to attend our regular Baptist colleges and seminaries.

Work with those who are seeking to minister to special groups such as:

The deaf people.

The correctional institutions and other institutions that may need chaplaincy service, such as Samarcand Industrial School for Girls and McCain Sanitorium.

Other institutions or special groups.

Work with the Department of Interracial Cooperation in creating good will.

Participate in conferences, rallies and various district and state programs to inform and encourage our people in their support of our total Baptist work and in the conduct and promotion of schools of missions and schools for pastors.

This work is headed by Dr. E. L. Spivey who sends his regards to the churches of Stanly County.

In a telephone conversation with Dr. Spivey, it was encouraging to learn that our State Missions gifts exceed last year's by $15,000.

Respectively submitted,
MORRIS H. ANDREWS

Home Missions Report

"Church membership has failed to keep pace with the population growth of the United States." This was the report that Arthur B. Rutledge, executive secretary-treasurer of the Home Mission Board, gave to the Southern Baptist Convention in Dallas. According to Rutledge, the birth rate in 1964 outnumbered church membership growth by almost a million: 2.6 million births compared with 1.7 million new church members. He said that the mission agency is studying future objectives and goals to meet increasing spiritual needs.

More than $7 million came from Southern Baptists for home missions through the Cooperative Program, the Annie Armstrong offering, and other sources. For the first time in some years, the Cooperative Program reached the advance stage (when all funds received above a given amount are divided between the Foreign and Home Mission Boards), and the Home Mission Board received $426,070.00.

The 30,000 Movement's final report, following the close of a nine-year emphasis on church extension, showed that 18,285 missions and 6,682 churches were established. The emphasis is being continued through the program of church extension in the mission agency.

The increase in crime, the high level of drink and divorce, racial tensions, and strife between management and labor were cited by Dr. Rutledge as reasons for increased spiritual emphasis. We have the largest mission force ever, but there is still an urgent need for personnel in language missions, metropolitan missions, and pioneer missions. There is an equal need for funds and other resources to make the work of these missionaries effective.

Respectfully submitted,
HOWARD BENOY.

Foreign Missions Report

At the end of August 1965 there were 2,048 Missionaries under appointment by the Foreign Mission Board and assigned to 60 countries throughout the world.

This was an increase of 245 over 1963, and missionary work was started in five new countries, **TOGO, Ivory Coast, Luxumburg, YEMEN** and the newest **AUSTRIA.**

In YEMEN, a Medical Mission was opened where there is only one doctor for every 156,000 people.

At the close of 1964 there were 4,231 churches on Mission Fields of which 2,617 are self-supporting. In addition there were 7,482 CHAPELS and Mission Points. Baptisms totaled 43,403 and the membership of the churches reached 549,921.

There were 1,110 Schools, 20 Hospitals, 49 Dispensaries, 16 Children's Homes, 18 Good Will Centers and 20 Publishing Centers.

Southern Baptists gave $23,429,614 to support the Foreign Mission work in 1964, of which $10,928,081 was given through the LOTTIE MOON OFFERING.

While rejoicing in all the advance being made, it is realistic to remember that only the most urgent needs can be supplied and many necessary steps must be required to wait until funds and personnel are available.

Mission Advance is projected with confidence that GOD will call workers

into his harvest and SOUTHERN BAPTISTS will respond with resources to undergird their ministry.

Let us heed the words of the Master as he speaks to us: "The HARVEST truly is plenteous but the laborers are few; pray ye therefore the Lord of the Harvest, that He will send forth laborers into the harvest."—Matt. 9:37-38. "Lift up your eyes and look on the fields; for they are white already to harvest."—John 4:35.

REV. E. J. HONEYCUTT.

Report of Resolutions Committee

The eighty-first session of the Stanly Baptist Association has informed us of our past total performances, challenged us to greater witnessing, and inspired us to proclaim Christ as the salvation of the world. Therefore, be it resolved that we express our sincere appreciation:

1. To Norwood Baptist Church and Aquadale Baptist Church for their gracious hospitality, and the delicious food so efficiently served.
2. To our Moderator for the excellent manner in which these sessions have been conducted.
3. To the Program Committee for the quality and arrangement of our programs.
4. To our Superintendent of Missions for his leadership and work in laying a foundation for the ongoing development of the churches in our association.
5. That we urge all our people to personally accept the challenge of our theme for this session, "Proclamation and Witness."

6. And further be it resolved that we express our thanks to the Stanly News and Press and radio stations WABZ and WZKY for giving publicity to this annual session.
